In Search for Tomorrow

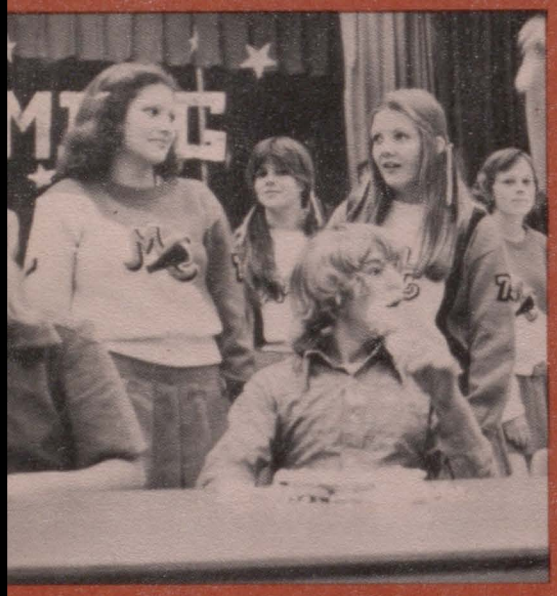

The first day of school. Bla! What a drag! It seems that I hear the same thing ringing throughout the halls of M.C.H.S. every year.

Do you like going to high school? I didn't, but I do now. I'm a senior. I don't have much time left in school and I'm gonna miss it. I think everyone will, once they realize that it's probably the best four years out of their lives. But you can't look back at the past all of the time, you have to think ahead of what's in store for you in the future.

SPIRIT, SPIRIT, SPIRIT. Well it's here again but this time to stay. Homecoming was alot of fun this year. All the classes got together working on floats, assemblies, the dance and the big game.

This year spirit has come a long way and it's just the beginning. The Juniors and Sophomores have as much enthusiasm as the Seniors and hopefully it won't wear down, cause there's more to come.

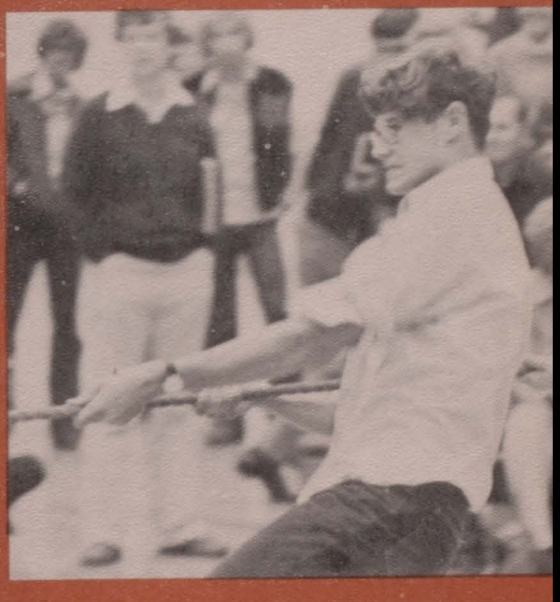

Beginning of Future Spirit!

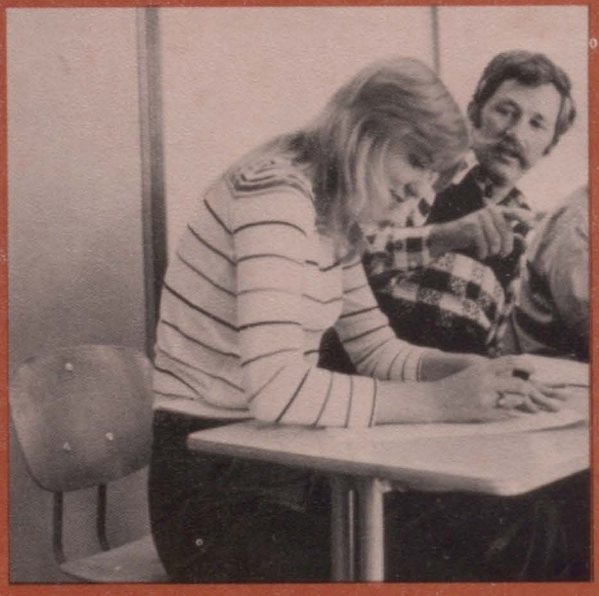

It's Time for Something New

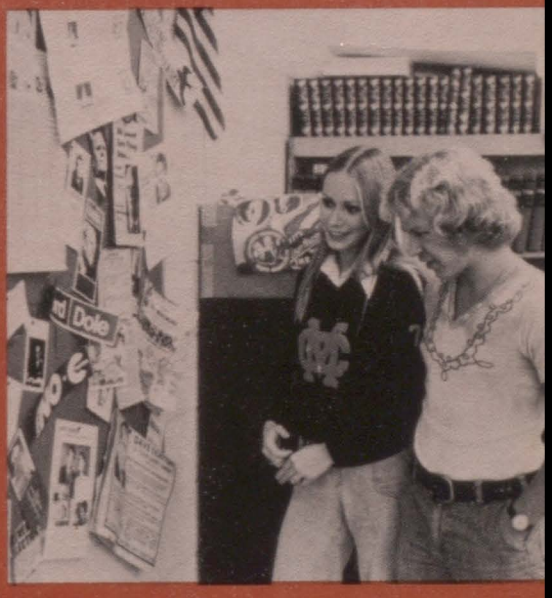

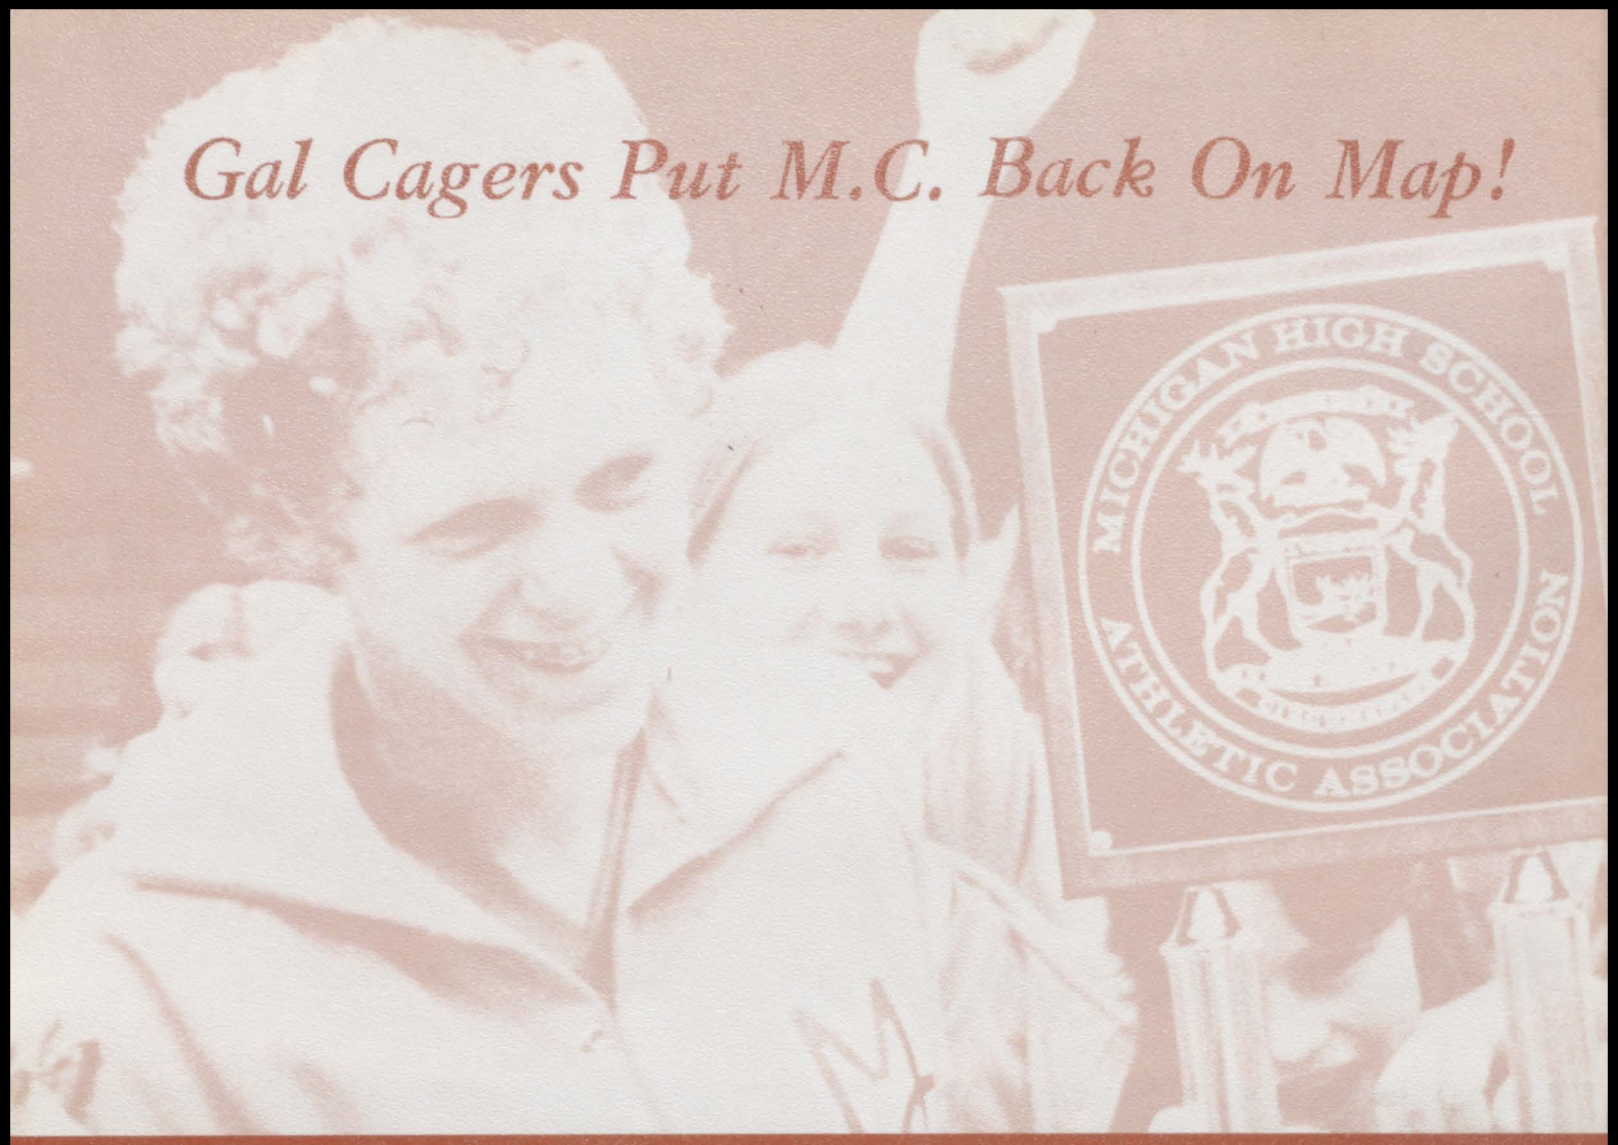

Jimmy who? Oh! Carter. I never heard of him. Carter or Ford, Democrat or Republican? I like both. Do you like peanuts? I do I guess. Carter won, I voted in the school election and Ford won. What does that tell you? I don't know! Are we ready for something new? Ya, I am.

Gal Cagers Put M.C. Back On Map!

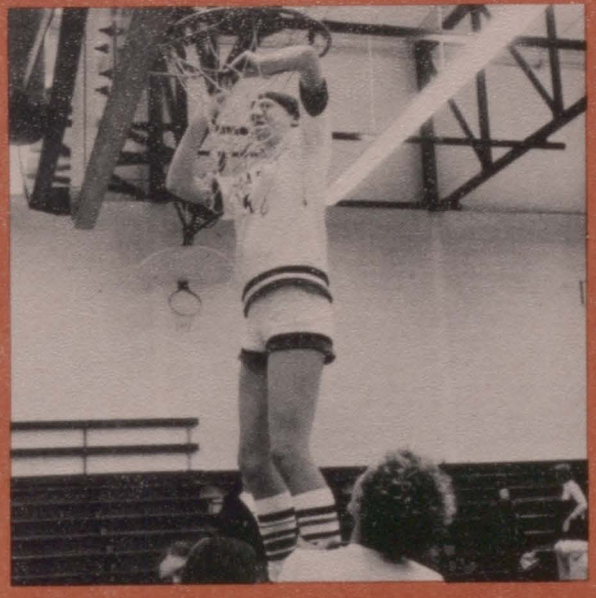

1976 GIRLS CLASS B ST

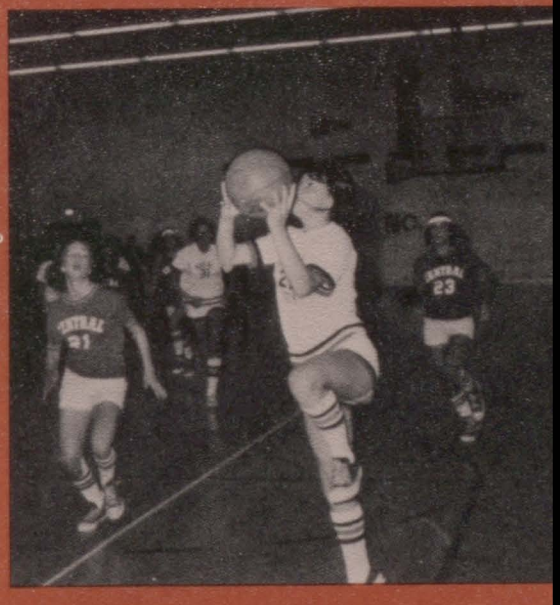

Basketball? Who doesn't like basketball? If you watch our own M.C.H.S. girls play, there is no way you could say that you don't like basketball.

Who is the first Blue Water Area team to win a state title? We are! The Marine City Girl's Varsity Basketball Team. The one and only class B team which is undefeated in the state. How'd they do it? A lot of practice, practice and more practice after school and teamwork helped prove that they could be no. 1.

Just because the high spirited seniors are leaving, is that going to stop us? No, it will not 'cause the spirit will grow more and more each year at good ole' M.C.H.S.!

I can't believe it, this year's winter has been so cold. I hear by the year 2000 the summers are going up to 50, yes folks 50.

It got so cold this year that some of the water pipes froze up and broke. That was a mess because it flooded the band and wood rooms and ruined a lot of equipment.

While the staff was taking care of that slop, we got a few extra days off and went skiing, tobogganning, snowmobiling, and partying!

Winter really came on strong and I mean strong, but we got used to it and we all survived.

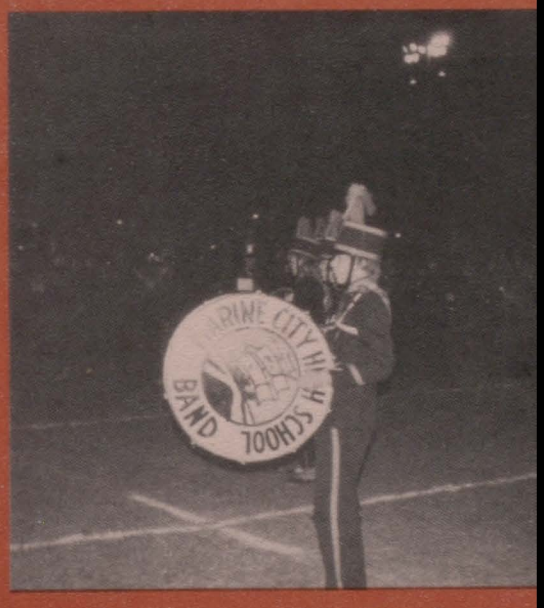

Starting of Second Ice Age

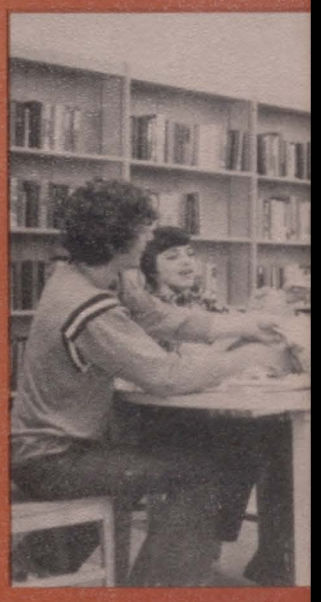

Mariners' Set New Moods

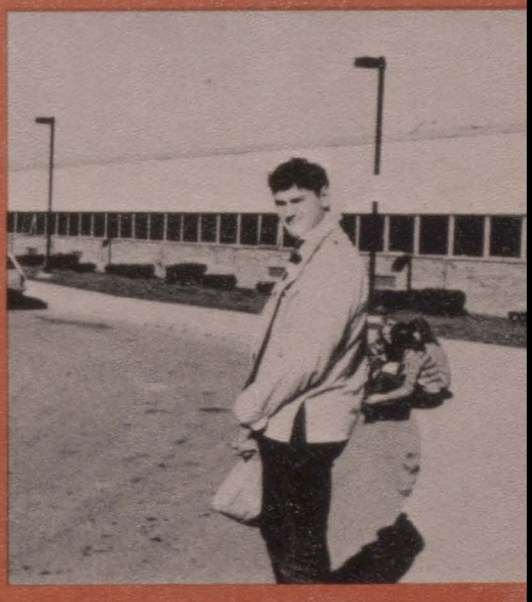

Being a Senior makes me stop and realize the changes that have taken place during the past four years.

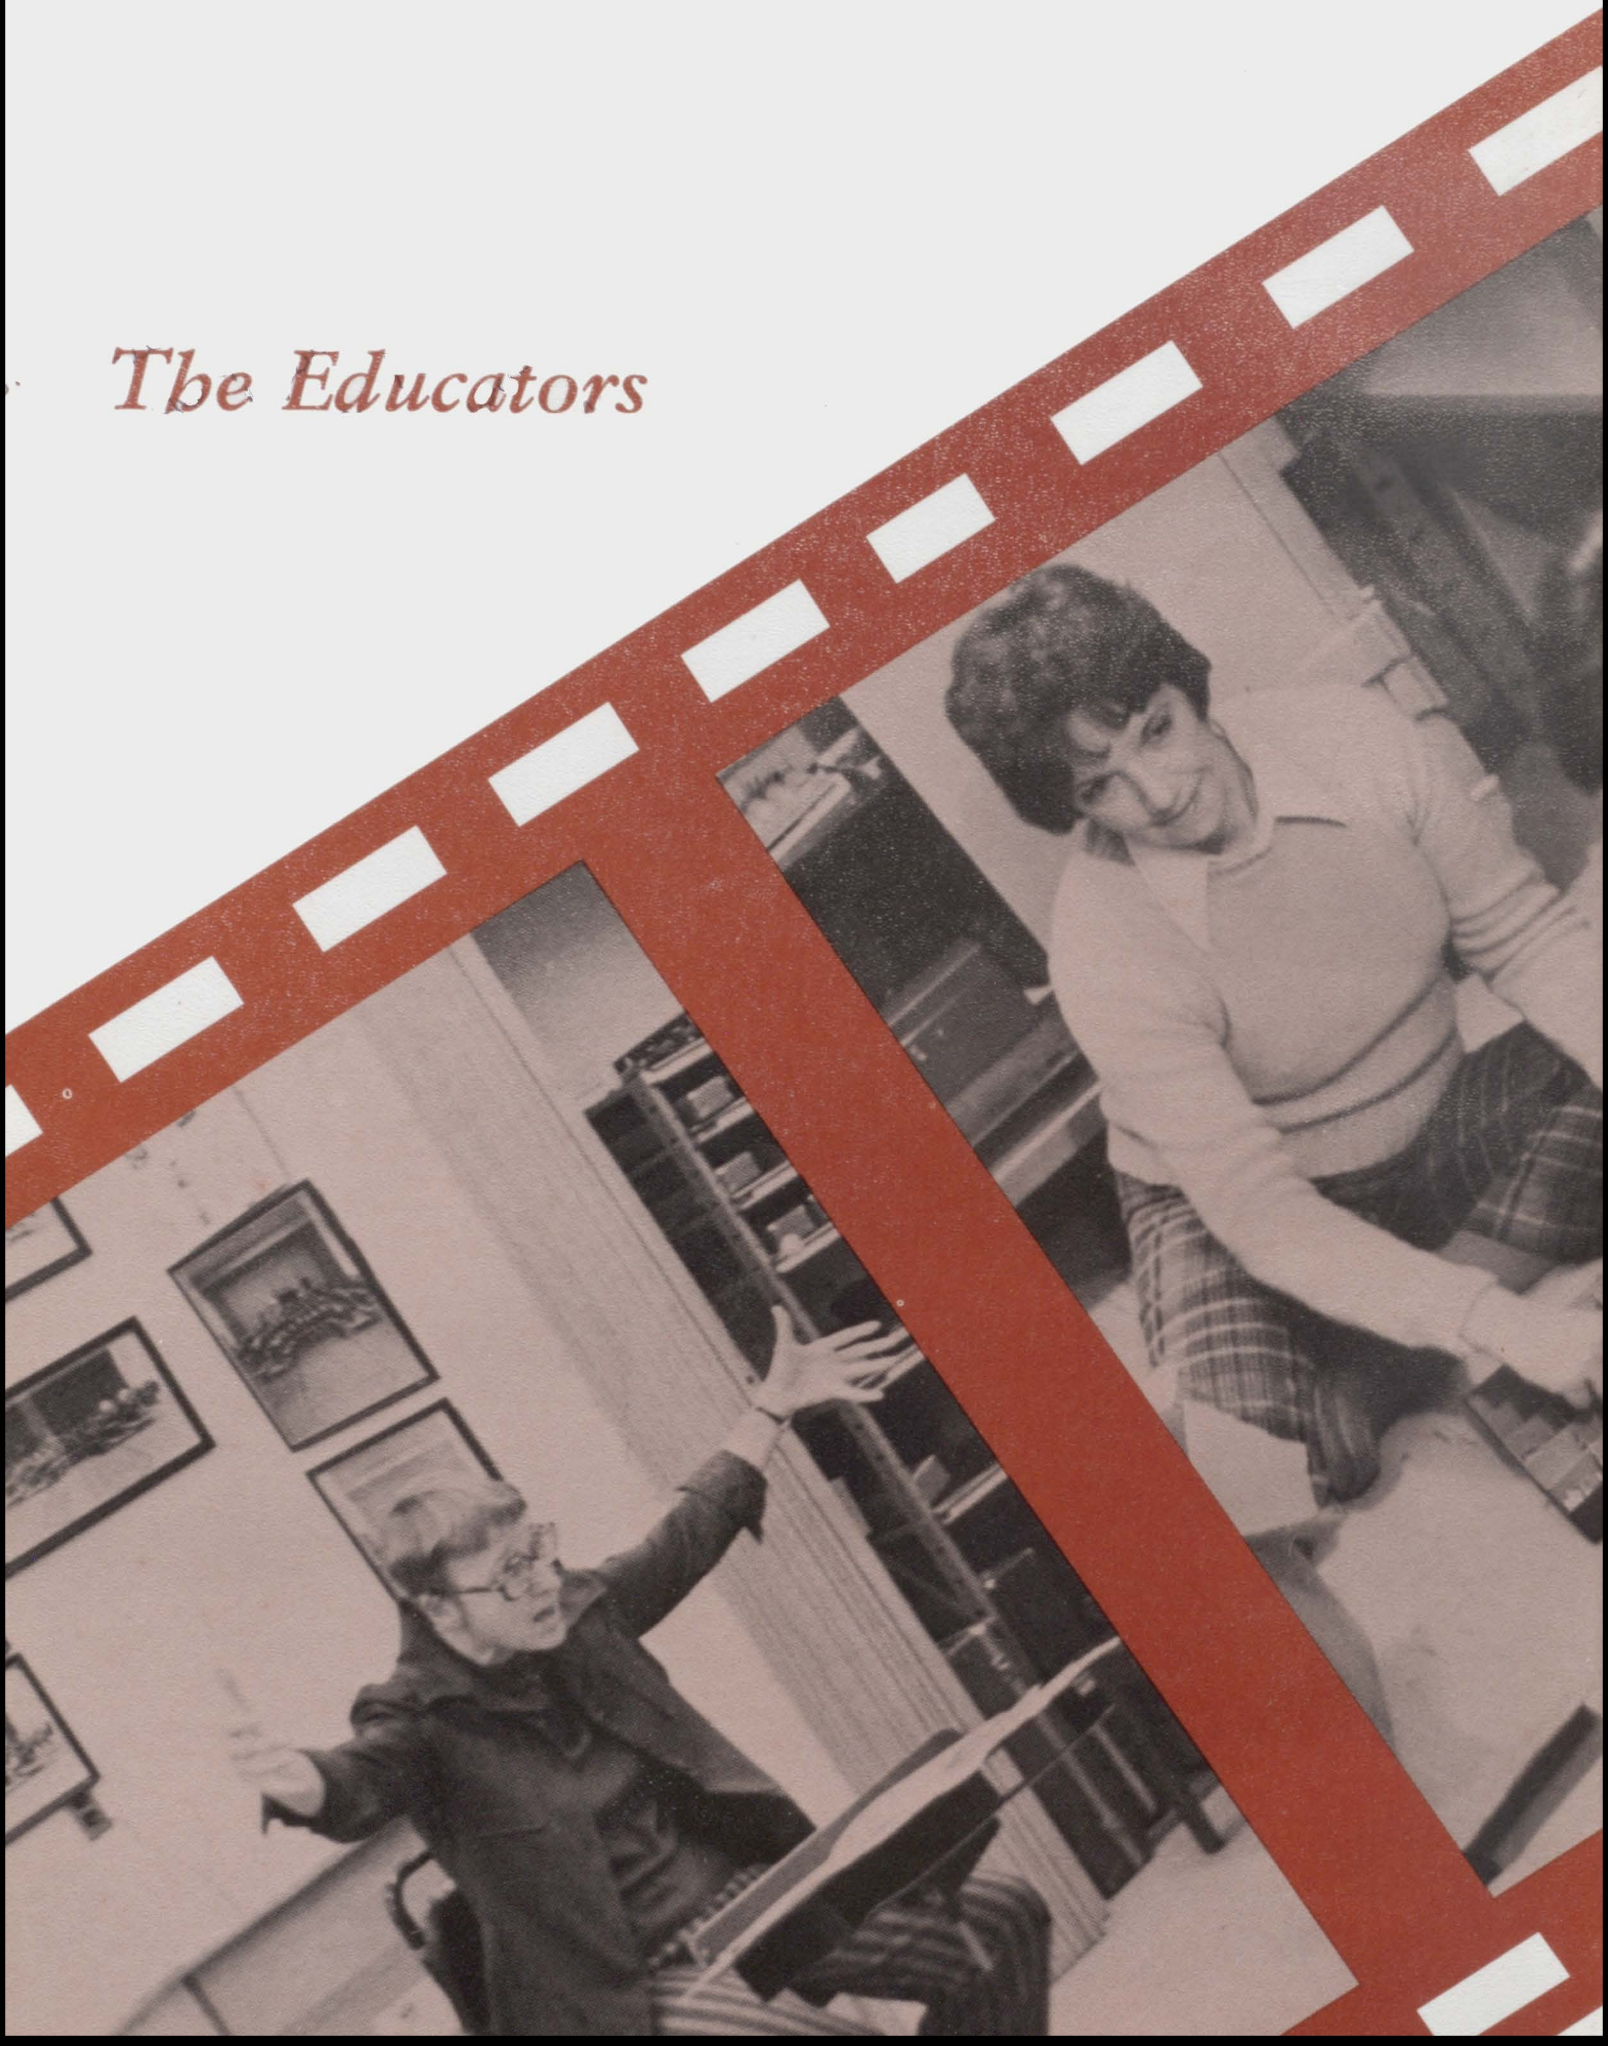

When I first came here as a little frosh it seemed like people didn't associate with you if you acted a little different and didn't do all the things they did. Now kids don't seem to be scared to just act themselves. They find it's easy to go ahead and do their own thing.

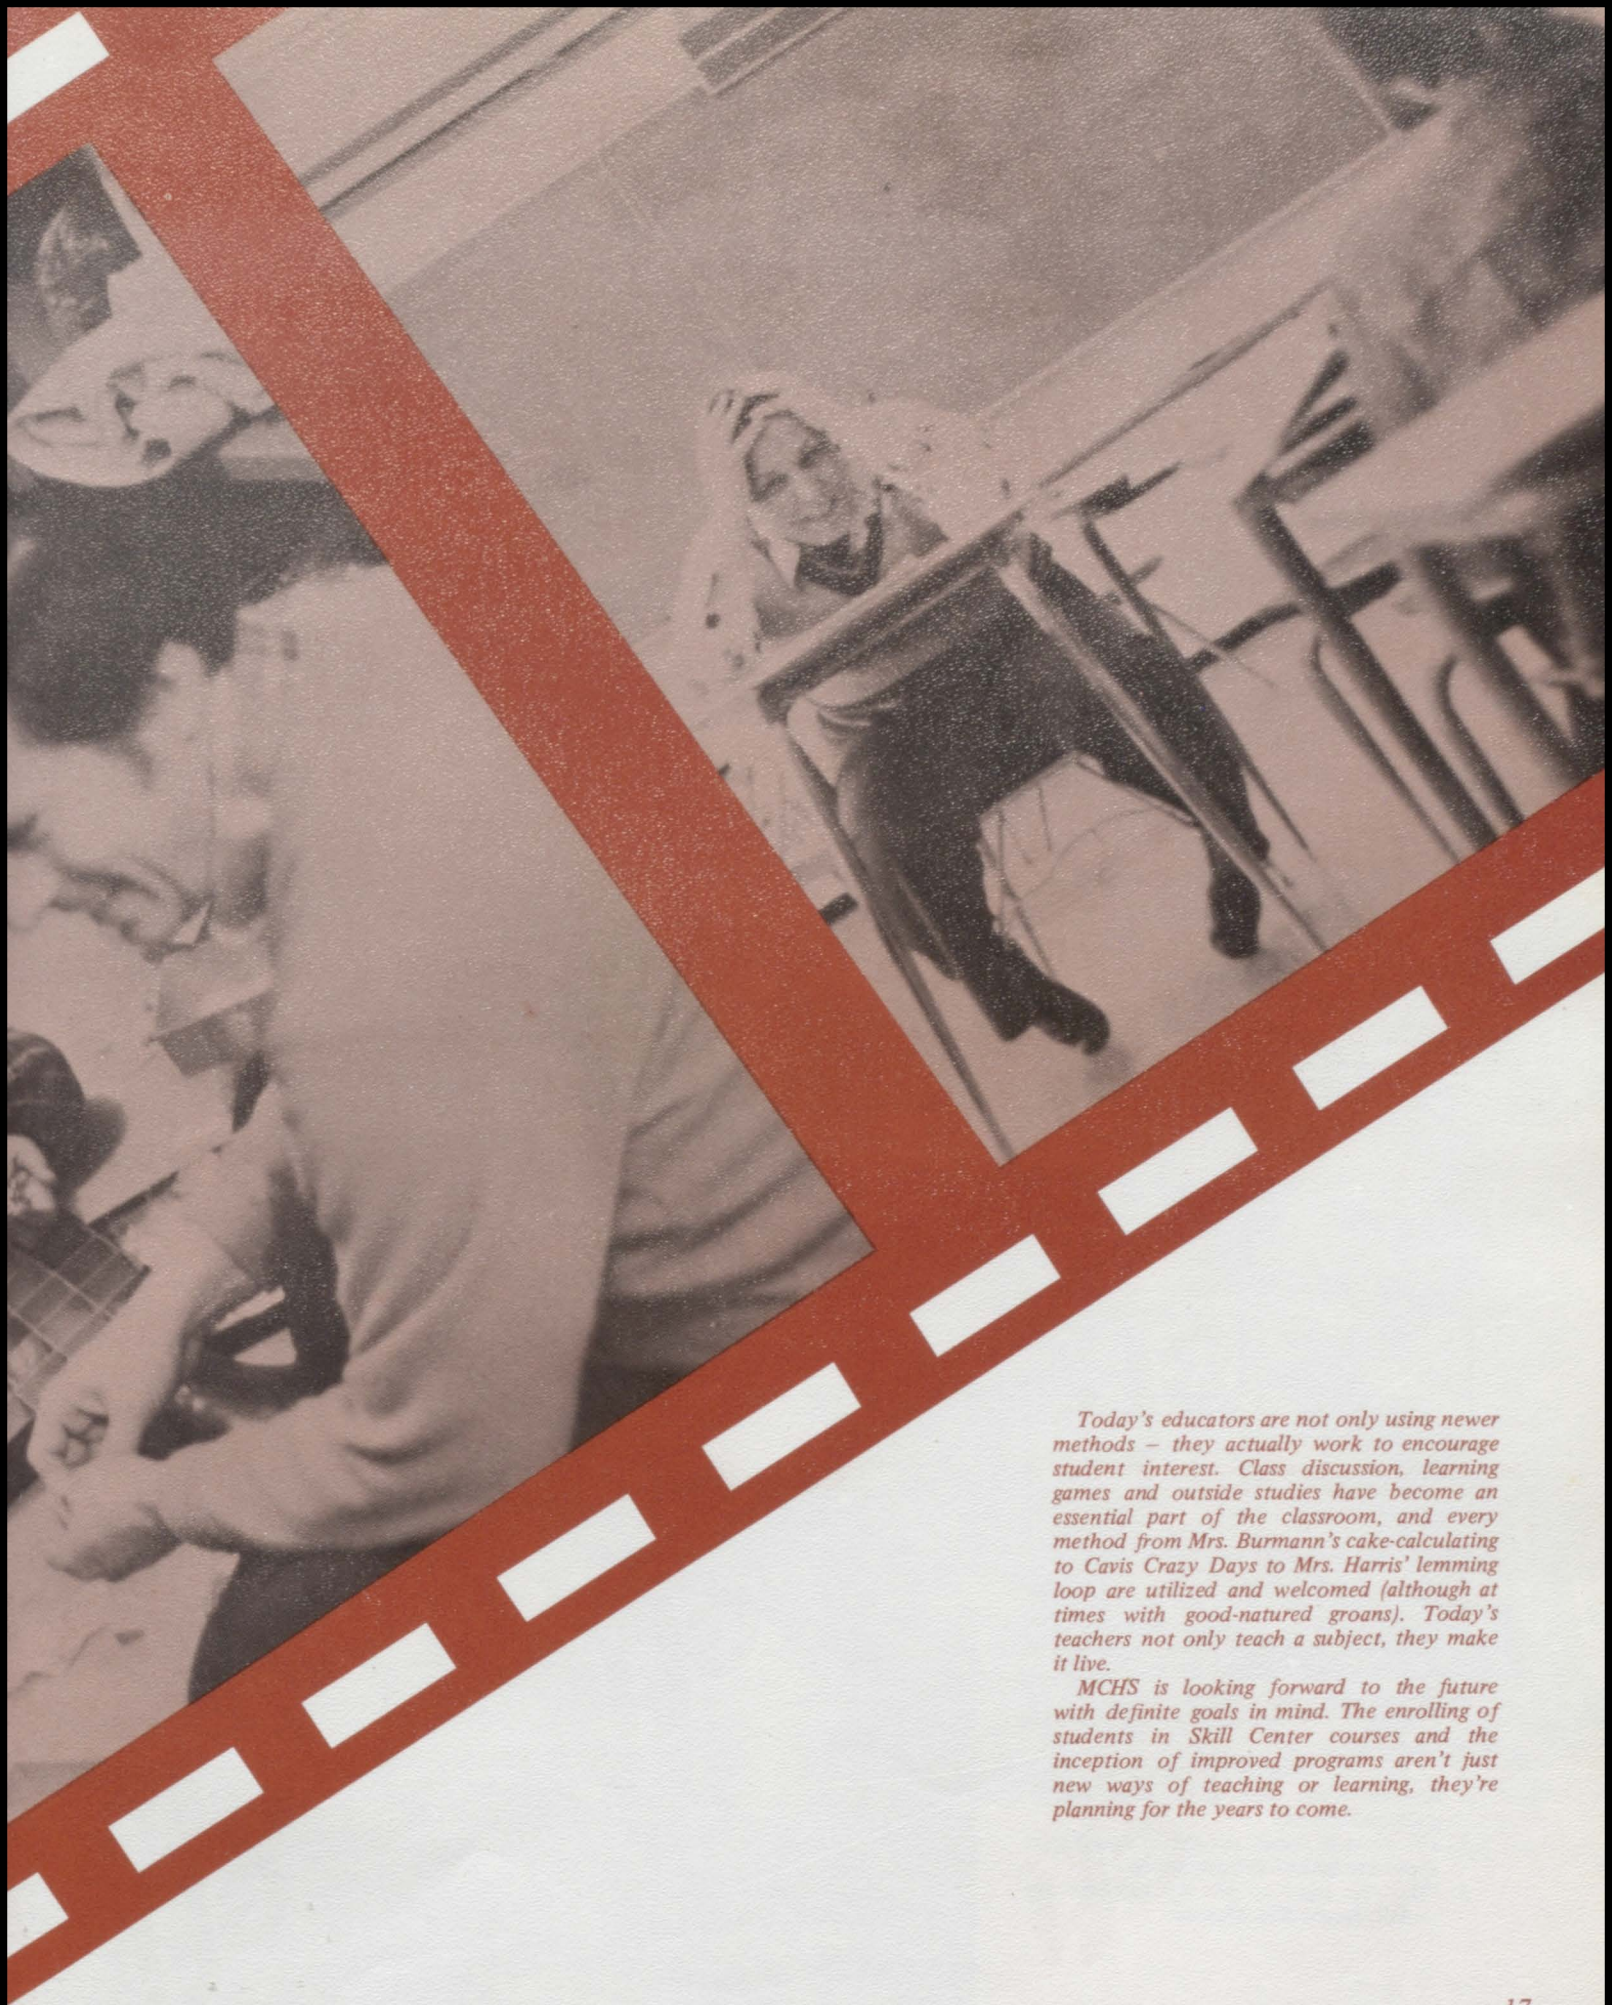

The Educators

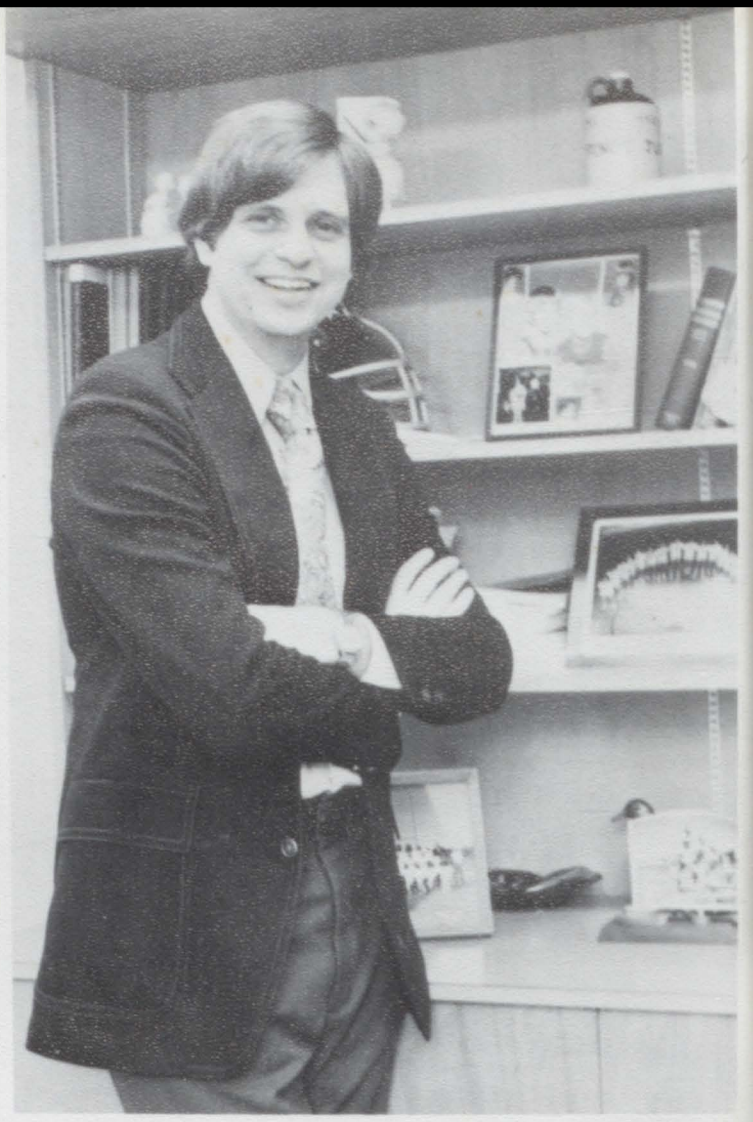

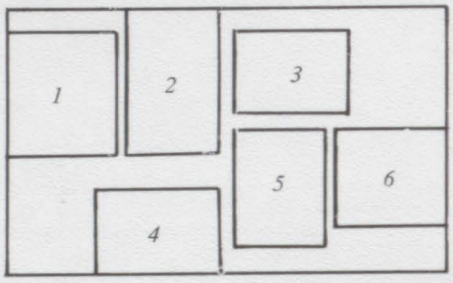

Today's educators are not only using newer methods – they actually work to encourage student interest. Class discussion, learning games and outside studies have become an essential part of the classroom, and every method from Mrs. Burmann's cake-calculating to Cavis Crazy Days to Mrs. Harris' lemming loop are utilized and welcomed (although at times with good-natured groans). Today's teachers not only teach a subject, they make it live.

MCHS is looking forward to the future with definite goals in mind. The enrolling of students in Skill Center courses and the inception of improved programs aren't just new ways of teaching or learning, they're planning for the years to come.

We do Good Work!

1. *Mrs. Faucher's favorite job is running off dittos.*
2. *"Just step into my office and see my favorite people," laughs Mr. Shorkey.*
3. *Mrs. Westrick answers the phone with a pleasant "Good morning, Marine City High School".*
4. *"I have an excuse right here", says Dick Stevens when Mrs. Eber gives him a questioning look.*
5. *Mr. Trudell found the list of complaints about the budget quite amusing.*
6. *"Do you want to see my southern girl smile?" laughs Mrs. Chartier.*

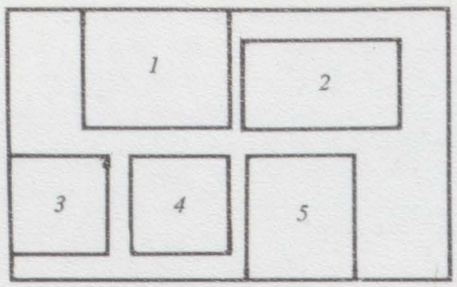

Please excuse the interruption ... click ... click. Could that be Mr. Shorkey trying to reach us over the P.A.? Perhaps. Or maybe it's one of his ever efficient secretaries tampering with the dials. Even though they seem to have a few problems with the P.A., they still have the school running quite well. When Mr. Shorkey isn't busy with one of his many jobs as principal, he can be found in the halls talking with students or maybe looking in on a class to say a friendly "hi."

The secretaries, Mrs. Carol Eber and Mrs. Anne Westrick along with Mr. Trudell's secretary Mrs. Lucille Chartier really have their work cut out for them. They sign passes, type, keep accounts, and record attendance to make sure everything is running smoothly.

Sometimes students wonder who decides if they're learning enough, who recommends the teachers, or who orders all the new books. Well, that man is the complex co-ordinator known to everyone as Mr. Edward Trudell. He also has a major say about changes that occur in the school.

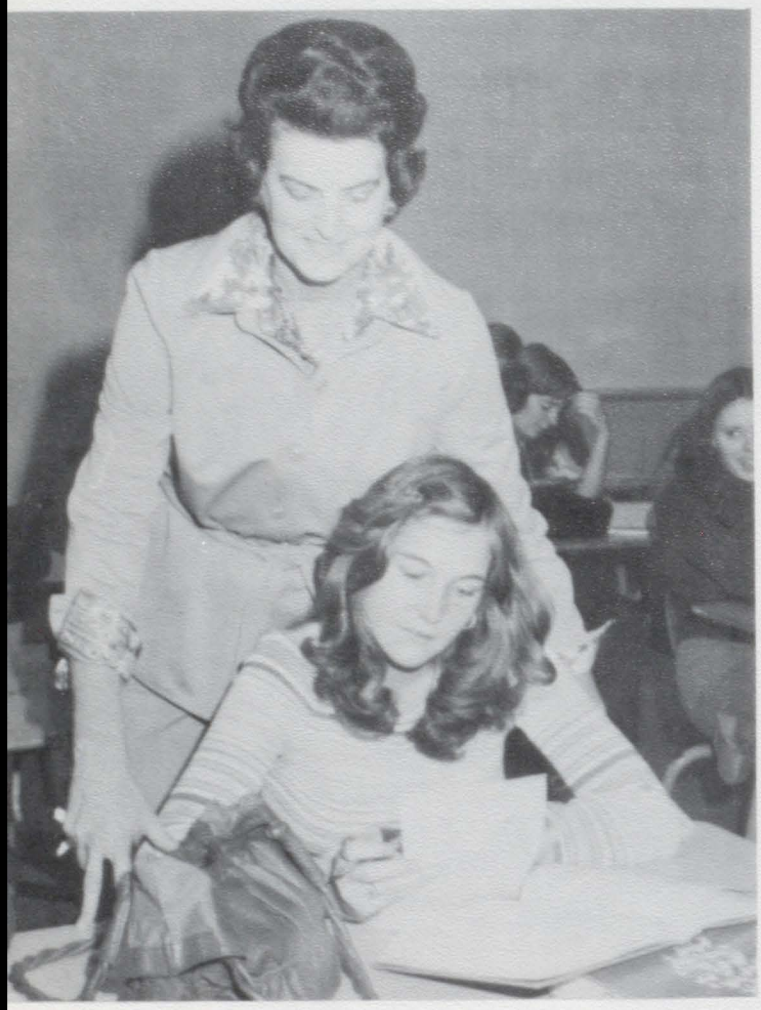

1. *Tom Darrah tries to convince Mr. Gunderson that for once he is right.*
2. *Chalk dust, chalk dust on the "Bored?" thinks Mindy Posey as Mrs. Burmann writes an endless list of words.*
3. *"I can't seem to remember what to do with these papers," thinks Mr. Scheel.*
4. *Pam Bradford finds she can't figure out her own shorthand notes without the help of Mrs. Joachim.*
5. *Mr. Horning shows John Duddy just the right style to look like a pro typist.*
6. *"Are you actually sending this?" Mrs. Warner questions Martie Phillips.*

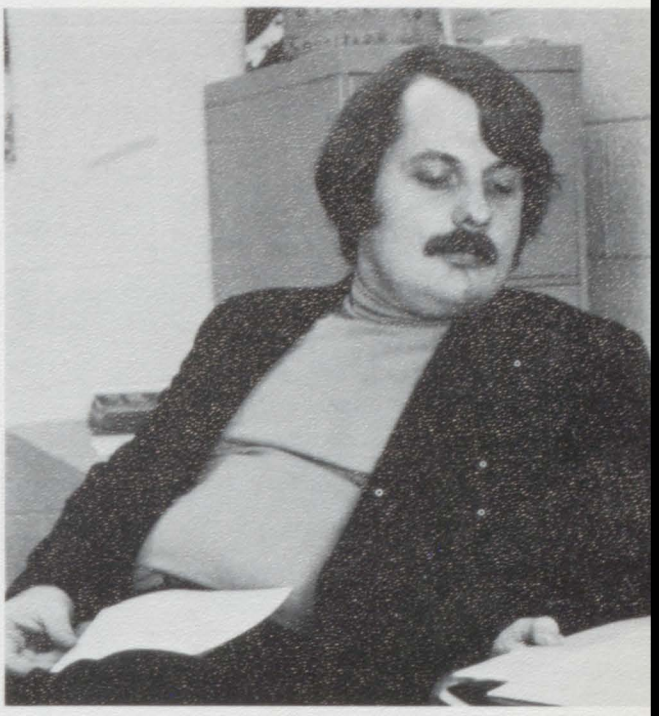

Math Students - "Takin' Care of Business"

A must for any college bound student is at least one of Mr. Gunderson's or Mrs. Burmann's math classes. A few of the many things the students learn are: percents, setting up proofs, fractions, story problems and solving equations.

Mrs. Burmann also has a few C.B. Biology classes. One of the rewarding experiences is when you walk out of the Science room, feeling like a surgeon!

The business classes are important for all who plan to be secretaries. Classes such as Shorthand, Accounting, and Recordkeeping help to better your knowledge of the business world.

Your combined skills are tested when you take the Simulated Steno Office Block. You practice everything you would be expected to know in a real office situation. Composing letters and sending them to an imaginary company could be one of the things you might be expected to do.

History and Government ranked top on the list of favorite classes this year. Instead of studying the has beens, we were able to follow the presidential elections of 1976. Information was gathered, reports given and opinions voiced concerning who would be the next president of the United States. Students were also taught the proper way to vote and had the chance to practice in the school election.

How do you feel about women's rights? A class known as Home-Handiperson was started last year and is running well. The girls learn how to use simple handtools so they can fix things around the house.

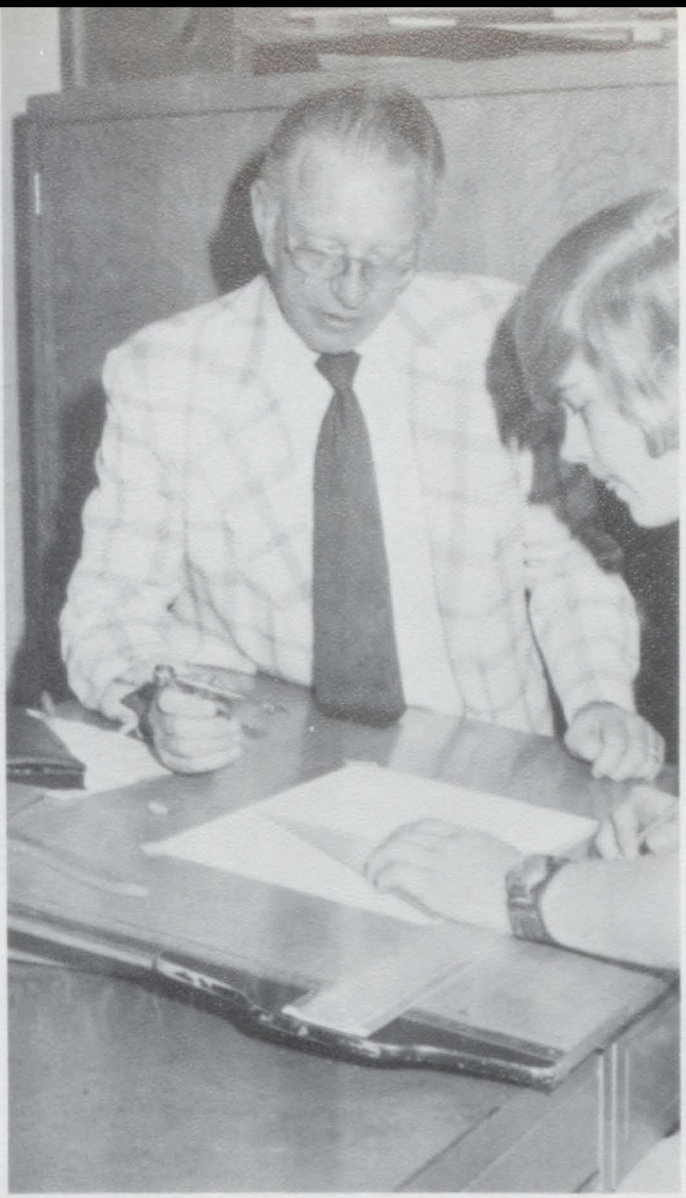

They also fix leaky faucets, change fuses and best yet ... change tires.

Home HandipeopleCreates History

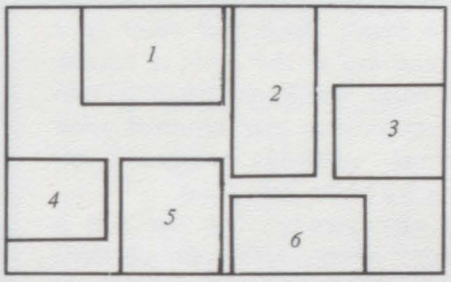

1. *Mr. Chamberlain shows Ben Phillips which end is up on the globe.*
2. *"Don't you think this will make a better circle?" Mr. Flemming asks Roy Perala.*
3. *Mr. Rice wonders what to do with the choke as Angie Heintz and Cheri Hutchenson watch.*
4. *Mr. Smith shows Mike Streitz, Lois Lightfoot and Terry Blake the kind of iron his mother used when he was a boy.*
5. *Mr. Homberg gives Bridget Snell a questioning look when she asks where Detour Village is.*
6. *Mark Bowersox cleans the sand mold with the assistance of Mr. Milson and Randy Pyrzewski.*

Hey Teach - What's New?

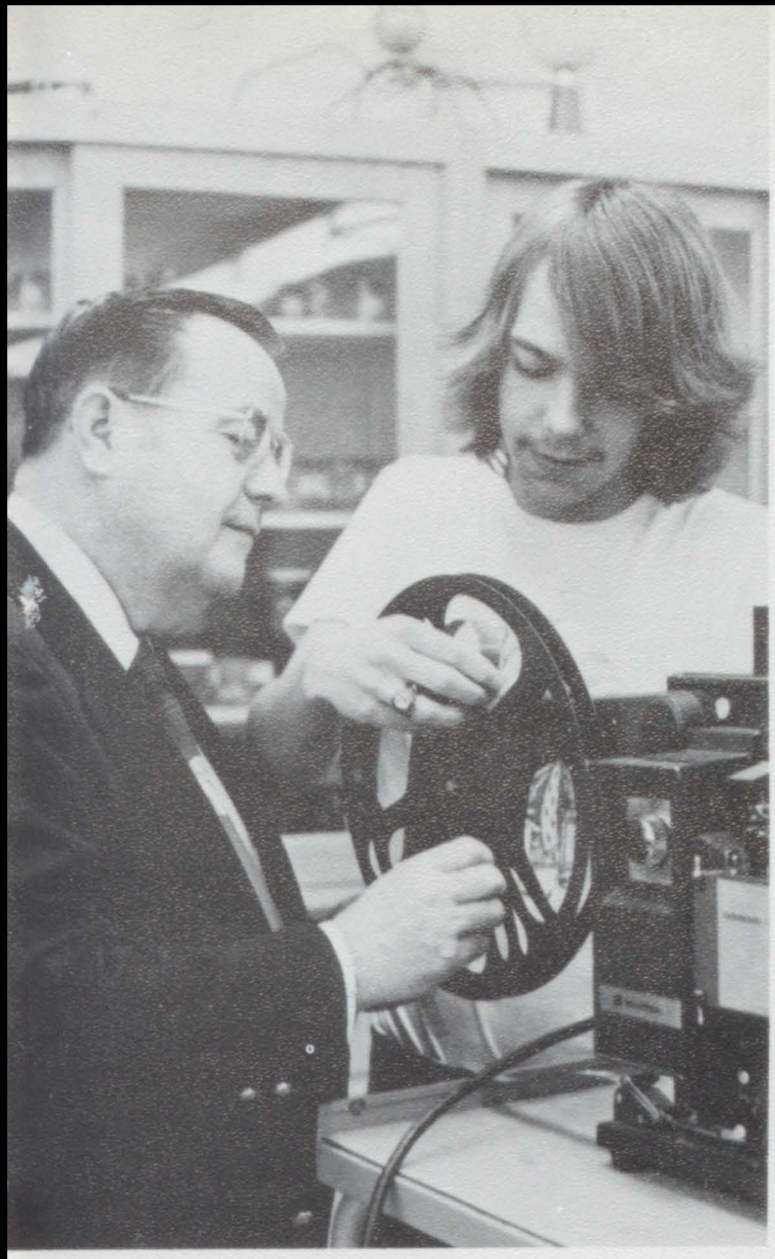

Experiments, notes and write-ups, all have the same thing in common, Mrs. Mary Harris and Mr. George Newcombe.

Life at Marine High wouldn't be the same without all the different and exciting things that you learn in science classes each day. Discovering new theories or a frog leg under your chair are a couple things that make up a common day in the world of science. You might even notice a hole in your favorite sweater that appeared when someone accidently tripped while carrying a beaker full of acid.

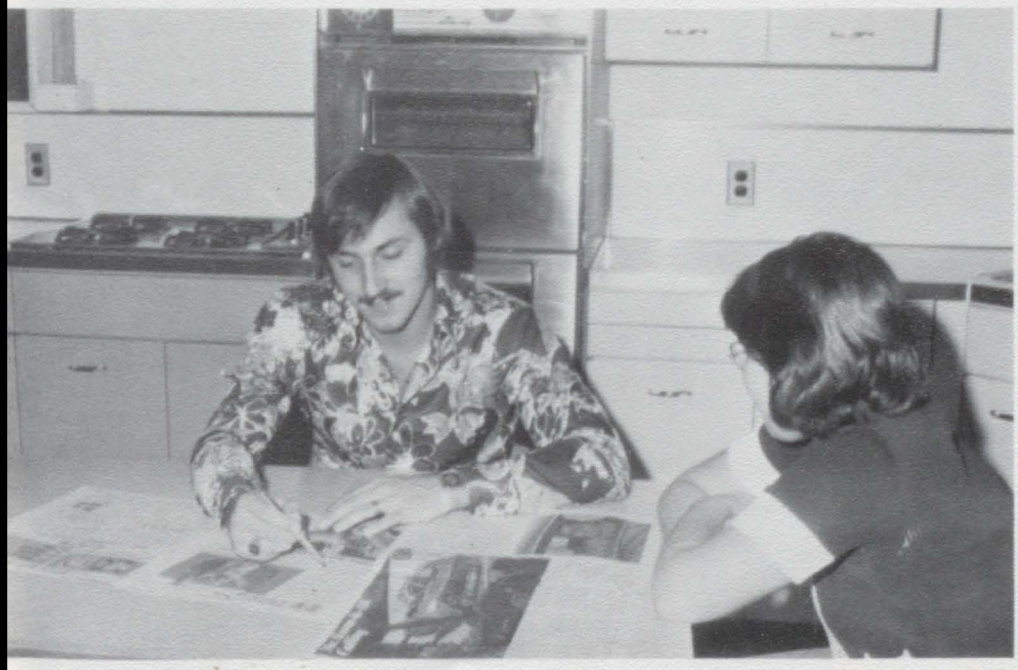

A very popular class this year is Family Living with Miss Bethany Radtke. Many of you feel a need to learn the techniques of self-care, so you'll be ready after graduating and when on your own.

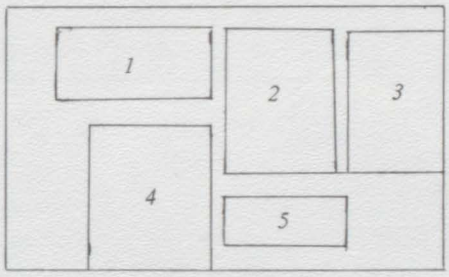

This class deals with topics such as, financing, reproducting, and reasons for establishing a family. More and more young adults live singly these days, so Miss Radtke provides information so her students can be dependent only upon themselves.

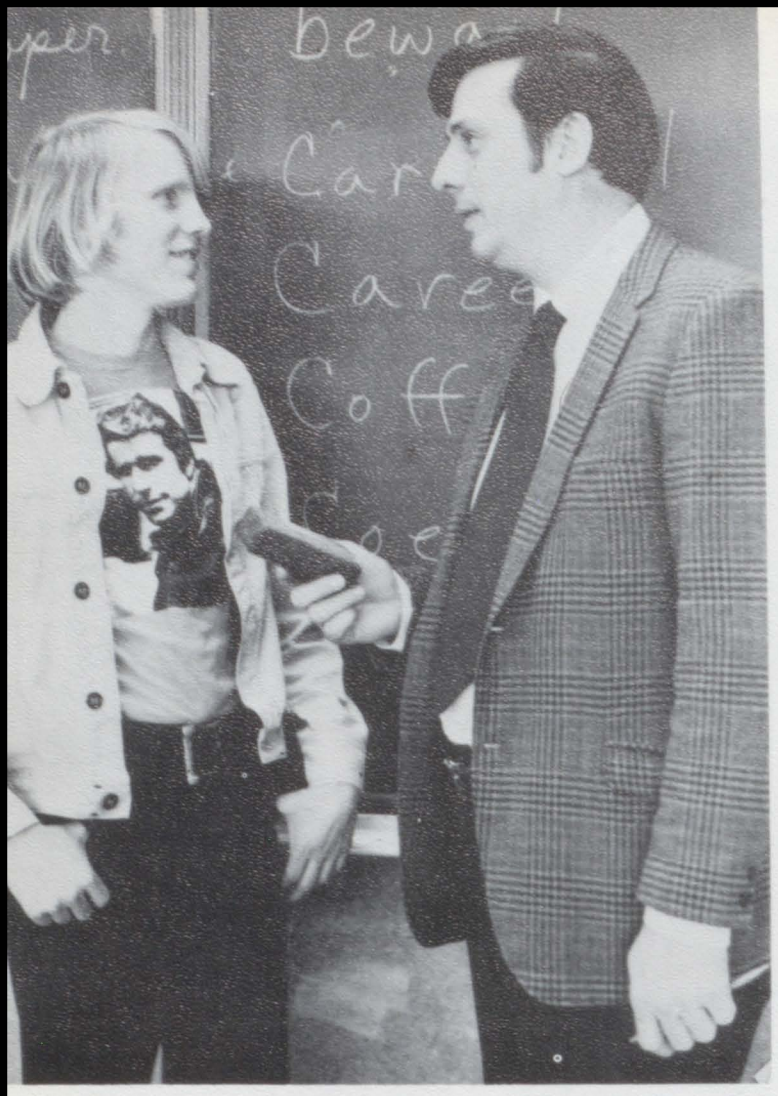

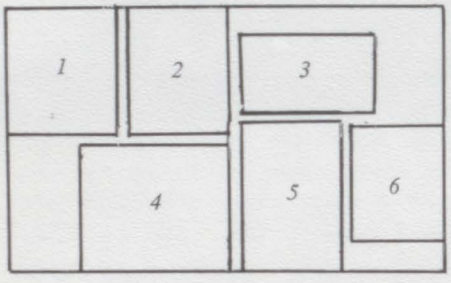

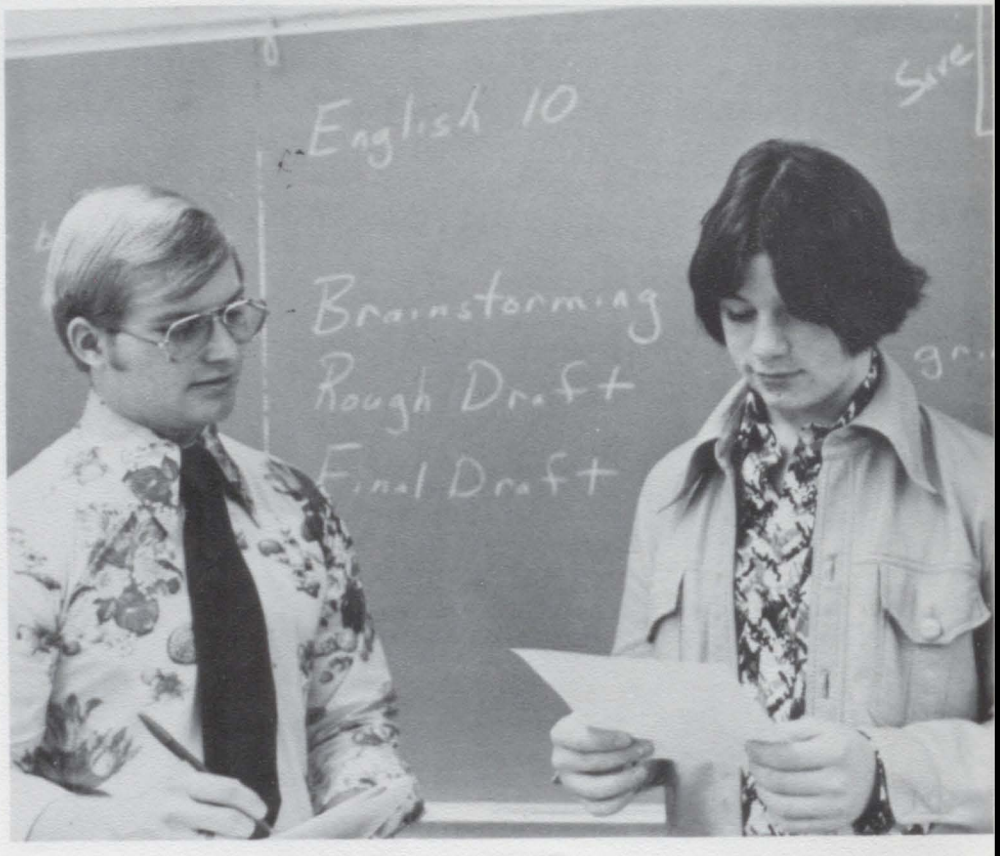

1. *Mrs. Harris lets Wendy Kellehan and Tony DeWitt figure out for themselves that an empty beaker can not weigh three pounds.*
2. *"Now watch carefully, Mr. Newcombe," replies Todd Beckett, "in order for the film to run properly, 1st, you must put it in this little hole, then ..."*
3. *Miss Langtry smiles and says, "You're right, the instant IS better than the fresh perk."*
4. *Miss Radtke discusses with Doreen Grote the importance of staying healthy.*
5. *Mr. Vantiem shows Margaret Rhodeman different styles of writing.*

1. *"It's cool to erase boards," Mr. Archer tells Bill Ward.*
2. *"Can't we just watch the movie?" Charlene McNiff asks Mr. Cavis.*
3. *Larry Beaker, Laurie Beattie and Nancy Bott hope Mr. Harvey will pick them to read the leading parts in MacBeth.*
4. *Mr. Pavlov agrees even he couldn't do a better job, as Steve Furtaw reads to the class the pleasures of English.*
5. *"Wait until I'm out of the way," Miss Lownsbury tells Kathy Burns and Mary Ann James before she drops the puck.*
6. *"It's so easy to be a star," says Mr. Wiinikainen.*

You've Never Heard It So Good

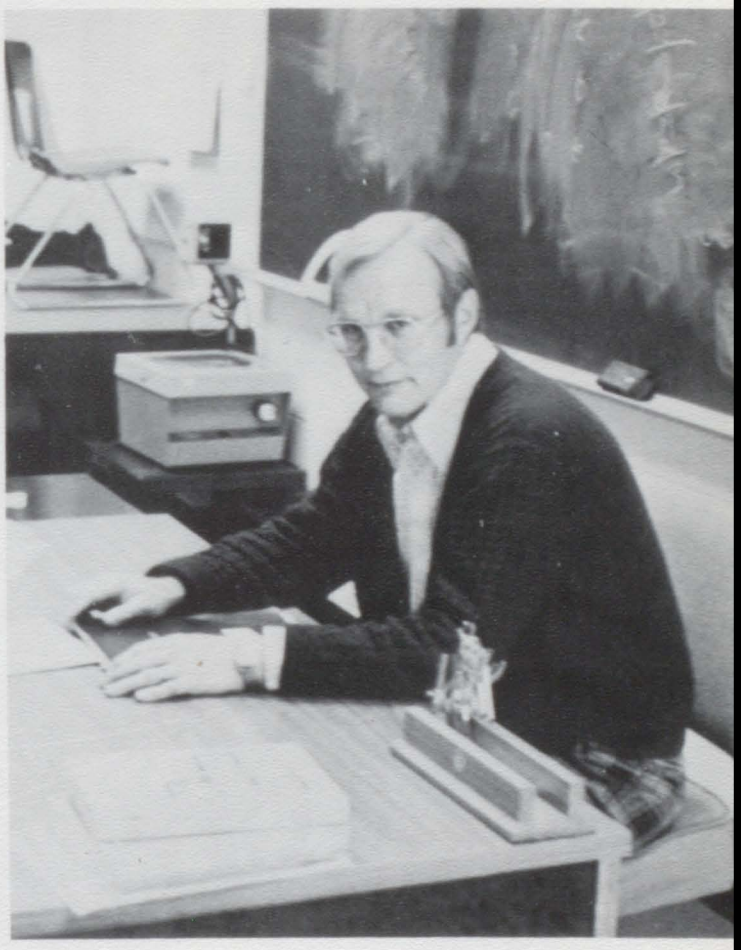

The English department at M.C.H.S. tries to get students to use their minds creatively. The assignments vary from speeches on drug abuse to term papers on football to debates on smoking.

Class discussions play a major role in our English courses. They help to bring out students thoughts in a more informal way.

A subject such as Drama takes more than just memorization. A large part of the requirement is you, the student, in front of the class acting out a role.

Physical Education breaks the repetition of sitting in a classroom. Hard work and fun blend together. Hockey, volleyball, basketball and badminton are just a few activities students participate in while in the gym.

With all the homeowrk and studying for tests these days, we really don't have enough time anymore to figure out new schedules. When we come up with a problem similar to this one, Miss Katherine Kimmett and Mr. Gareth McNabb can really take the tension off.

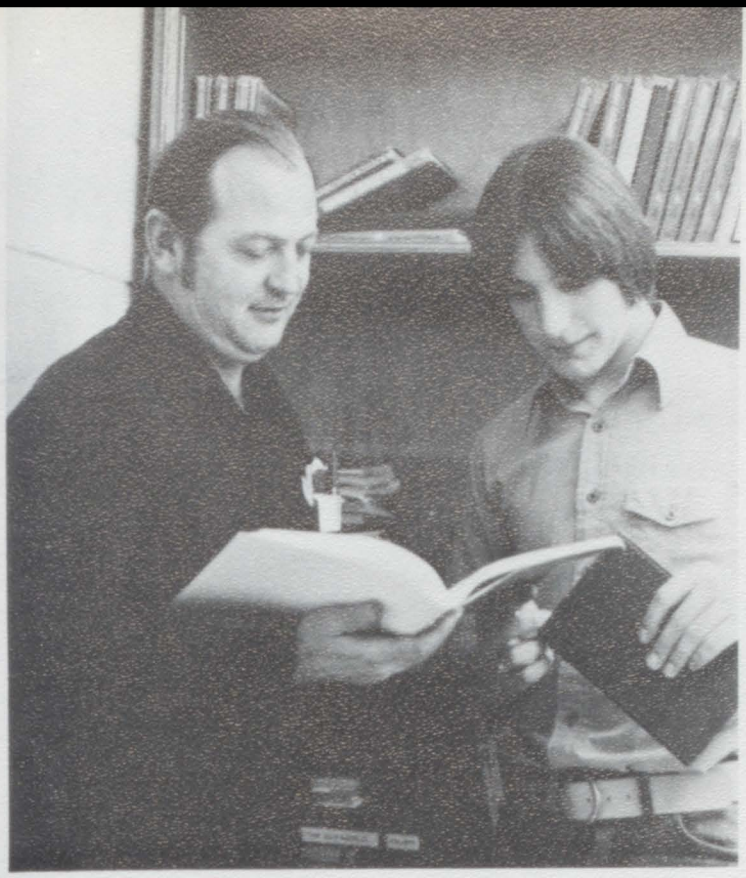

Pretty soon most of us will start to think about college. We can't just play eenie meenie minie moe on the map. Our terrific counselors specialize in "help". So if you're really rackin' your brain planning a new schedule for next fall, and it won't work, talk it over with either Miss Kimmett or Mr. McNabb. You'll find it a lot easier on your nerves.

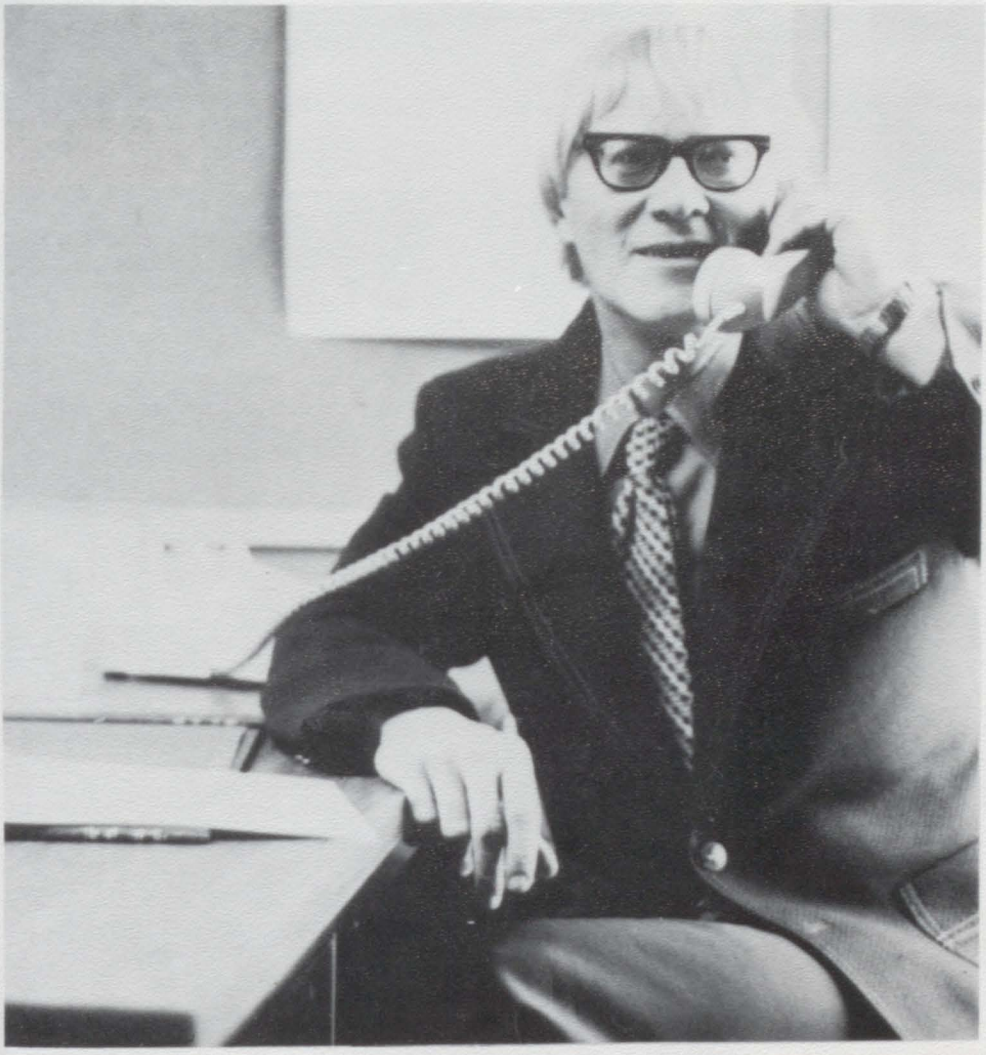

"Help is on the Way!"

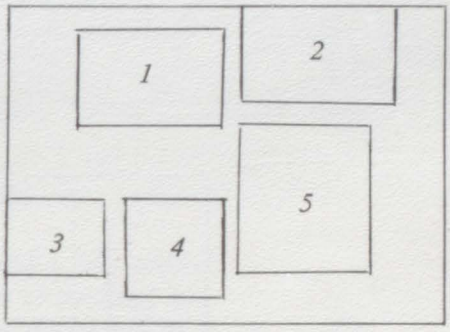

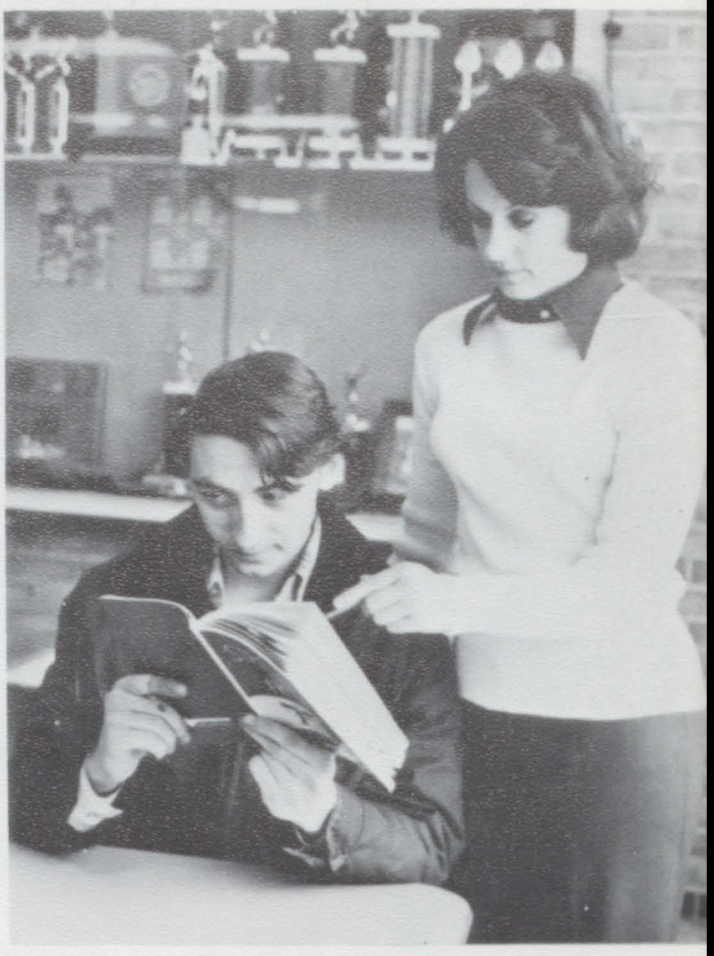

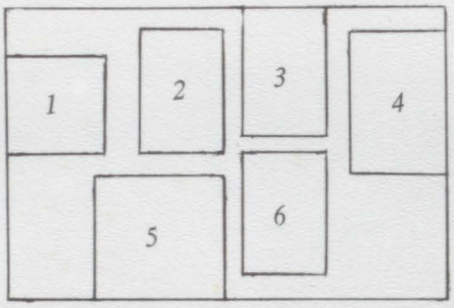

1. *Mr. McNabb discusses Ann Hilferink's future with her.*
2. *"But Mr. Findley, you told me to use THIS book," states Clarence Vogler.*
3. *Miss Cawrse points out some job opportunities to Joe Griffor.*
4. *Mrs. Green hides all the good books in the magazine room for herself.*
5. *Miss Kimmett finds the time to take a deep breath and smile, even though she still has all the deficiency reports to file.*
6. *Mr. Hilferink calls the bowling alley and orders a large pizza with everything but ham.*

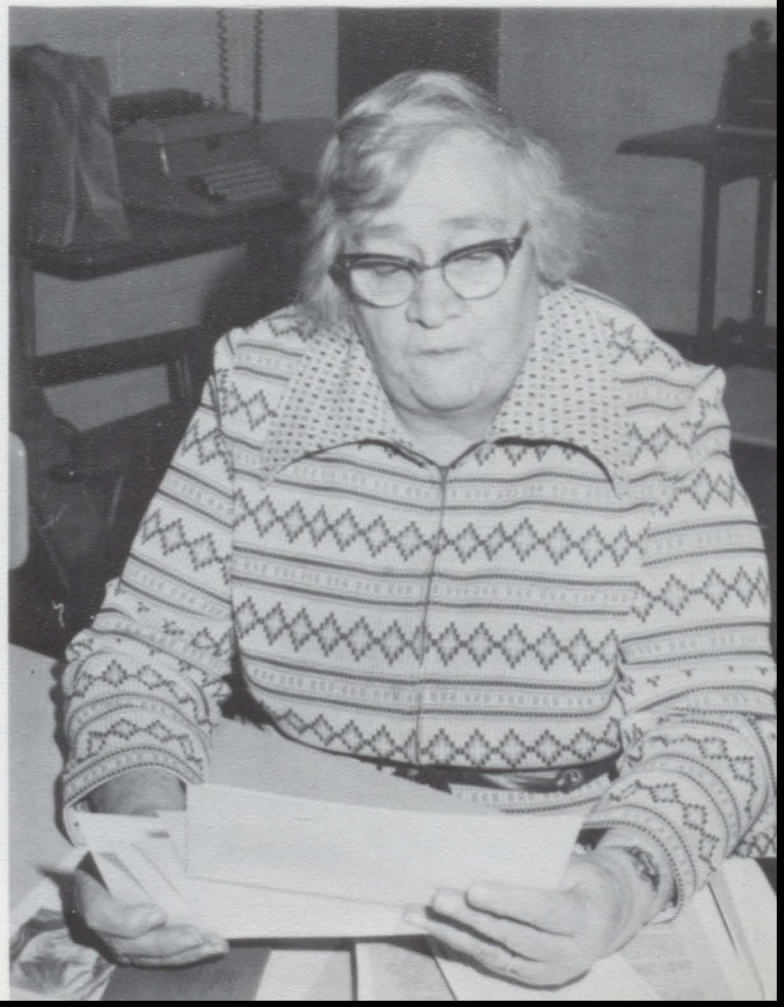

"Teachers Develop Creative Minds"

1. *Mrs. Clausens tries to help Gabby Dibble with his stitchery.*
2. *Miss Bergan is interpreting to Rick Furtaw the story "The Three Little Pigs".*
3. *Seniorita Tual helps her student !sa Bel with the spanish vocabulary.*
4. *Head nurse Mrs. Wiinikainen tries to cheer up Terri Livernois while taking her blood pressure.*
5. *Ma Zapel looks at some prospective jobs for students at M.C.H.S.*
6. *Sue Severson and Karen Schweihofer try to look interested while Miss Bastain explains the band music.*

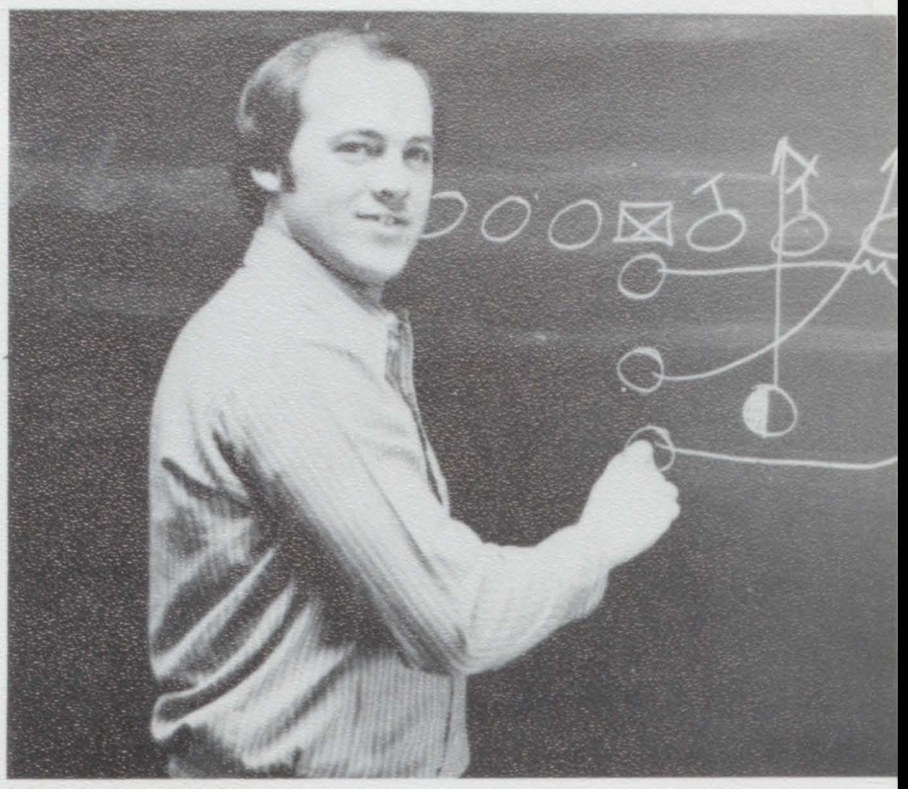

Did you ever build a kite before? How about sculpture or painting? Mrs. Clausen is considered an expert in art at M.C.H.S. and she tries to share some of her expertise with her students.

Art is very competitive in high school and in college. So when you take a fine arts class at M.C.H.S. it betters your chances to advance in college.

Our fine arts department also offers Music appreciation, band and chorus.

The band at M.C.H.S. is always blasting away, playing their merry melodies to achieve perfection. Under the direction of Band Leader Miss Bastian, the band seems to always be in perfect harmony.

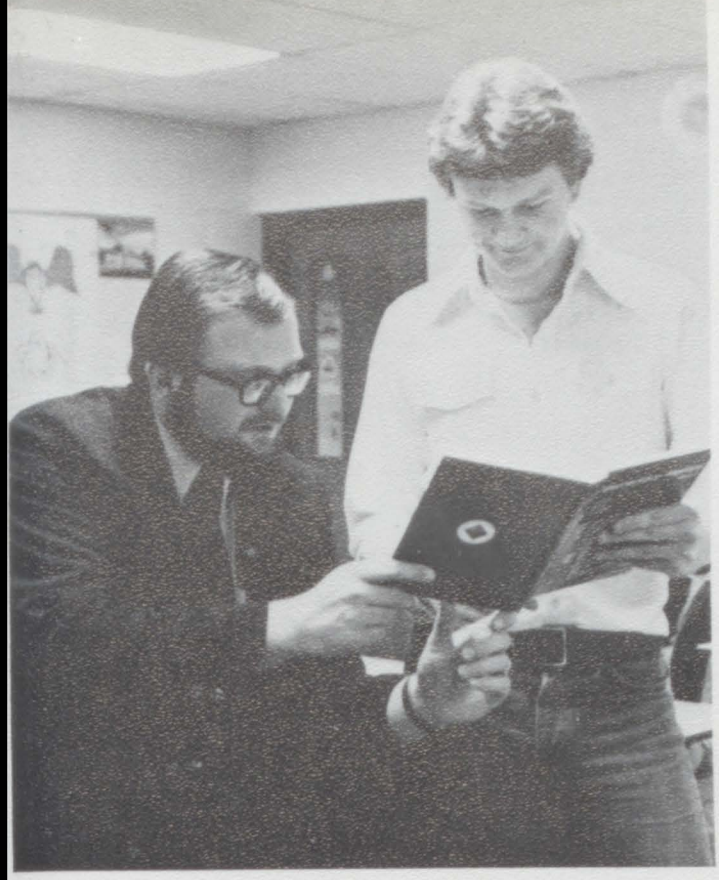

Food! Food! Food! That's the first thing that you think of when the lunch bell rings. Just stop and take a whiff of that M.C.H.S. homestyle cooking and foreign cuisine that adds a little flair to the dull life of the student body. Everything from taco's and pizza to goulash is served steaming hot. It's easy to stop by the cafe and chow down.

Shine on! The halls in M.C.H.S. keep on shining with the help of the custodians. But they do more than just keep the halls clean. They also maintain the heating system, lighting equipment, and any other odd jobs throughout the school. Next time stop and think before you throw paper on the floor, because our custodians are much more than floor sweepers.

Look Out Stomach...

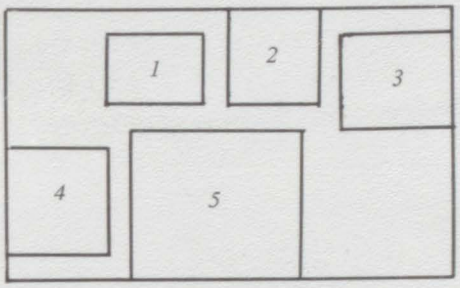

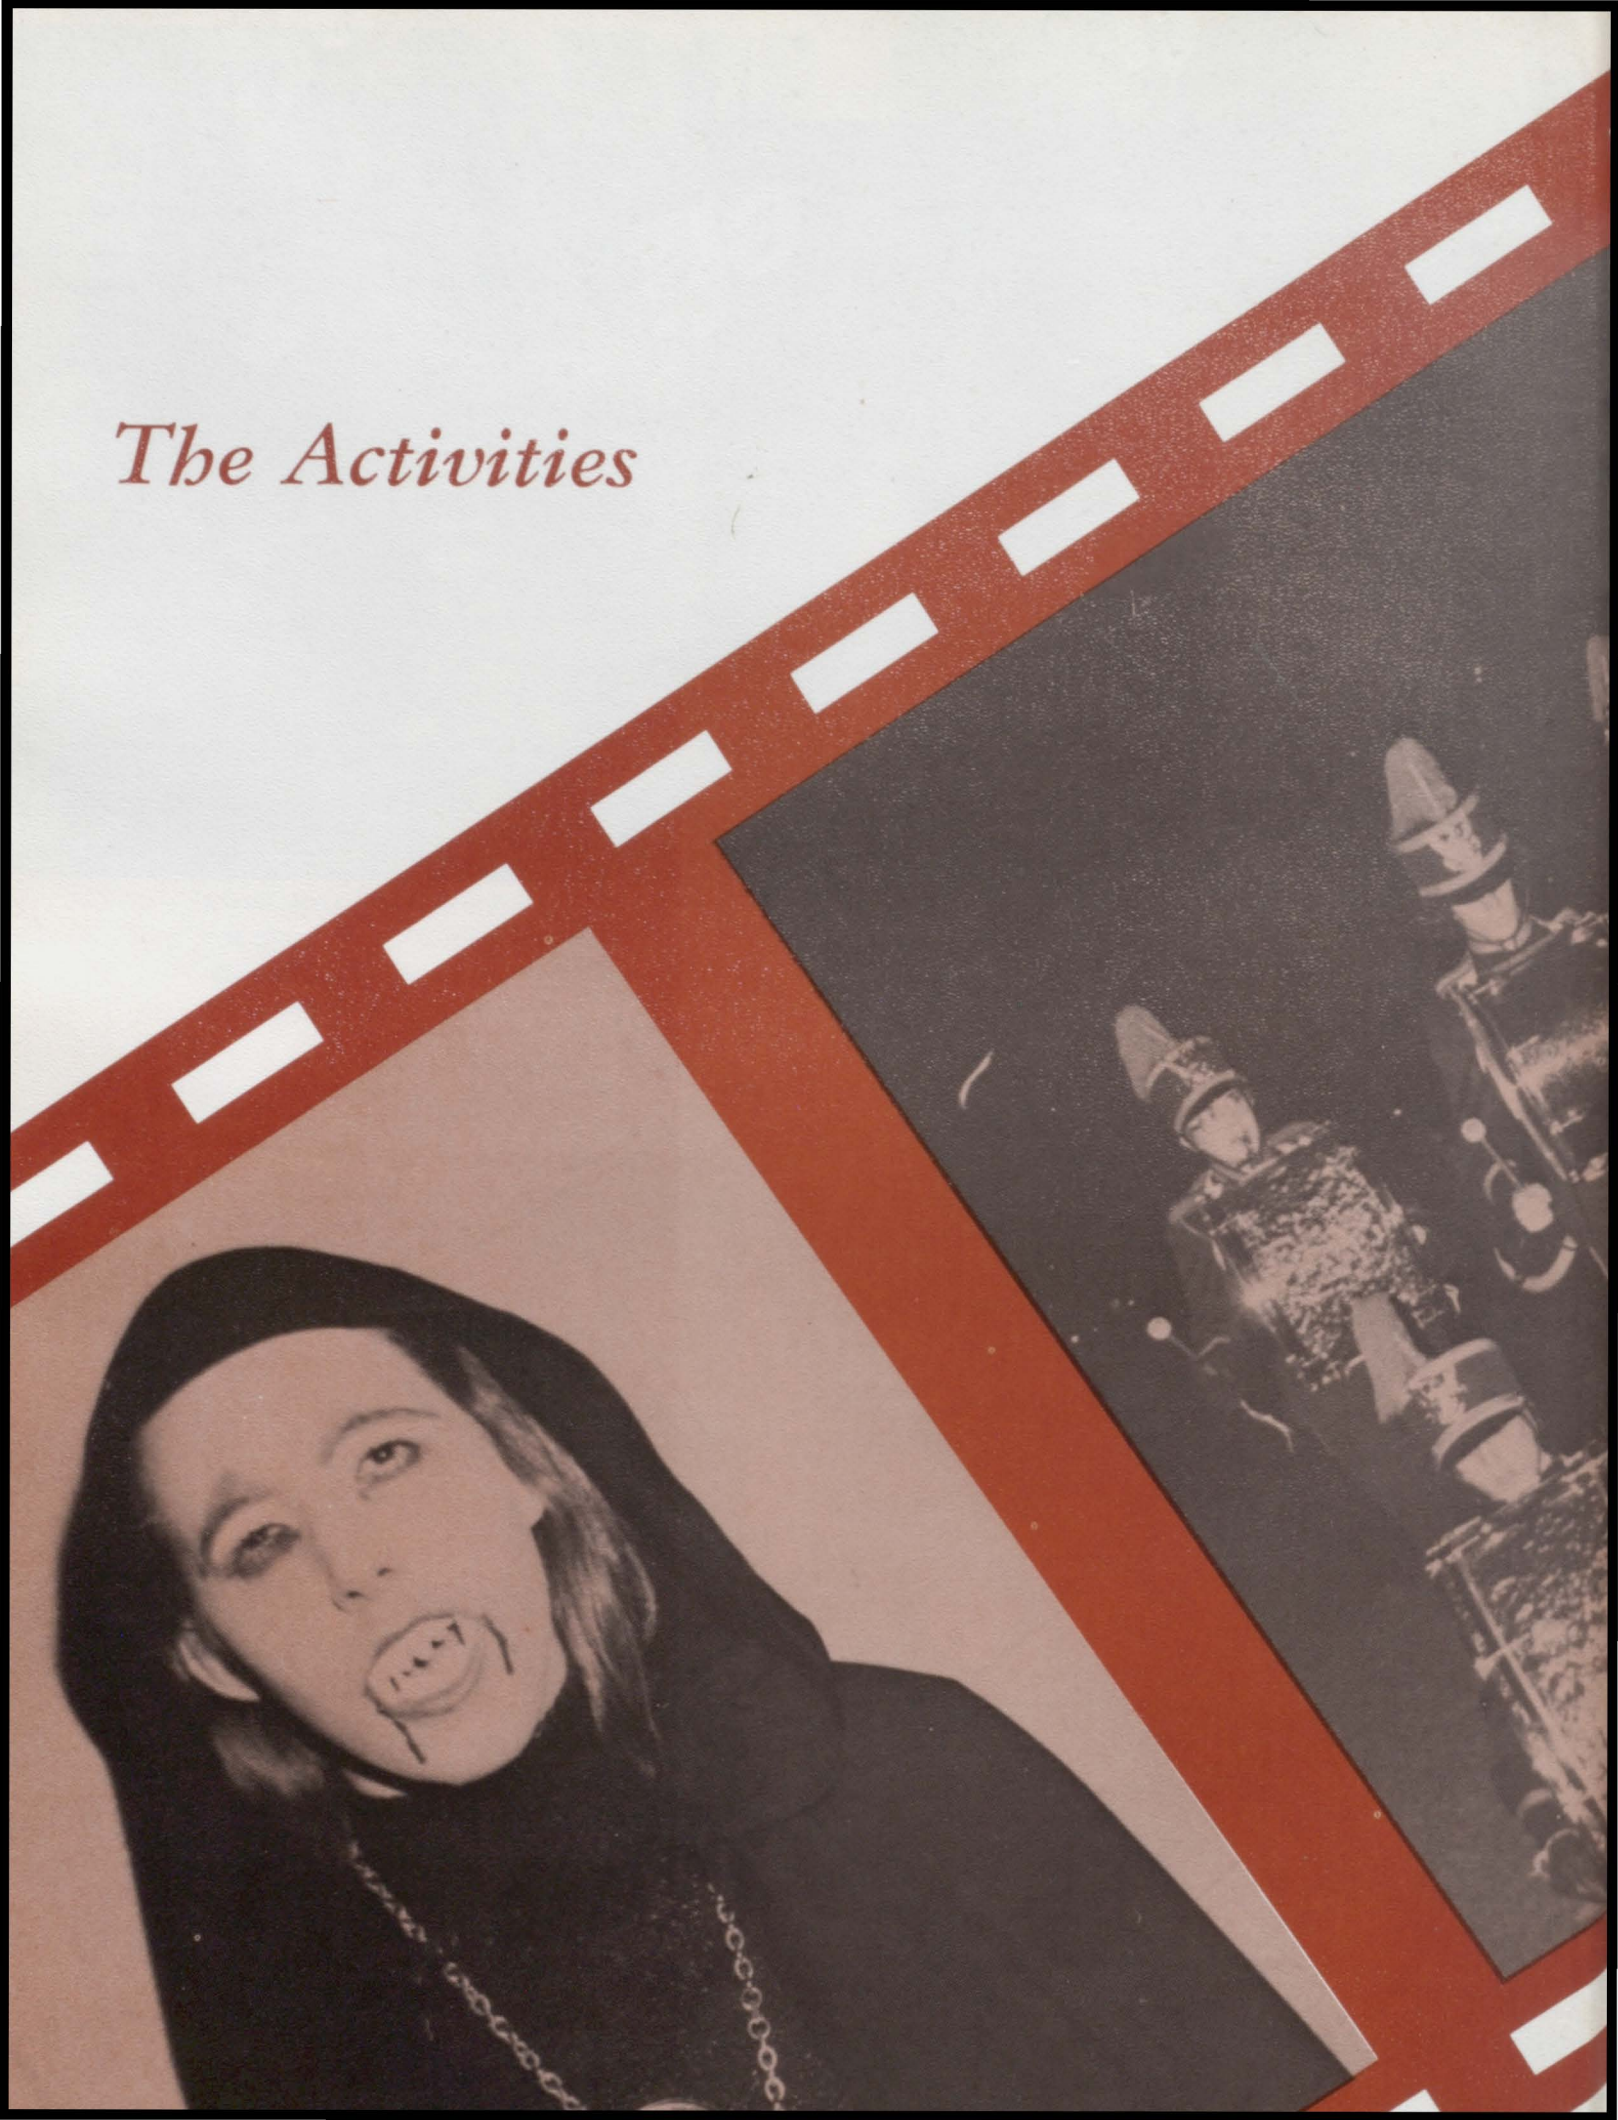

Here it Comes!!

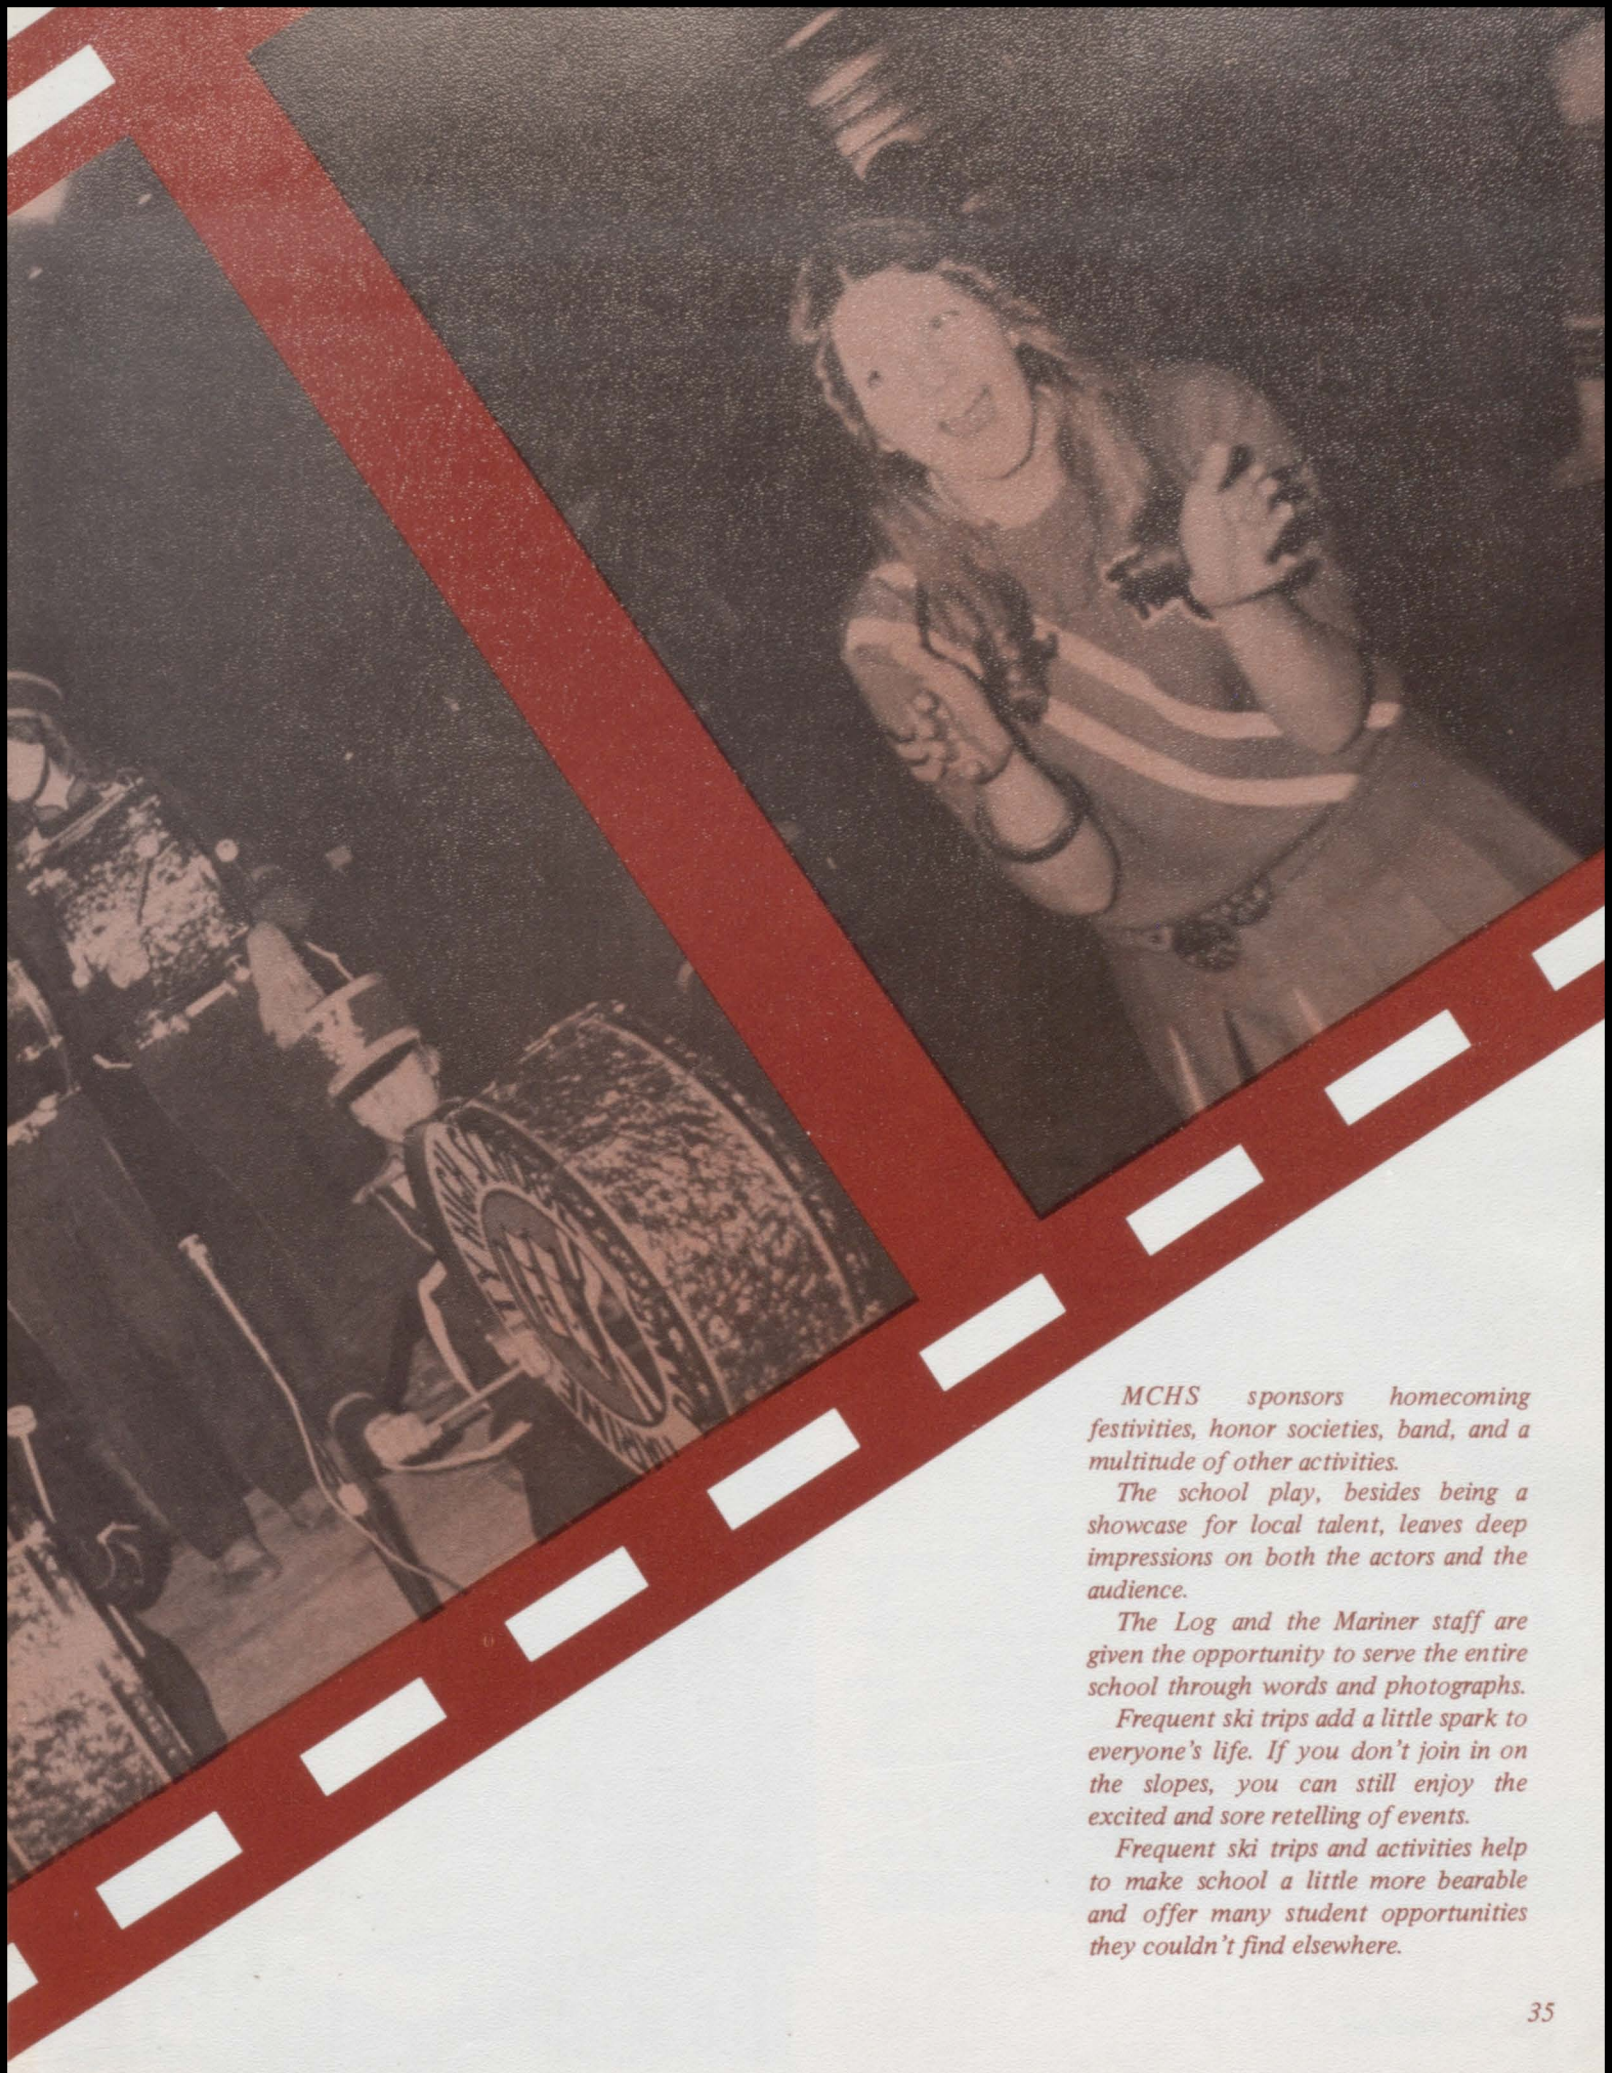

1. *Coach Warkentein finds time in his busy schedule to also teach gym.*
2. *Eric Britz asks Mr. Saunders to help him with another difficult problem in algebra.*
3. *M.C.H.S. custodians Mr. Shackett and Mr. Green try to decide on which boilers to turn off.*
4. *Our four night custodian Mary Balfour, Bob Genow, Art Grawbowski, and Cliff Grawbowski take a break from their nightly routine.*
5. *The ladies that keep are tummies full are: Helen Emery, Vi Baumgarten, Ma Chiti, Joyce Maas, Grace Nickols, Aileen Lindow, Carol Genaw and not in the picture was Doris Blain.*

The Activities

MCHS sponsors homecoming festivities, honor societies, band, and a multitude of other activities.

The school play, besides being a showcase for local talent, leaves deep impressions on both the actors and the audience.

The Log and the Mariner staff are given the opportunity to serve the entire school through words and photographs.

Frequent ski trips add a little spark to everyone's life. If you don't join in on the slopes, you can still enjoy the excited and sore retelling of events.

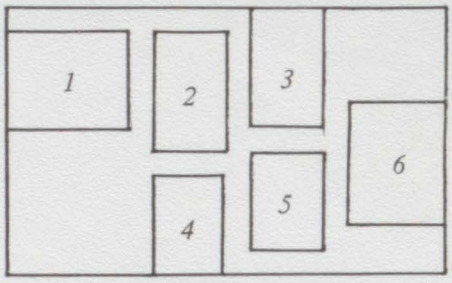

Frequent ski trips and activities help to make school a little more bearable and offer many student opportunities they couldn't find elsewhere.

Saturday in the Park

You'd think it was the 4th of July

1. *Motorcycle riding, horseback riding and cheerleading take up most of Cindy Nugent's spare time.*
2. *Cheerleading is Jan Stockwell's main activity during the school year.*
3. *Lois Lightfoot's future plans are helping out with church activities and working at a hospital.*
4. *Sewing, softball and playing the drums are Lynn Maitland's special hobbies.*
5. *Cathy Orchard's favorite sports are snow skiing and water skiing.*
6. *Kim Bradshaw's plans after school are going off to college and becoming a nurse.*

What would you do if you were chosen as one of the seven Homecoming finalists? Each one of these girls expressed "shock", "surprise", and "happiness" as her name was being announced!

Being chosen, was just a beginning for the girls. "People talking, really smiling" at their crowning made the assembly more special to them.

The other events for the girls to attend were the half time intermission of the football game and the Homecoming Dance on Saturday night.

It was "Saturday in the park, I think it was the 4th of July" to each one of these girls as they paraded during the half time ceremonies amidst floats and cheers.

"Can you dig it? Yes I can, and I've been waiting such a long time for Saturday." Finally Saturday night's Homecoming Dance arrived. "People dancing, people laughing, a real celebration."

Magical Moments Move Mary Kay

Being chosen as princess for your class is a honor, but being picked as homecoming queen is a honor only given to a few special girls. Mary Kay Schwanitz showed this unique quality by being a representative in her junior year and becoming the 1977 Homecoming Queen in her senior year.

Shock and surprise were Mary Kay's first reactions after hearing her name announced as Queen. She likes snow skiing and art classes and plans to attend Central University to study art.

After being crowned in front of the student body, the court and Queen Mary Kay presided over the homecoming festivities of tricycle races, pie eating contest, and the all-time favorite tug-of-war between the classes.

Lead by her escort, Jim Snell, Mary Kay later at the game was given the traditional roses from last year's Queen, Dawn McClouth.

The thrill and excitement of Homecoming left many never-to-be-forgotten memories for Queen Mary Kay and her 1977 Homecoming Court.

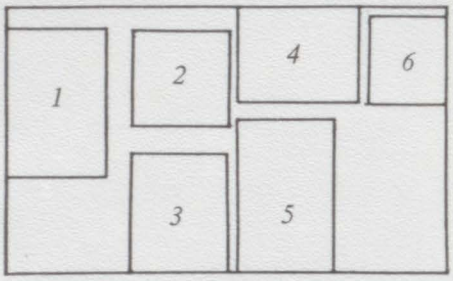

The Queen finalists are, Top row: Pam Bradford, Mary Kay Schwanitz, Sue Goddard, and Rindy Braun. Middle row: Kathy Nugent, Kim Bradshaw, Janice Thueme, and Debbie Hopton. Bottom row: Bridget Snell, Sue Bachler, and Kathy Morris. Not present, Cathy Orchard.

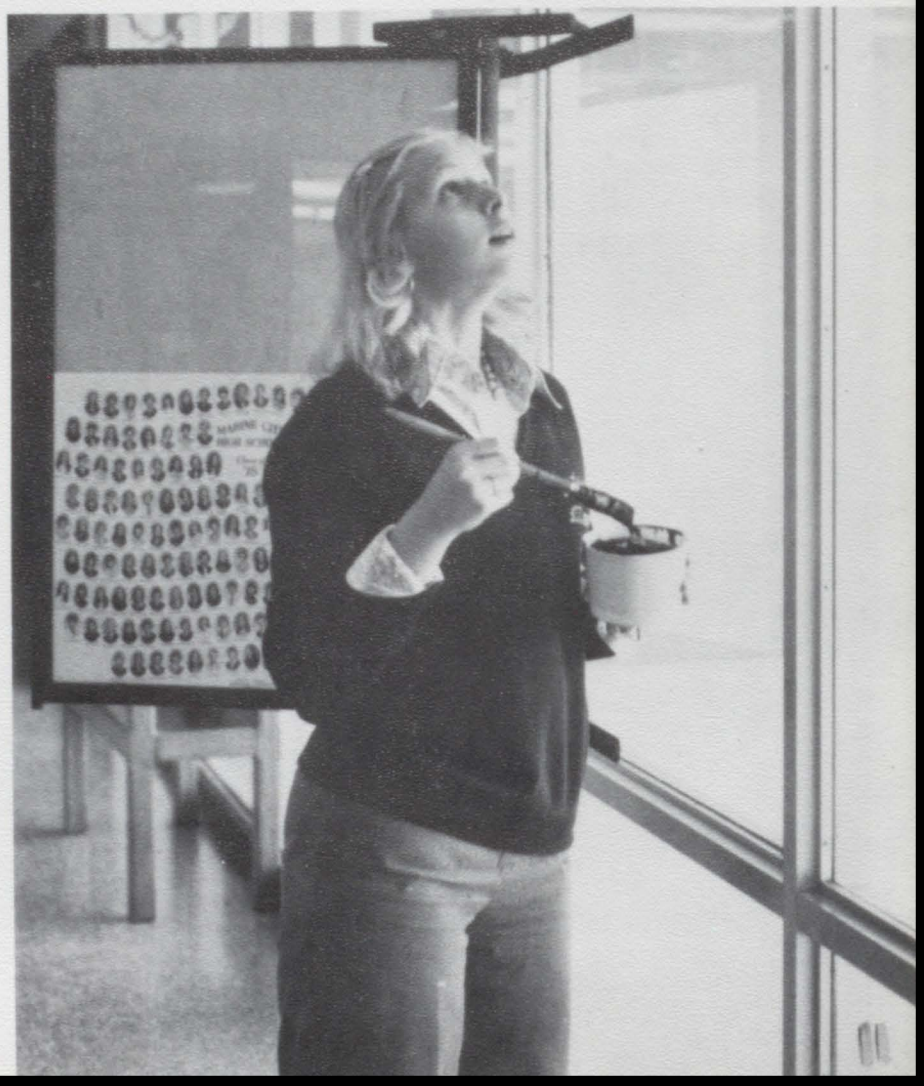

Spirit Thermometer Breaks
Mariner Spirit Runs High!

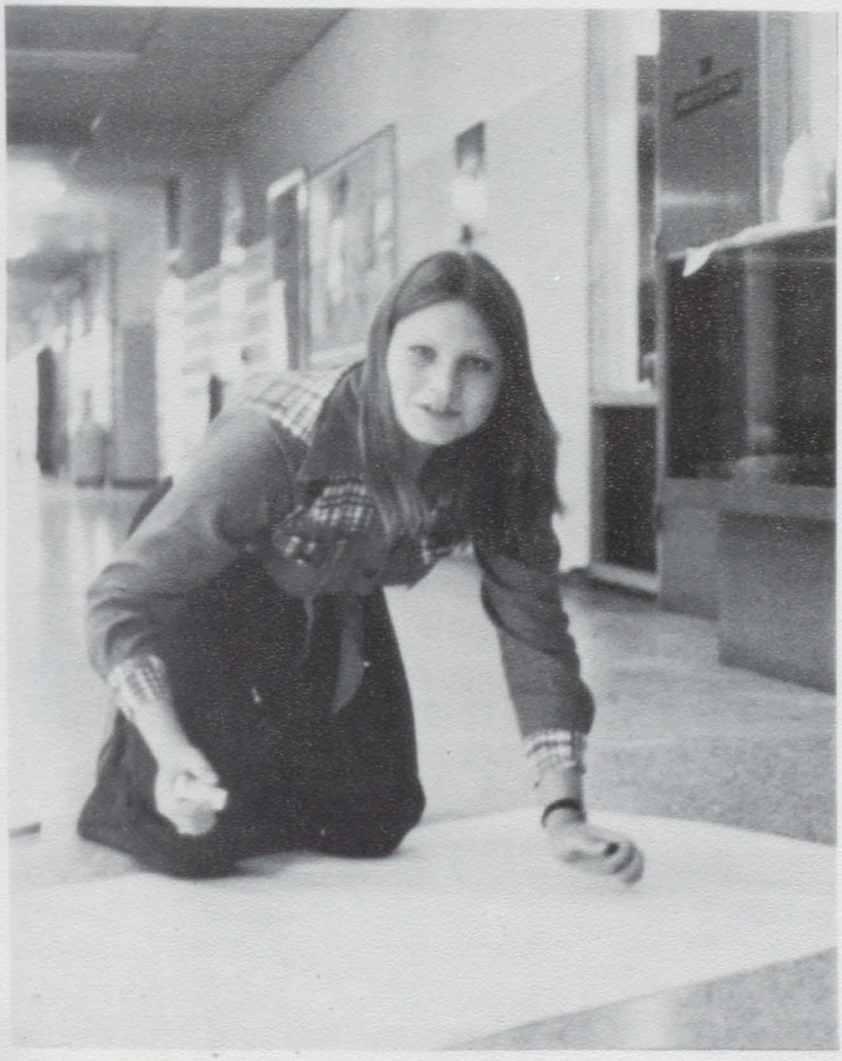

1. *Kathy Krutz buttons up Spirit Week.*
2. *Rhonda Maitland makes sure the sophomores jug isn't behind.*
3. *"How am I going to fit supercalafragalisticexplialadocius on such a little window?" questions Sue Goddard.*
4. *Dig those crazy sophomore feet.*
5. *"How do you like my new necktie?" asks Mr. Shorkey.*
6. *Janice Thueme uses her talent to decorate the 1st place Senior hall.*

Orange and Black everywhere! Crazy socks, pennies, spirit buttons and decorative halls are all indications of spirit at Marine High the week of Homecoming.

This years spirit week started off with Button day. The Sophomores all got decked out in their buttons and clinched first place for their class.

Tuesday everybody wore their craziest socks. Boy, one look down the hall and you saw a variety of stripes, wild designs, and even cartoons on people's legs.

Wednesday was Clash day and every one came to school wearing plaids, stripes, polka dots and patterns.

On Penny day, the student body all trucked into school with their trusty piggy banks to contribute to their classes' jug of copper. At the end of the day, the Juniors pulled ahead to win by a landslide with 2½ jugs.

To wrap up Spirit week the hallways were decorated to top off a fantastic week. The Super Seniors walked off with 1st place for a hall that showed their talent and creativity. Let's face it "We've got spirit, yes we do, we've got spirit, how 'bout you?!"

Homecoming activates excitement!

The 1976 M.C.H.S. Homecoming was a great success. Seven lucky girls experienced the wonderful feeling of being chosen as a member of the 1976 court.

During the special assembly Queen Mary Kay and her court were honored with special and sometime hilarious entertainment. The cheerleaders performed a special flashlight routine and many students participated in the tug-o-war, pie-eating contest, and bicycle races.

The mighty Juniors took all the events except "Competition" without a trace of struggle. After much discussion, the Seniors were awarded the title of loudest in the spirit department, but the sophomores didn't have a chance in the battle. It must be true that Juniors are the strongest and have the biggest mouths, because they narrowly won the pie-eating contest, and Junior Debbie Bradd won the tricycle race as she zipped past all the other participants.

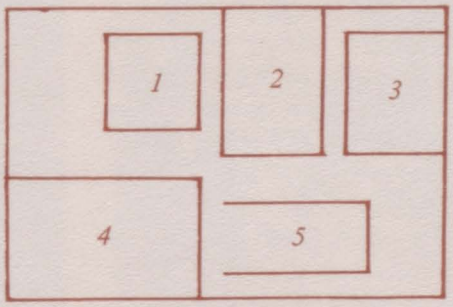

1. *Fastest in the school is junior Debbie Bradd as she wins the tricycle race.*
2. *After receiving her roses, Queen Mary Kay flashes a big smile.*
3. *Chris Boland and Cecelia Batista eat their way to victory for the junior class.*
4. *Waiting for the Homecoming Dance are Top: Sophomores Jan Stockwell and Cindy Nugent, Queen Mary Kay Schwanitz, and Juniors Lois Lightfoot and Lynn Maitland. Bottom: Seniors Kim Bradshaw and Cathy Orchard.*
5. *Another tug of war victory goes to the powerful Juniors with John Endres leading the line.*

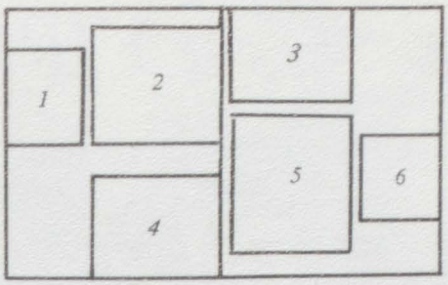

Santa Claus Comes to Town!

Once again Santa Claus made his yearly stop in Marine City for its annual Christmas Parade. Led by the school band and Snow Queen Kathy Nugent and her court, Santa paraded down Water Street to City Hall where he was warmly welcomed by holiday well wishers.

The spirit of Christmas did not stop at the parade. Students held Christmas parties, decorated a tree and sang carols throughout the halls. Excitement mounted in the Child Development classes when a mysterious man in a white beard and red suit dropped by to say Merry Christmas. The spirit of Christmas was very much alive for the students at M.C.H.S.

1. *Peggy VandenBoom thinks Spanish Christmas parties are so much fun.*
2. *The Chorus filled the school with Christmas spirit as they sang carols throughout the halls.*
3. *Michelle Eber and Reni Radkte get in the holiday mood by decorating the school tree.*
4. *Snow Queen, Kathy Nugent, and her snow princesses, Brenda Venhuizen, Lois Lightfoot and Kathy Merrill excitedly wait for the parade to begin.*
5. *The State Champs paraded with their trophy down Water Street.*
6. *Santa Claus begins his annual trip to the Child Development classes.*

YIPES! It's Sir Simon the Ghost!

This year's Junior-Senior play cast performed "The Canterville Ghost" under the direction of Mr. Joe Pavlov. It was a comedy set in an old English Manor with a live in ghost.

What happens to Sir Simon, the resident ghost of 400 years, after a houseful of Americans move in? Instead of being afraid of Sir Simon, they're enchanted and excited by him!

After much confusion and disaster, a 'psychic researcher' is called upon to rid Canterville Chase of ghosts forever.

The climax of the play came when Canterville Chase was with out Sir Simon de Canterville forever. But not for long ... Sir Simon's ghost friends have their own plans of invading the old English Manor.

We've Got the Fever, We're Hot!

If you have ever attended any Marine City football games, basketball games, or pep assemblies, you have probably seen super spirited, orange and black clad girls on the sidelines.

They are our Varsity Cheerleading squad. Yes, they are the girls who fire up the teams before games, promote spirit on the sidelines, and put on halftime shows. They are led by their advisor Mrs. Burmann, who had done a wonderful job in coaching this top-notch group of girls. The cheerleaders even cheered for our girls basketball team this year. Now thats Mariner spirit for ya!

The girls attended a cheering clinic every year. Last summer they journeyed to C.M.U. where they received one first place, two seconds and one third for talent and skills. To help subsidize the costs they sold candy, spirit buttons, and Mariner T-shirts.

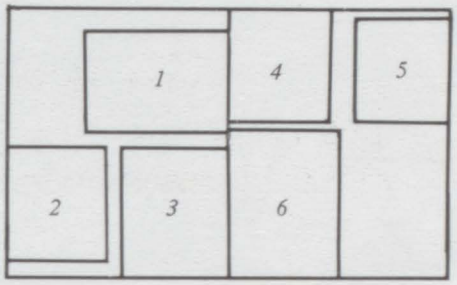

1. *Kathy Merrill's "Ramblin' Gamblin' Man" pom pom routine adds variety to a half-time show.*
2. *Sophomore Jill Stockwell adds a little Mariner Spirit to help make those baskets count.*
3. *"I like afternoon football games especially when we win! laughs Carol Burmann.*
4. *Beth Fielhauer flashes a big smile to the Mariner fans.*
5. *The girls always do their best to promote spirit at home and away games.*
6. *1976-77 Varsity Squad: (from bottom) Cindy Nugent, Lee Ann Merrick, Kathy Senger, Jill Stockwell, Carol Burmann, Kathy Merrill, Beth Fielhauer and Diane Atkinson.*

J.V. Squad - Fired Up!

"Lets get fired up!" was one of the many chants heard by the J.V. cheerleaders this past season. They really looked great out there with many new cheers and new mounts.

The squad had everyone rolling in high spirits at many of the pep assemblies, and for the up coming football and basketball games.

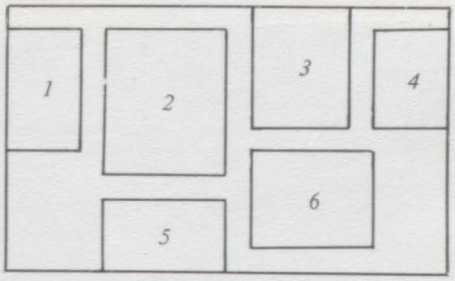

Mrs. Penelope Burman helped the girls through with a lot of encouragment and advice. With the long hard practices, the J.V. brought home two second places and one third place from cheerleading camp. Along with Varsity cheerleaders the J.V. girls helped finish up the sale of orange and black spirit shirts and Mariner buttons. To keep the school excited, the squad really got it all together with their new cheers, hard work and cooperation.

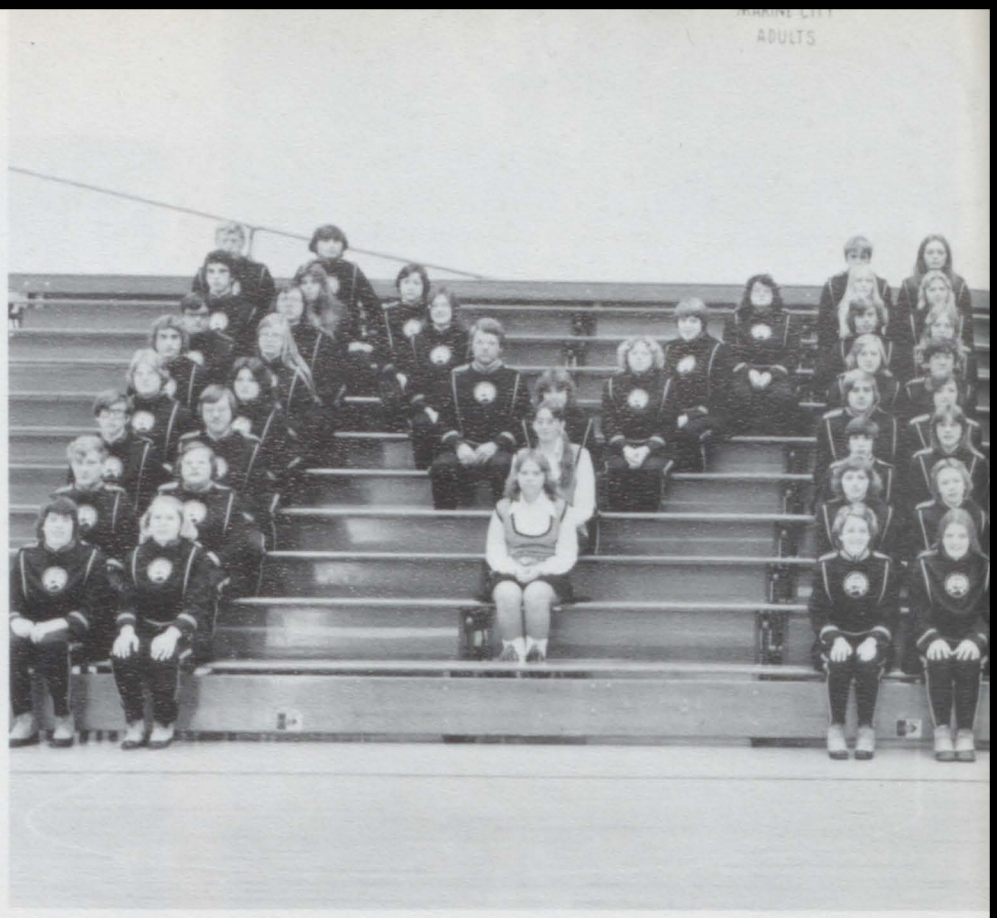

1. *High flying Annette Graham really lets her spirit show during a floor cheer.*
2. *1976-77 J.V. Squad-(from bottom) Shari Reynolds, Rhonda Maitland, Marybeth Basney, Peggy Phillips, Annette Graham, Jan Stockwell.*
3. *"We finally got it right!" ... Marybeth Basney and Shari Reynolds agree.*
4. *"If that ref runs into me one more time...," threatens Rhonda Maitland.*
5. *"Sometimes these things go on forever",, yawns Peggy Phillips.*
6. *"PLEASE make a basket!!" pleads Annette Graham and Marybeth Basney.*

This year the Marine City High School Band started out with a rhythmic bang! Their first event was the Richmond "Good Ole Days" parade. The band marched in the Memorial Day parade, several Bicentennial parades, as well as our own Christmas parade here in Marine City.

Our home football games are highlighted by the bands' pre-game and half-time shows. The theme this year was "I Write the Songs". Many famous composers were honored and some of the members played solos and performed dance routines.

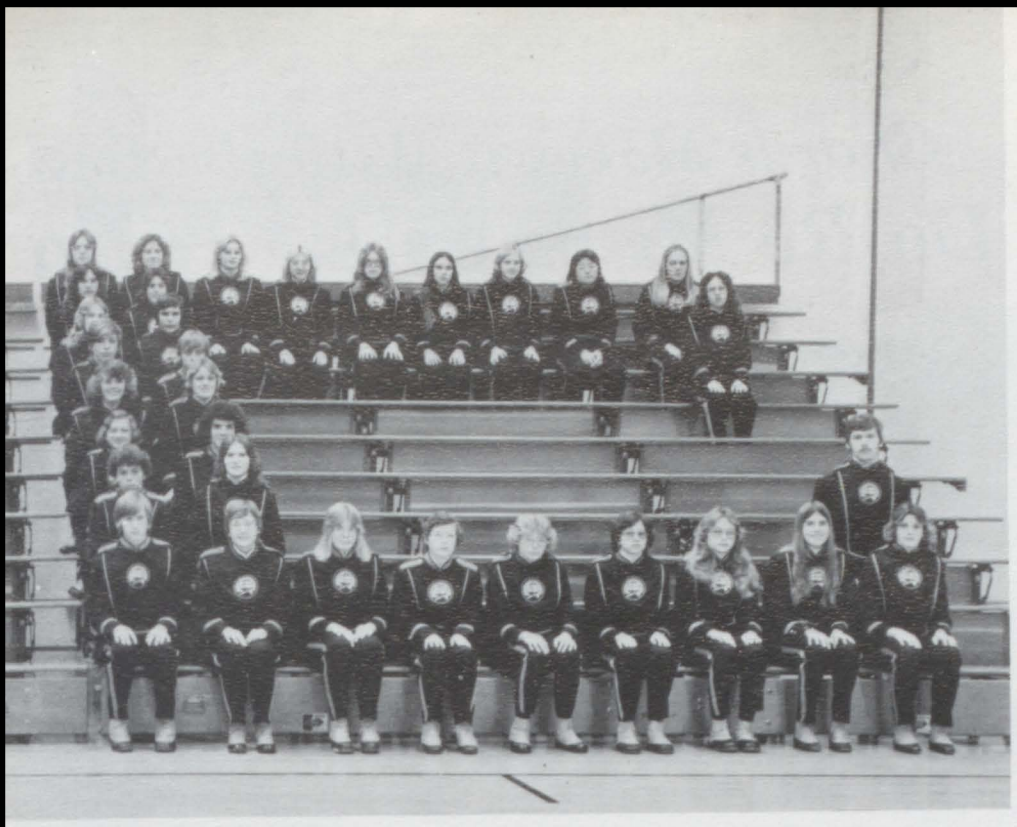

When concert season rolls around, they all settle down to play some serious arrangements. They must prepare for competitions against other schools at various band festivals. Believe it or not, having a good concert band that gives quality performances takes a lot of preparation and hard work!

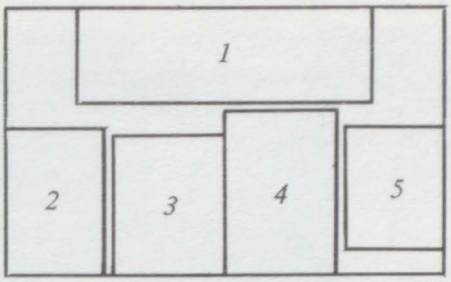

Concert Season - Rolls Around,

1. *1976 Marching Mariners*
2. *Amy Rhodes and Nancy Bott danced their version of "The Stripper" at a halftime show.*
3. *Band Seniors, Theresa VandenBoom, Karen Schwiehofer and Nancy Bott sure enjoy their last home game.*
4. *Twirler Connie Guyor and Drum Major Darlene Cohrs put a little dazzle into the band.*
5. *"I'm Getting Sentimental Over You." was the solo Burt Beauchamp performed before a halftime crowd.*

Quality Performances!

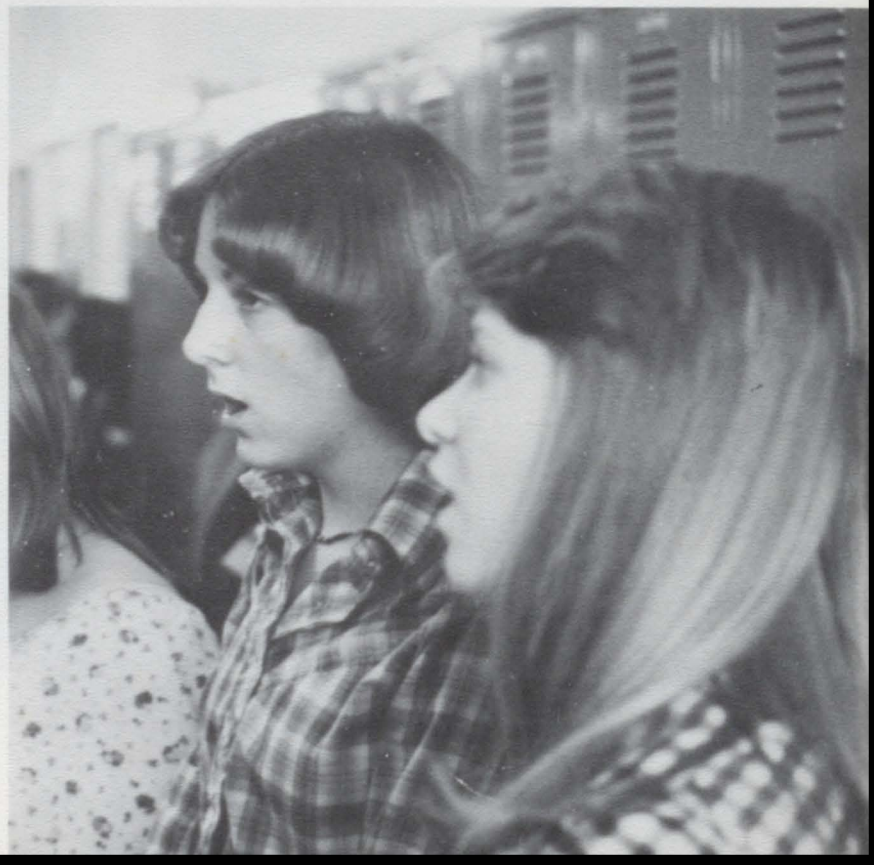

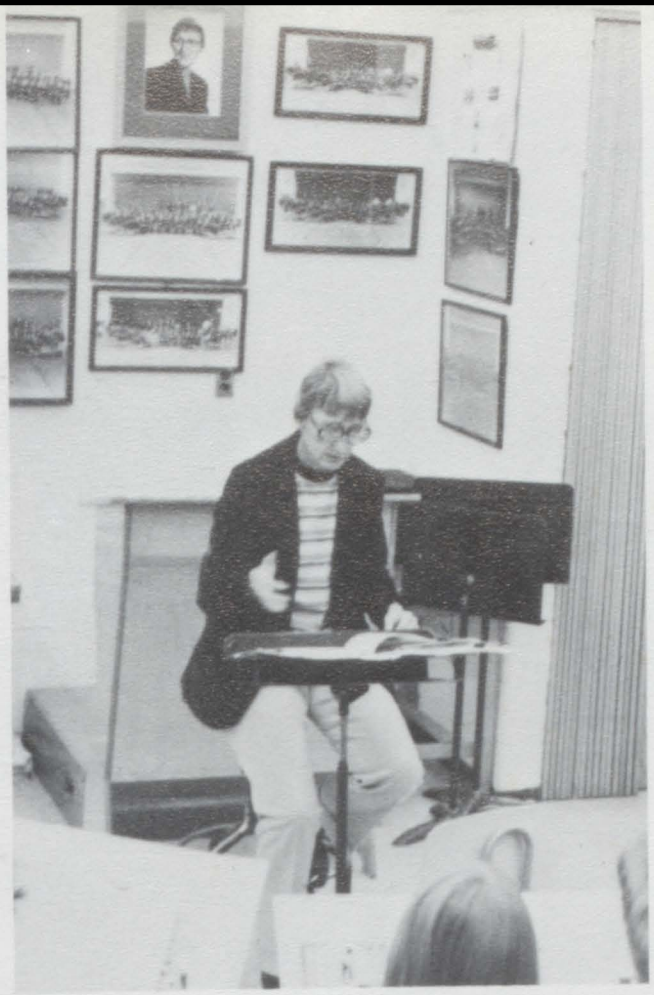

Chorus Makes it With the Best
Do Re Mi Fa So La Ti Do

The 1976-77 M.C.H.S. chorus class had loads of fun singing this year. The chorus usually performs two concerts each year, one in the winter season and one in the spring. This year the chorus had an extra job singing at St. Johns U.C.C. with the Interfaith choir of Marine City.

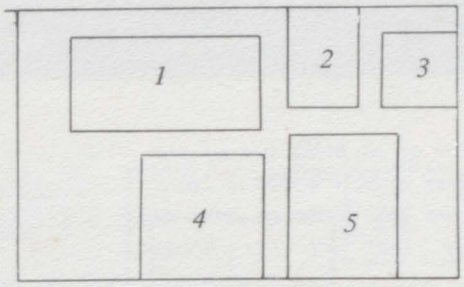

Miss Jean Bastian works very enthusiastically in room 50 each day teaching vocal techniques to the girls. This year the girls performed a wide range of music from the classical melodies of Handel to the soft rock sounds of Neil Young and Grahm Nash.

1. *The 1976-77 Chorus, with Miss Jean Bastian conducting, last row: Norma Frank, Mary Frank, Diane Schweihofer, Wanda Erdman, Brenda Kammer, Amy Rhodes, Connie Kaatz, Cindy Horten. 2nd row: Miss Bastian, Cindy Fahs, Mickie Bowns, Cathy Krutz, Rebecca Forsyth, Debbie Russell, Regina Van Petegon, Sue Suit, Susan Duddy, Kim Kammer. 1st row: Annie Malayang, Maureen Owens, Janice Black, Mary Whitehurst, Kim Black, Tina Polander, Bev Garbowski, and Sharon Kaufman.*
2. *When Miss Jean Bastian raises her hand, the chorus promptly begins.*
3. *Mary Whitehurst and Janice Black join in with Amy Rhodes, Nancy Fahs and Maureen Owens for some harmonizing.*
4. *Cathy Krutz and Betty Whitemore get in the christmas spirit by singing carols.*
5. *Annie Malayang and Norma Frank practice for their up coming concert.*

Students Hit the Books

While most of us make use of our brains in other ways, it's nice to know that there are still some students at Marine City that hit the books everynight.

Between the Jr.-Sr. classes, we have 41 students with excellent grades that have joined to make the "Honors Convocation Group." These scholars have achieved a 3.3 grade average or better.

Do you ever wonder who sets up the flag for the games? Or who controls the microphones for our fantastic pep assemblies? Well, these are the jobs of the 8-Ball Club.

These "behind-the-scene-men" take care of the lights and all the other odd jobs that must be done around the school to prepare for special events.

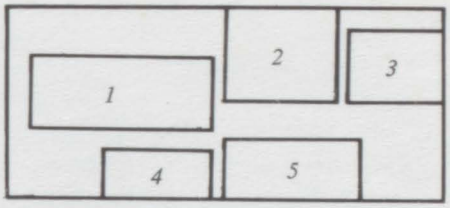

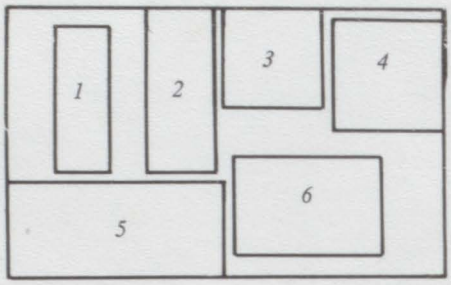

As the Lights Go Down

1. *The Honors Convocation Group proudly pose for their yearbook picture.*
2. *Mrs. Green, the 8-Ball Club sponsor, shows the behind-the-scene-men, (Tony Dewitt, John Richards, Tom Clemons, Steve McConnell and Dan Guyor), how to turn on a microphone.*
3. *John Richards can't figure out which light switch to push.*
4. *Mr. Shorkey presents Judy Payne her certificate for good brains.*
5. *Steve McConnell proves that there are 13 stripes on the American flag.*

Skiers Hit the Slopes . . .

1. *Senior Rick Phillips finishes up a clean run at Mt. Grampain.*
2. *Joann Ditchfield uses all her strength to run up the tow rope.*
3. *"I think I can ski better sitting down!" decides Jean Biskner.*
4. *Reni Radtke soars over the frosty Mt. Grampian slopes.*
5. *Group Picture.*
6. *As some MCHers line up for their first lesson, their whole lives flash before them.*

Literally!!!

"Let it snow, let it snow, let it snow," the ski club sang as we boarded the bus to go on our first ski trip to Pine Knob.

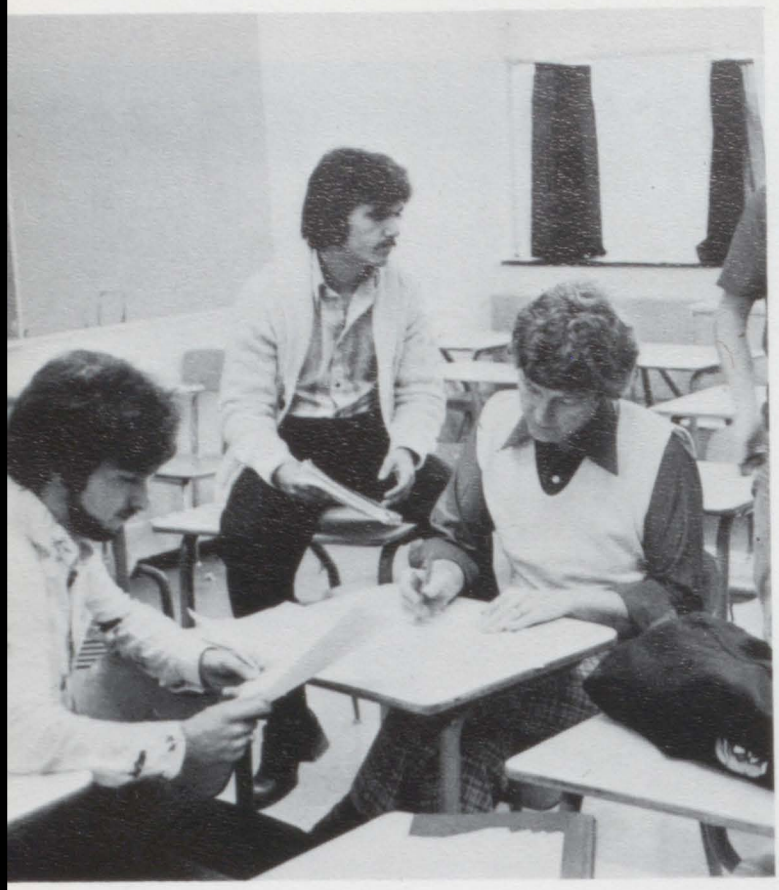

Some of the kids were "oldtimers" on skis but for most of us this was to be the first time we ventured out on the frosty slopes.

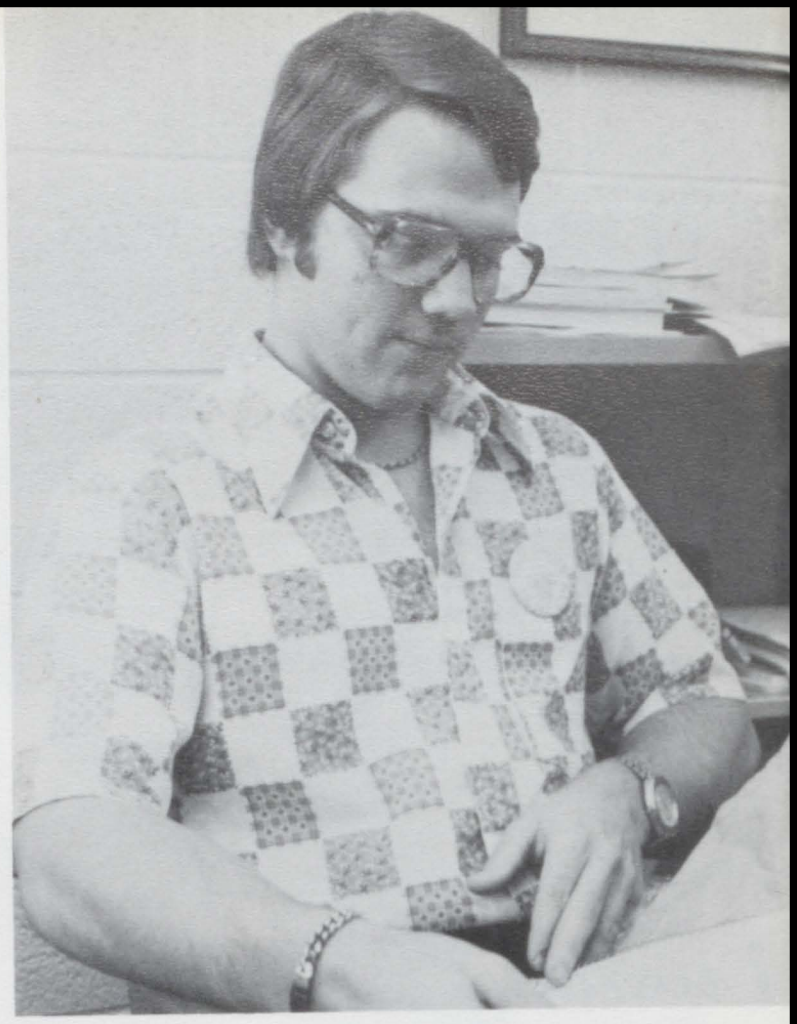

This year the ski club was open to the entire student body. The club travelled to many ski lodges all over Michigan such as: Mt. Grampian, Alpine Valley and Mt. Holly.

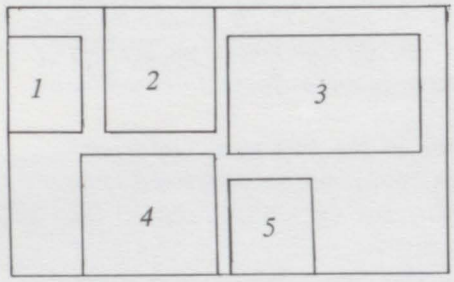

Not only were there the typical bruises and broken bones, but they also overcame many blizzards.

Most members usually rent their equipment and lessons are available at most lodges.

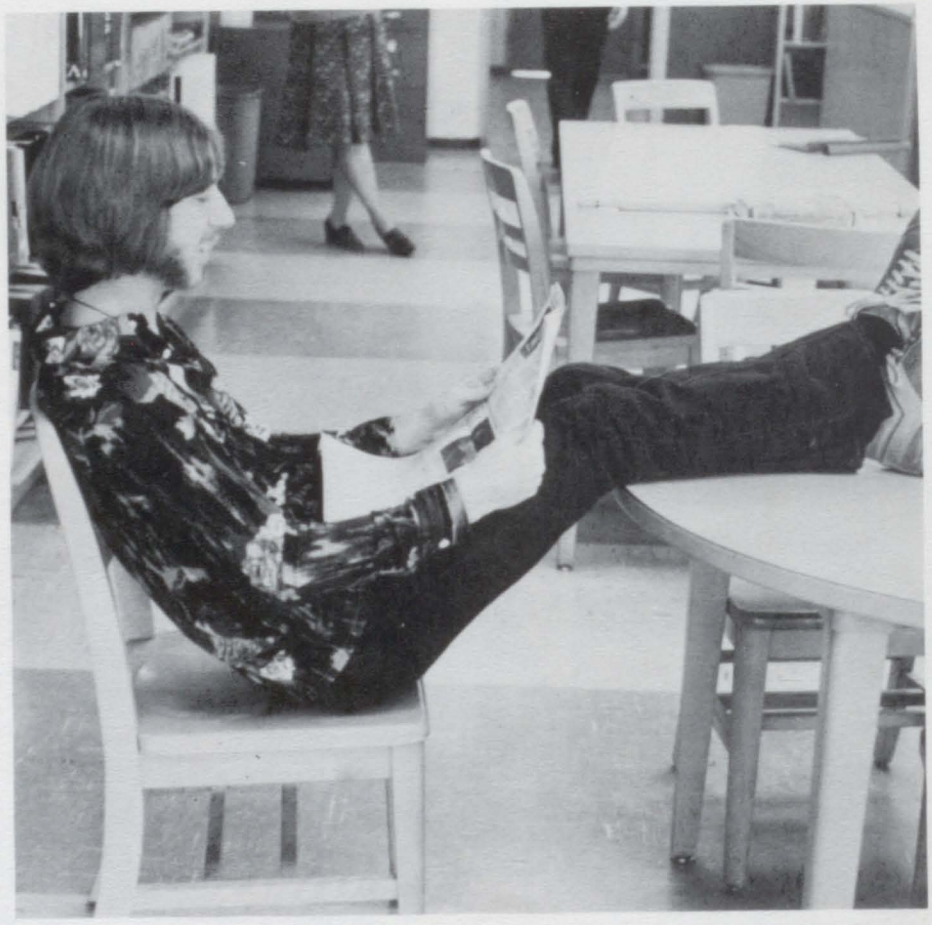

Despite the cold hands and feet, those frostbitten adventurers show up every year to try out their skill (and luck) on the snowy slopes.

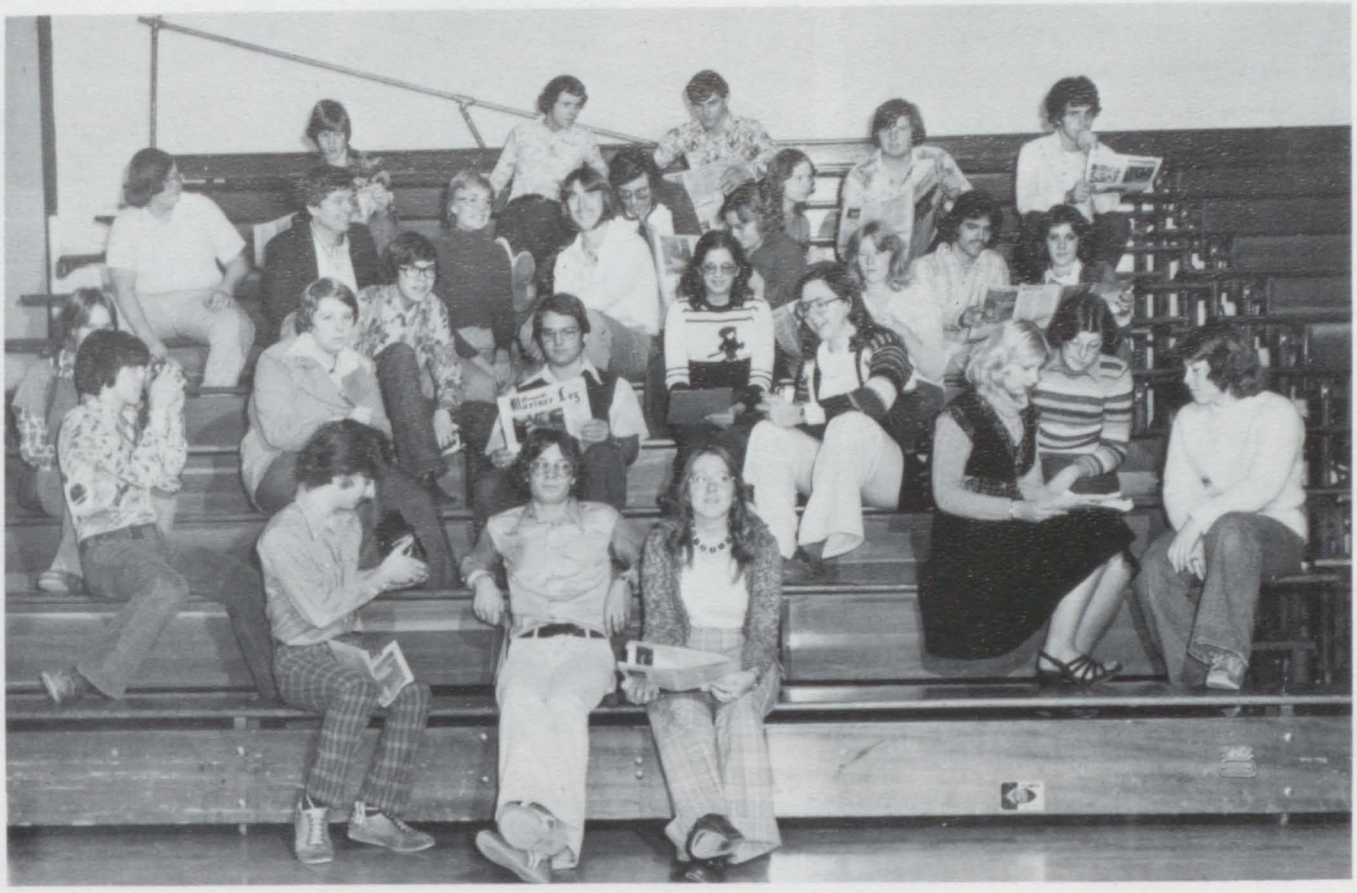

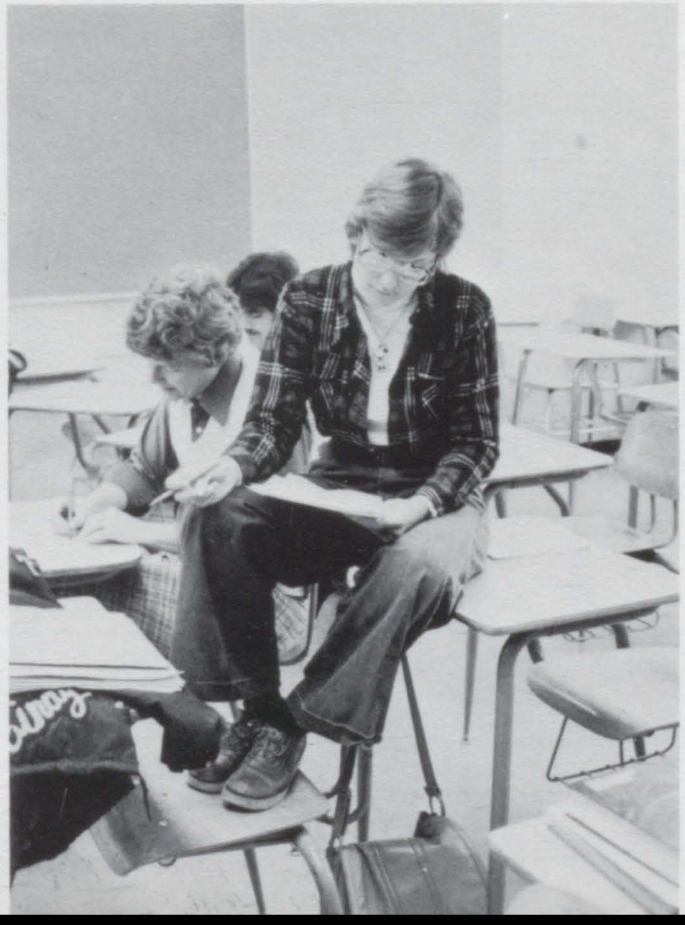

1. *"Mr. Harvey is killing my story!" moans Randy King.*
2. *News-editor Keith Defever studies a sports article for the paper.*
3. *The Mariner Log Staff.*
4. *Bob Shattuck laughs at another stupid joke in the "Shattuck Knows."*
5. *Co-editor Cindy Zwickey prepares another editorial of the Mariner Log.*

"Mariner Log" Goes New!

Log goes all new! First the staff held a contest for a new and different name. It turned out to be the "Mariner Log." Everyone seemed pleased with the updating as they read their 1st free edition.

A new staff, interesting articles and columns sparked new interest. Appearing were "The Shattuck Knows," "A Touch of Class," "Class Notes," and "Speaking Out." There were many individual columns that appeared also. Some of the articles were about sports, teachers, daily happenings and a lot of activities at M.C.H.S.

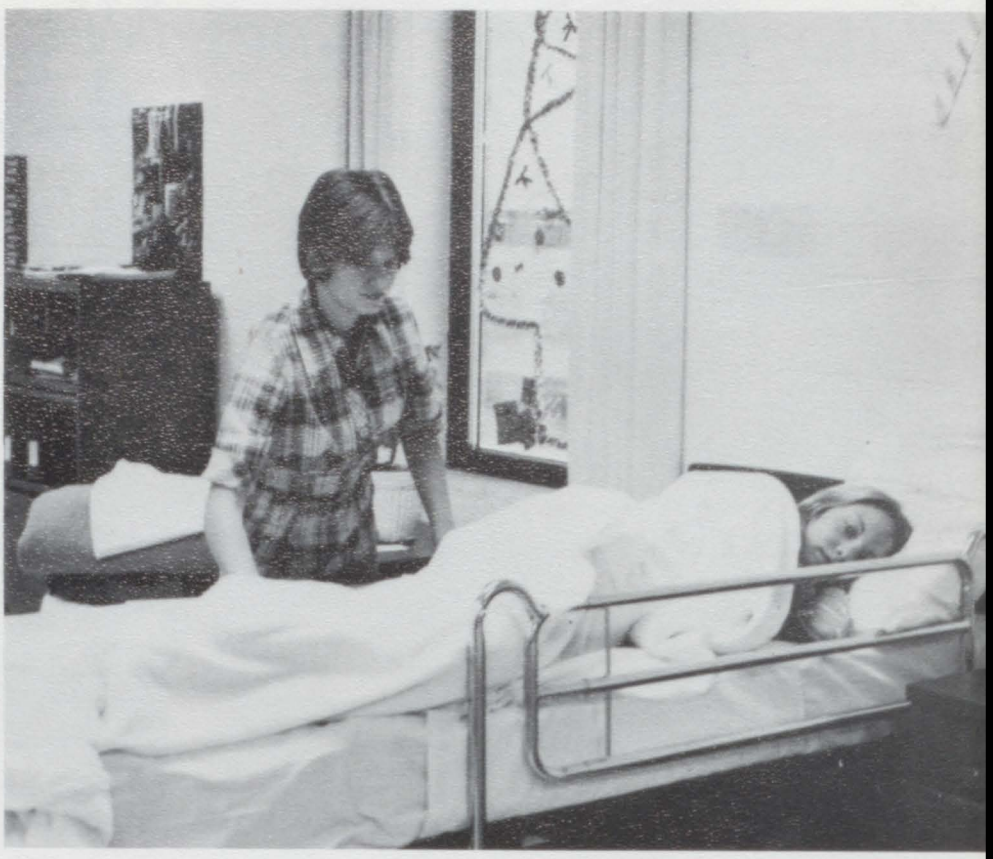

Next came the printing presses. This year's paper looked like a paper and read like a paper as well! Co-editors Cindy Zwickey and Bob Shattuck got their thinking caps on and pulled the loose ends togehter to produce a super 'Mariner Log'.

Many students joined the staff and worked hard to get each issue out. A big thank you goes to Mr. Garey Harvey who really started the paper off right!

"Good-bye Niki Base! Hello Skill Center," chants more than 100 students as they load the vocational program bus that takes them to the newly built facility in Marysville.

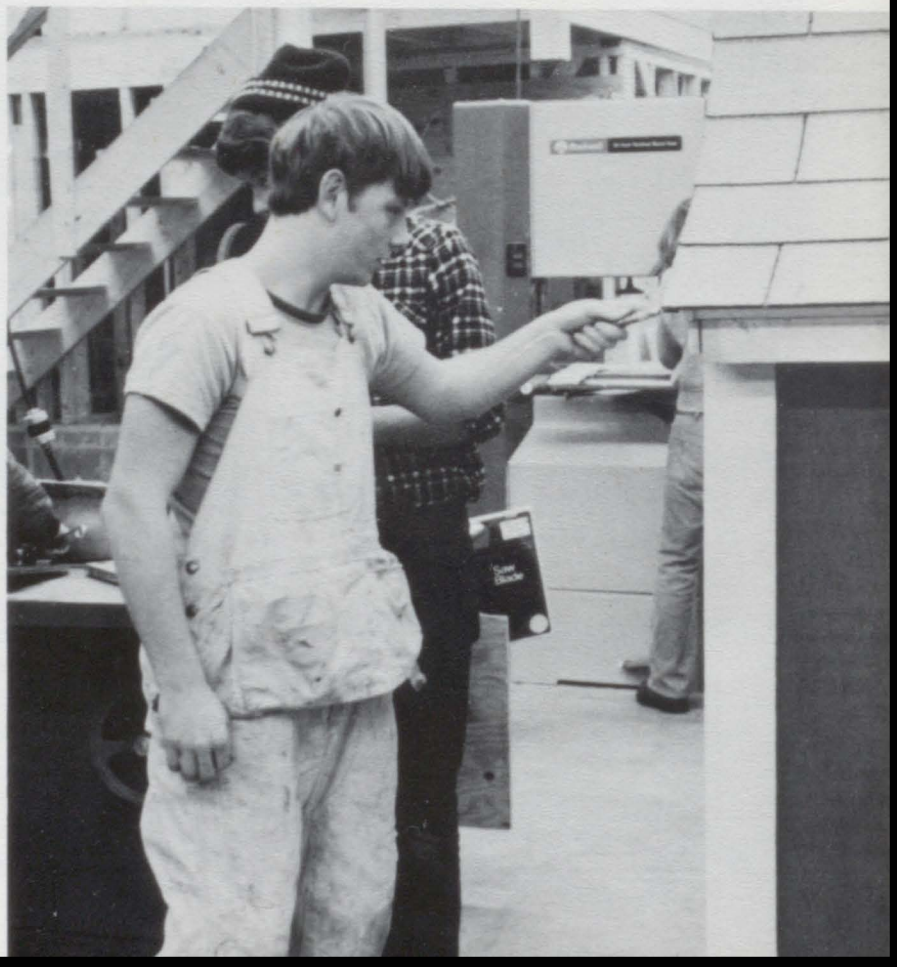

At the Skill Center students are trained in rooms that were specifically designed for their occupations. It is a regular work situation where students punch in on a time clock and report to their teachers, or employers, for work.

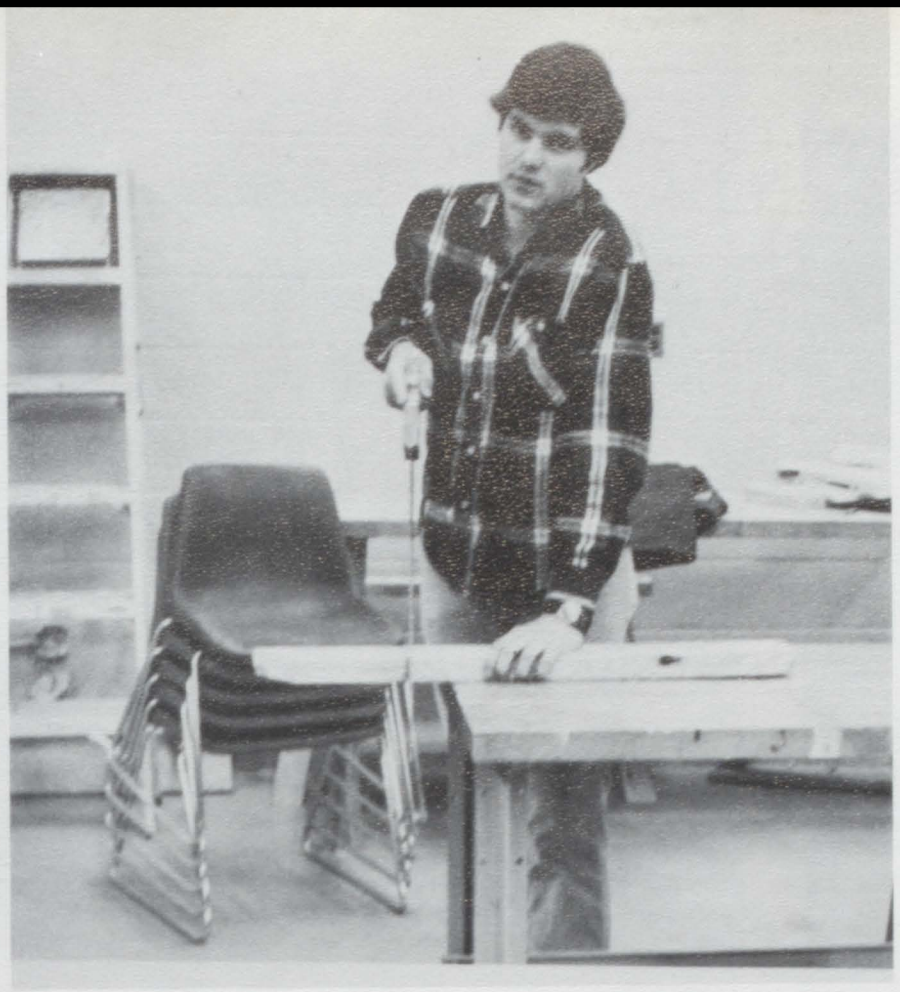

Whether they go to the built-in restaurant for food processing classes or to computers for data processing, it all proves to be a new and interesting experience for the students of M.C.H.S.

"Co-op Pays Off"

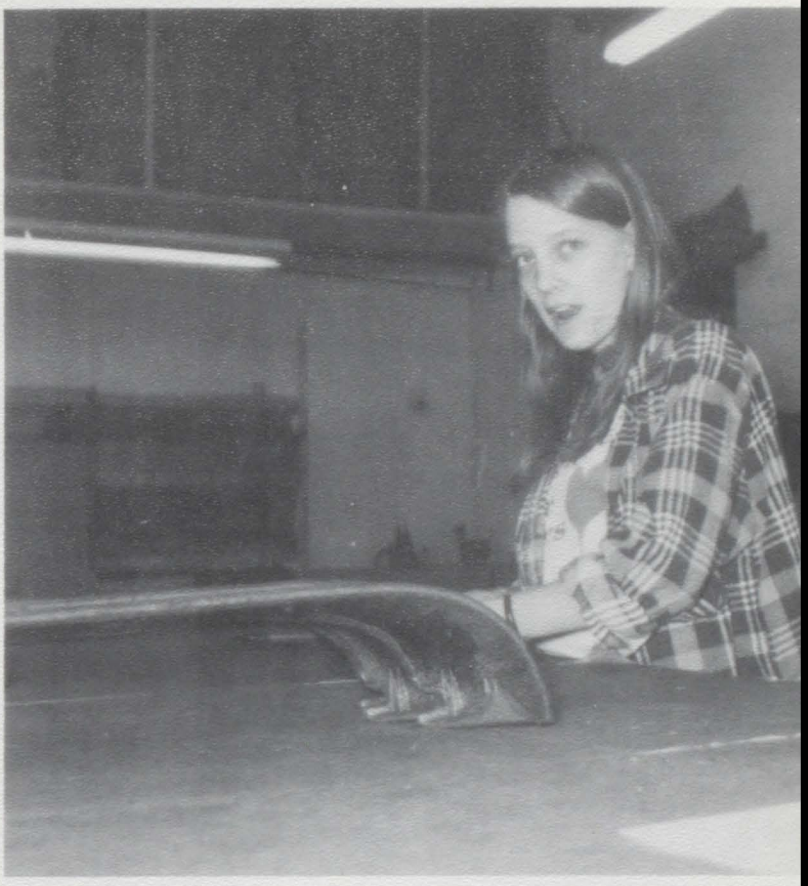

Going to school and having a job at the same time is not easy. That's why CO-OP was formed. It enables students to work and earn grades at the same time. The employers grade the students on their ability, cooperation, and initiative performing their job.

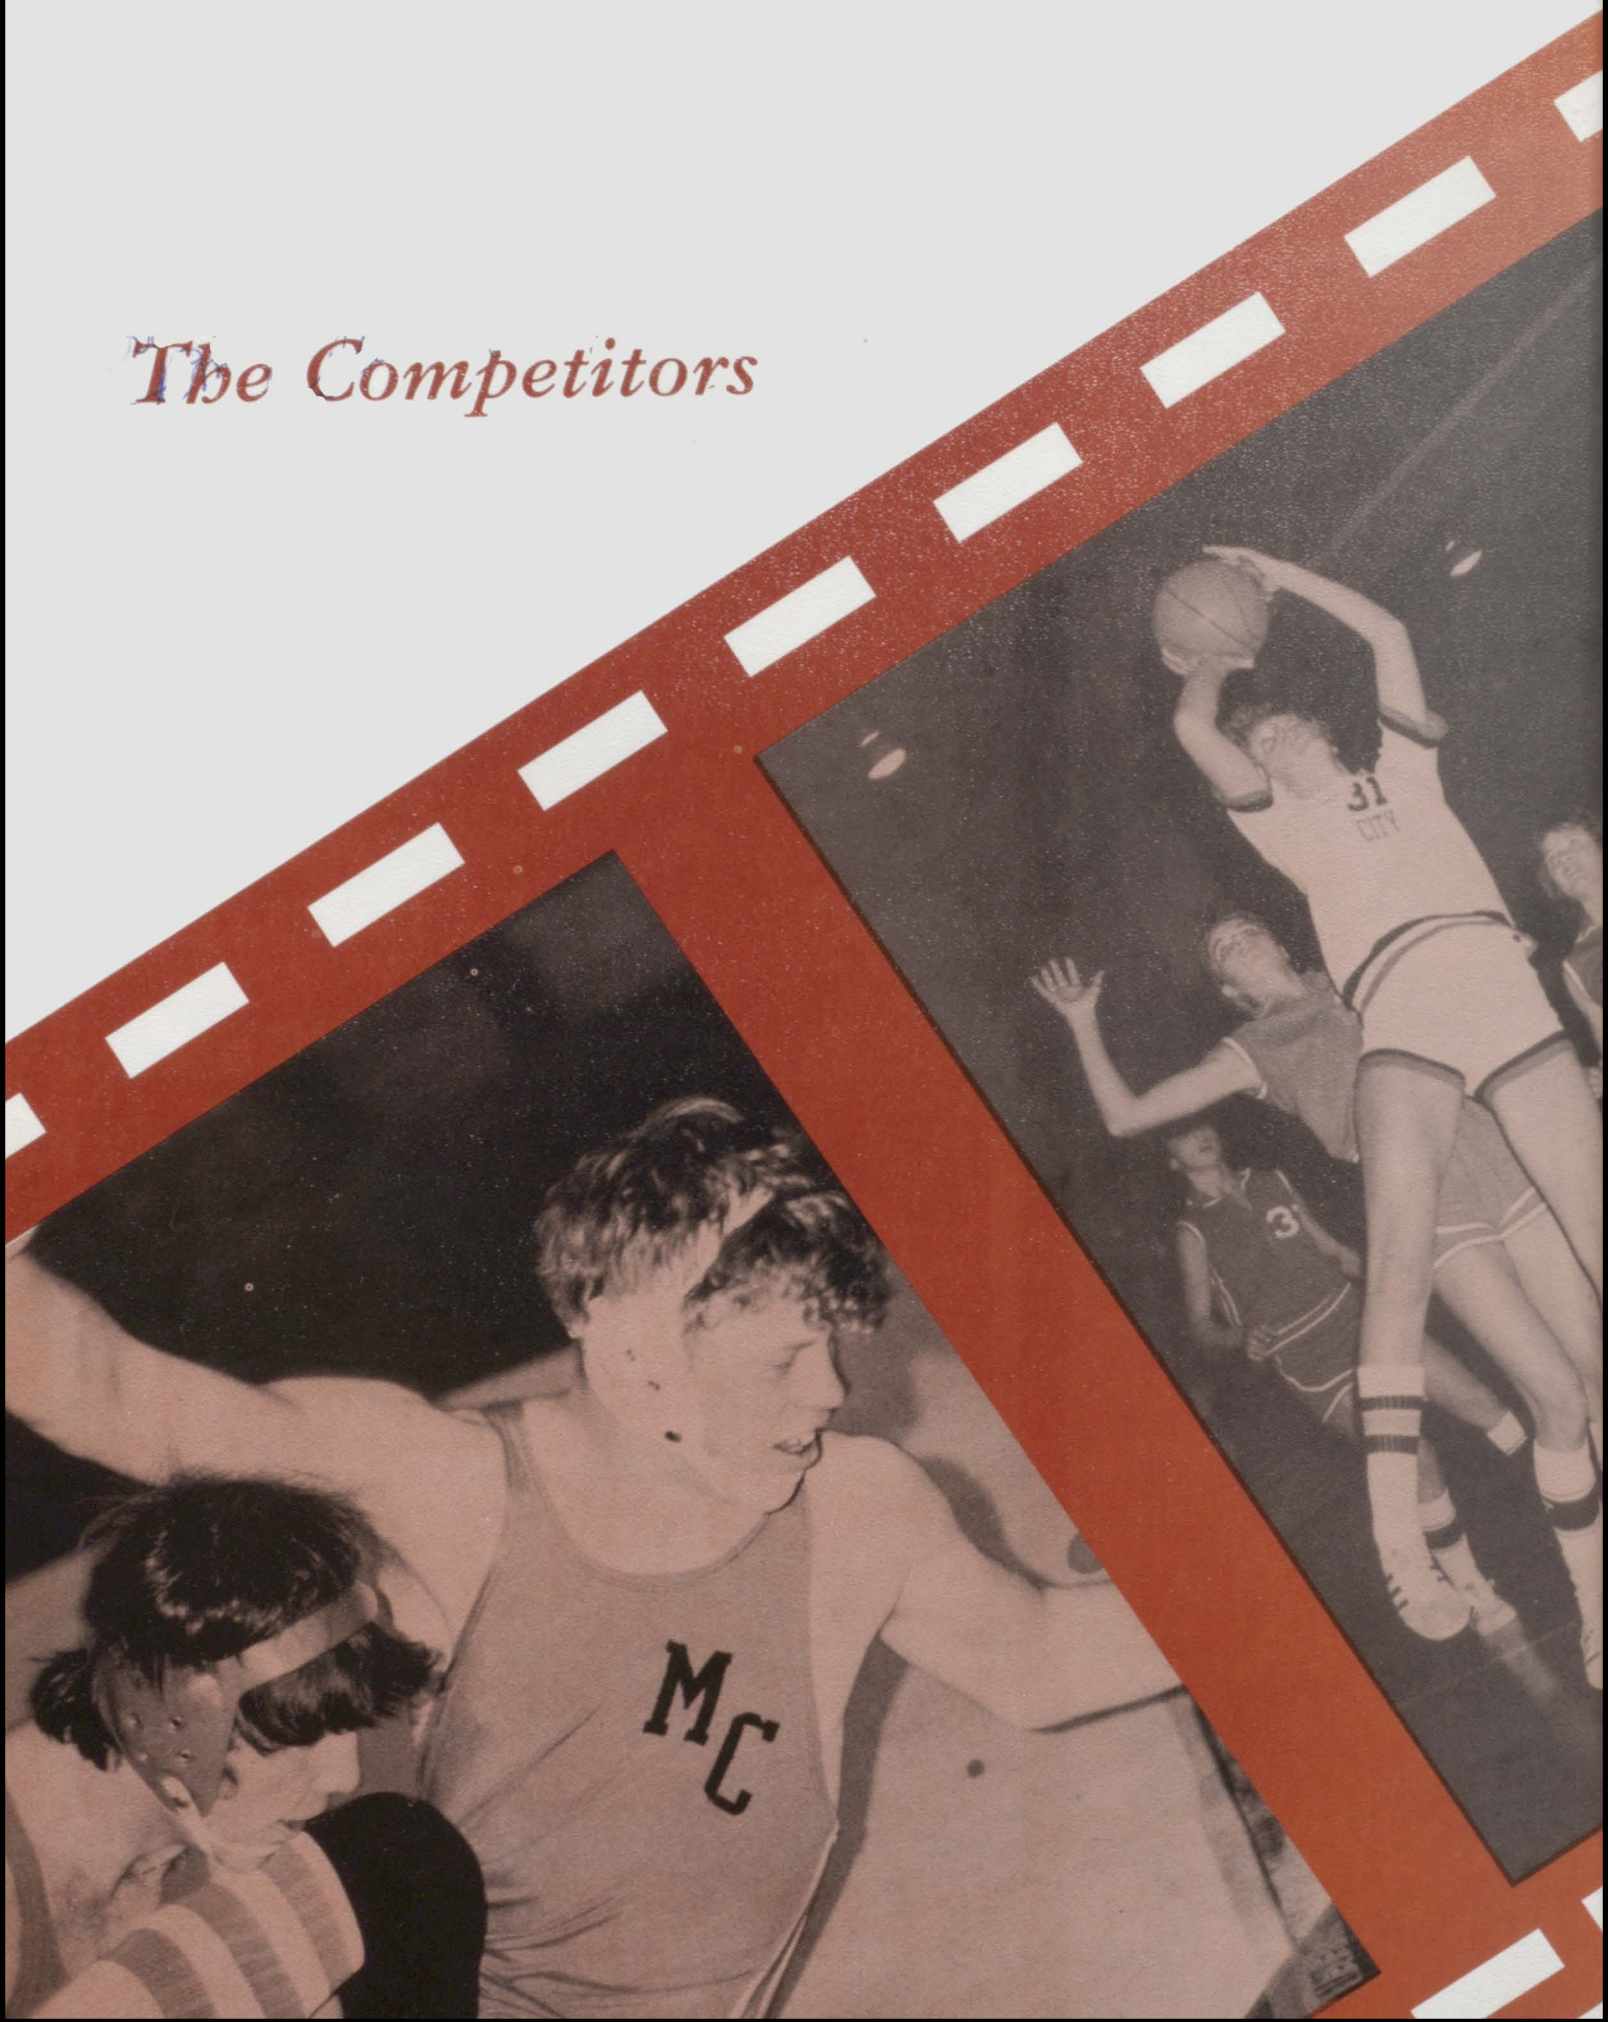

Before getting on CO-OP, each student is interviewed and tested to make sure he gets a job suitable to its training. Miss Sandra Crawse and Mr. Peter Findley take the responsibility of finding jobs for those students. By teaching Related Studies and talking to each student personally, they try to find the students likes, dislikes, and qualifications that are needed for a particular job.

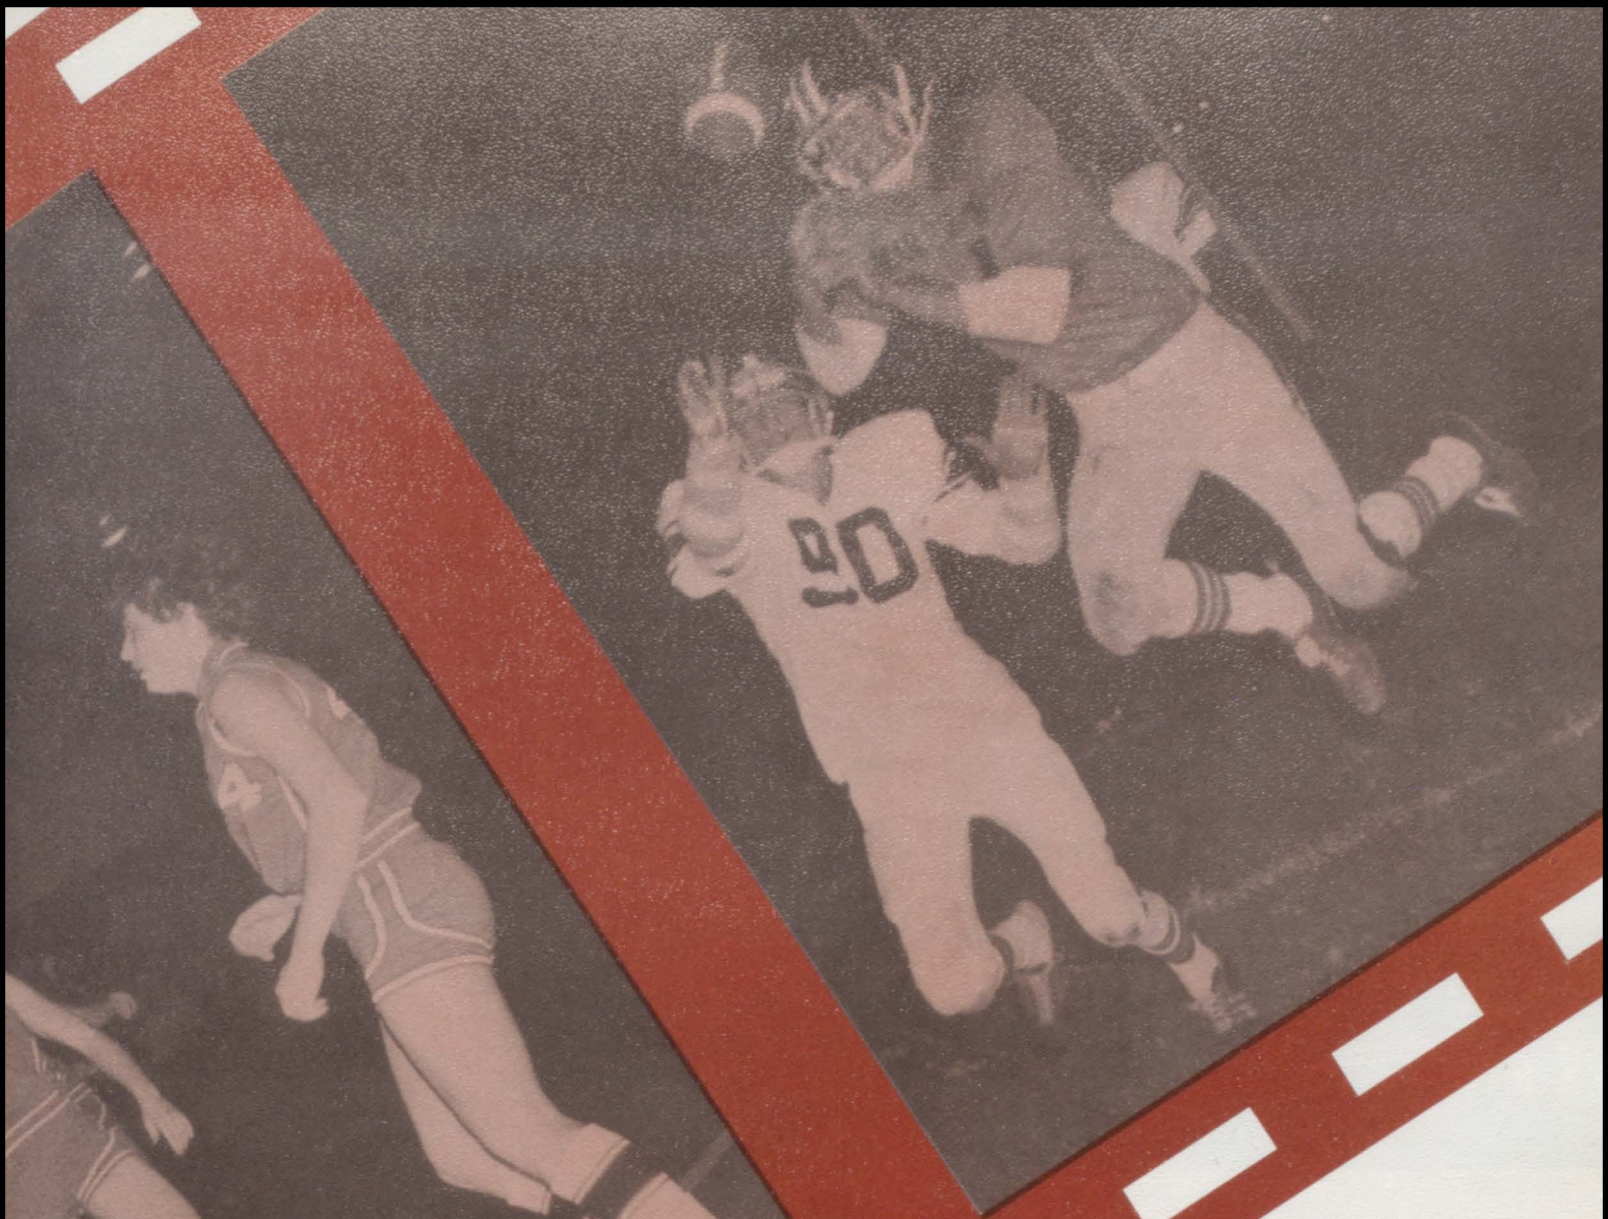

The CO-OP program helps the students of M.C.H.S. find jobs in this already job-shortaged world.

The Competitors

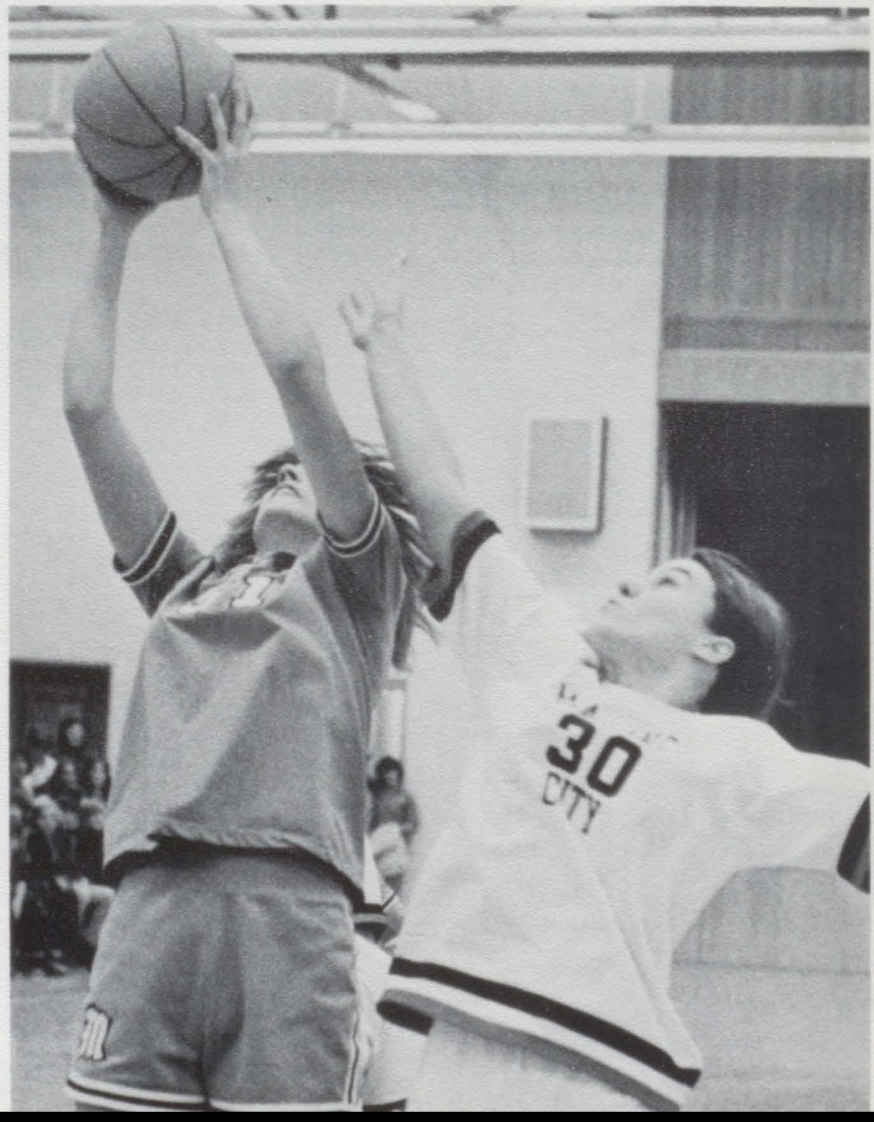

Sports have essentially always remained the same – two or three major sports and a few lesser and intramural activities. Today we're all familiar with swimming pools, Cloud 9, and the growing popularity of such sports as tennis, volleyball, cross country, and wrestling. Girl's sports have gained equality with boys's – in some cases even surpassing them. Good activities are becoming increasingly important, as are newly recognized sports – soccer, handball, and karate.

We are seeing a trend away from team sports, towards more individual levels of competition. The future should bring an increased feeling of personal pride, yet still maintain the basic purpose of athletics – sportsmanship, an area in which M.C.H.S. has always been a winner.

Talent, Pride, Determination
Girls Post "Perfect" Record!

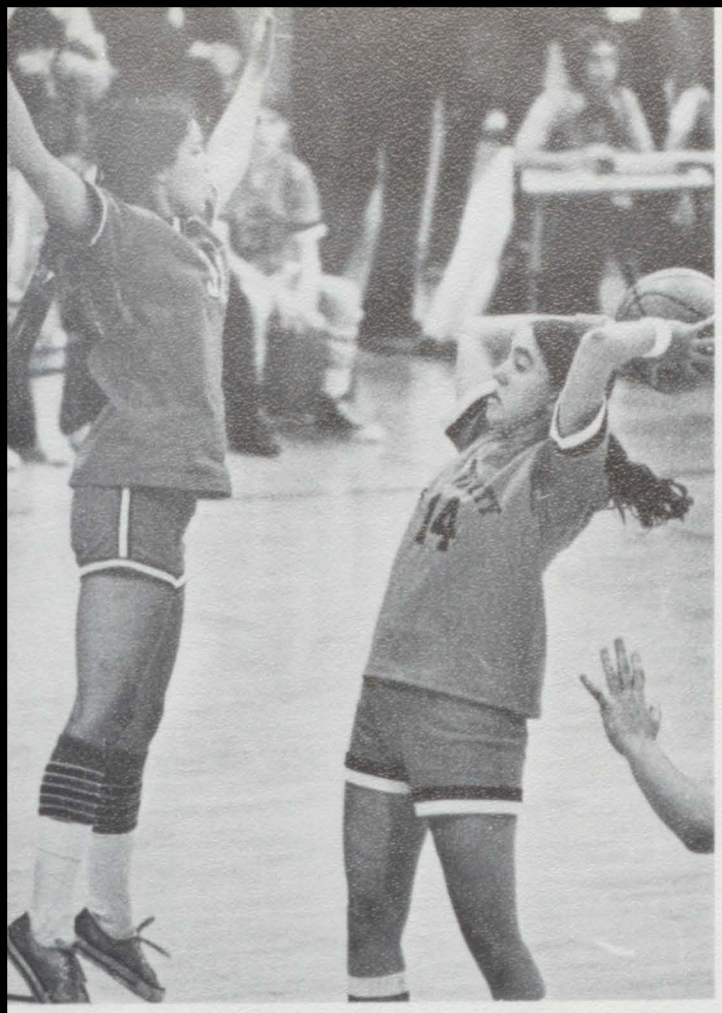

Losing was not part of the 1976 girls varsity basketball team's vocabulary. With all of the talent that these girls have, it was no problem for them to go undefeated.

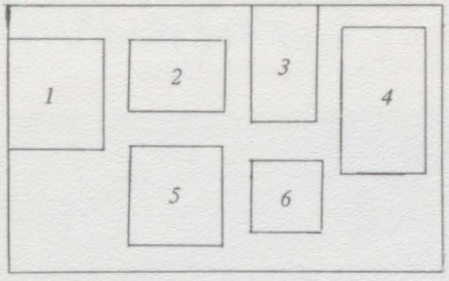

The girls opened their season with a victory over Bishop Gallagher 63-37. Continuing on they whipped the Saints 64-24. The closest non-league game the cagers played was against the Vikettes, as they won 50-47 in double overtime. The next time they played the Mariners won handily 58-43. In non-league play the girls ran into another squeaker but won 51-50 over L'Anse Cruse.

Leading the team was Doreen Grote who avg. 25 pts. a game. Brenda Venhuizen and Debbie Brown were also leading scorers but the rebounds and assists they provided proved to be just as vital. The excellent all court play of Gigi Yax, Jean Kaye, and Vickie Sharrow were also a great asset. The combining of this talent and the strong bench produced an unbeatable team.

Girls Rule State

Grote Named All-American

By playing an excellent style of basketball, our girls basketball team capped an unbeaten season (24-0) by capturing the State Championship. This was made possible by winning 8 straight games throughout the tournament.

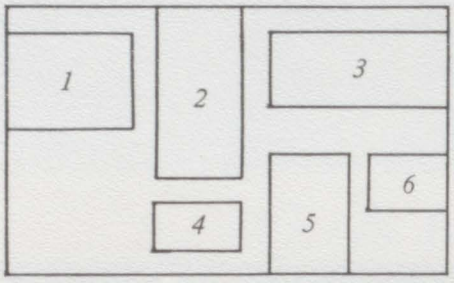

After disposing of Anchor Bay and Bishop Gallagher, the gals went up against a tough L'anse Creuse squad whose only defeat was a one point decision to our own Mariners. Playing superbly we beat them with relative ease 47-33 behind a 19 point performance from center Doreen Grote. Guard Jeannie Kaye was lost for the duration of tournament play with a fractured ankle.

With Vickie Sharrow and Sue Wiinikainen filling in, the team responded well by stunning unbeaten Grosse Ile 54-38. Good team play and a tight zone defense keyed the victory. Then, after trouncing Livonia Ladywood, it was Fenton's turn to bite the dust. With shifty guard GiGi Yax dribbling holes through presses and Debbie Brown, Brenda Ven Huizen and Grote doing the scoring, the team played its best game to date winning 47-39.

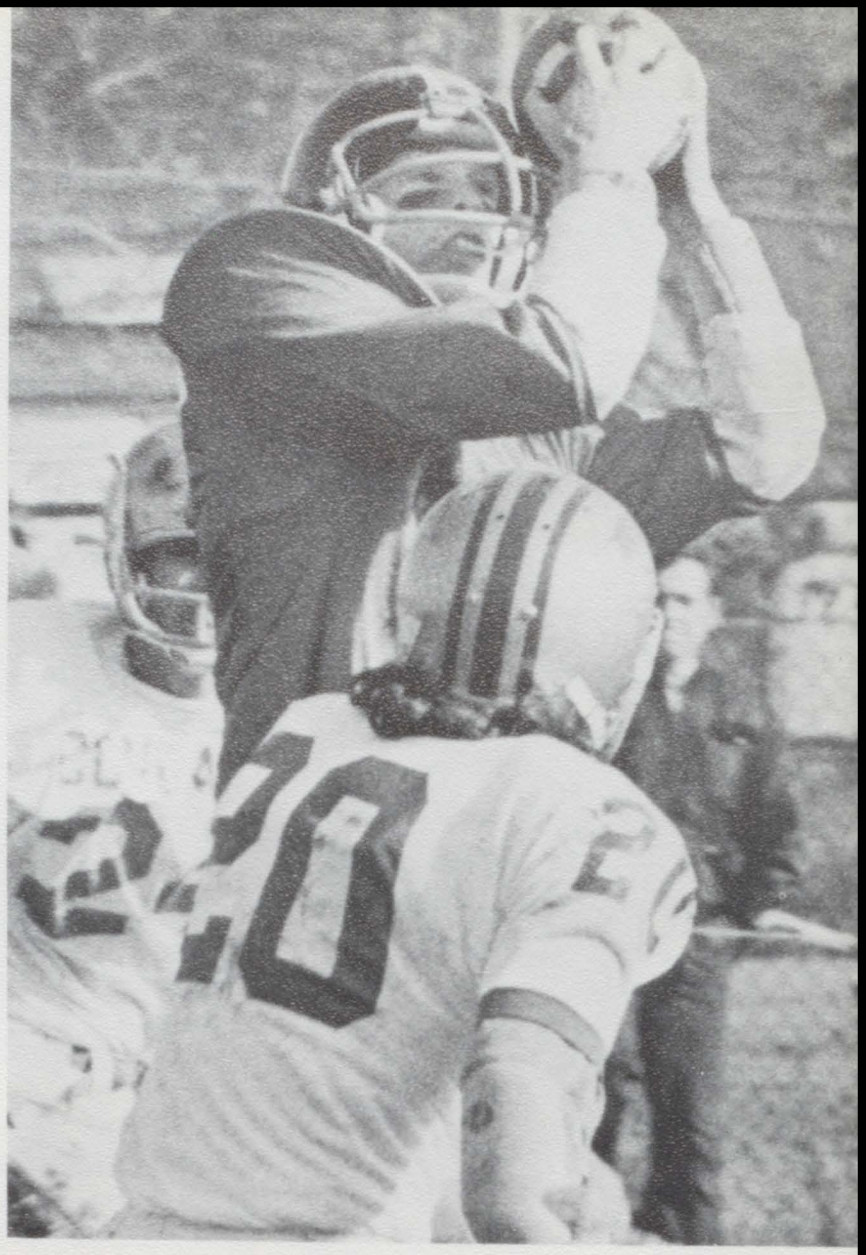

Entering the semifinals our gals went up against a fired up Jenison team (24-0). Despite haveing two starters foul out, they kept their state title hopes alive with a hard fought 64-57 overtime victory. Trailing by 5 points with less than two minutes remaining, the team refused to fold and came back to tie the game and send it into overtime. 3 players hit double figures as the Mariners made 13 out of 19 free throws.

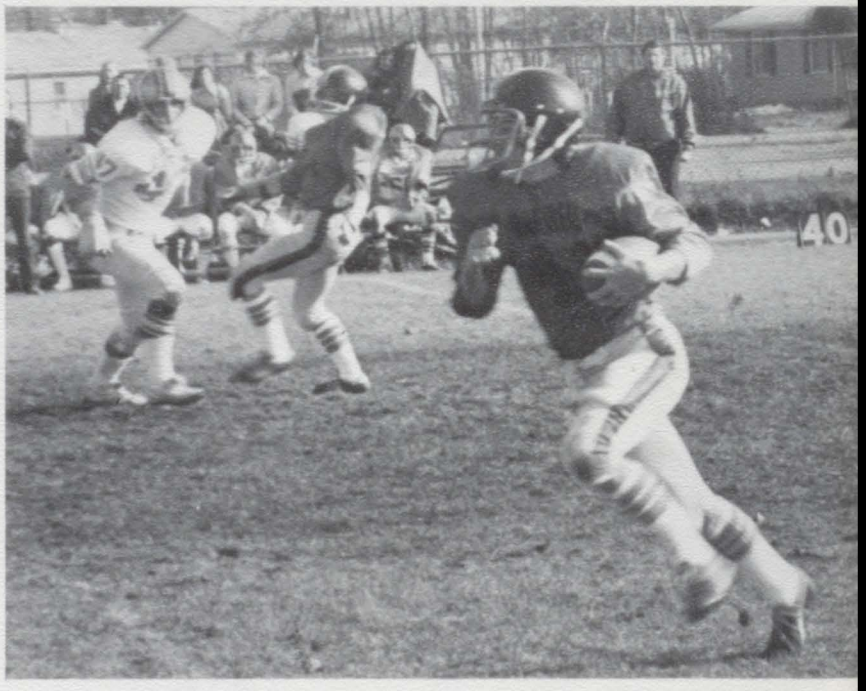

The state finals pitted Marine City against Three Oaks River Valley. Taking control right from the tip, our Mariners breezed to a 10 point lead at the half. The second half went about the same and Marine City won the 1976 Girls Class B State Championship by the score of 52-38.

Bad Breaks and Sprains

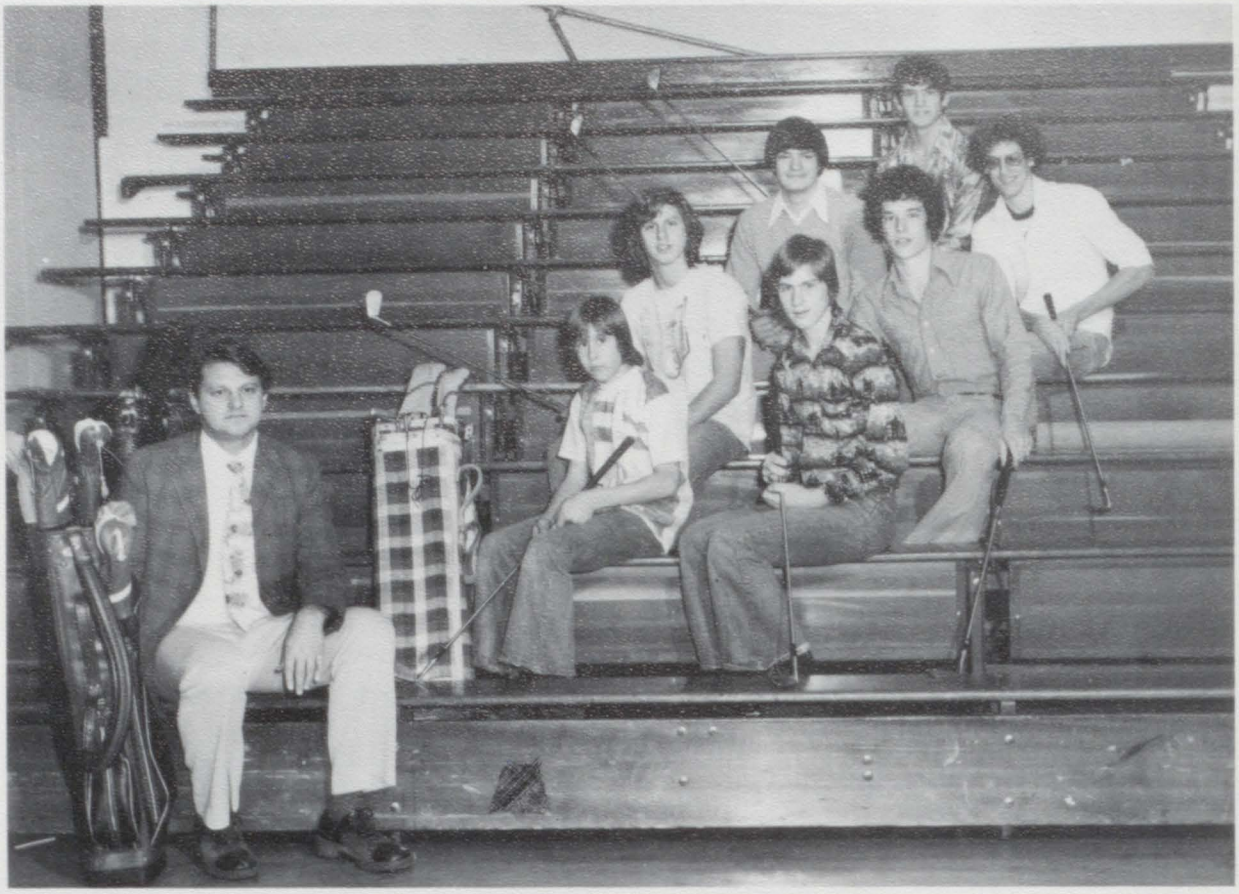

Mariners Collapse into Last

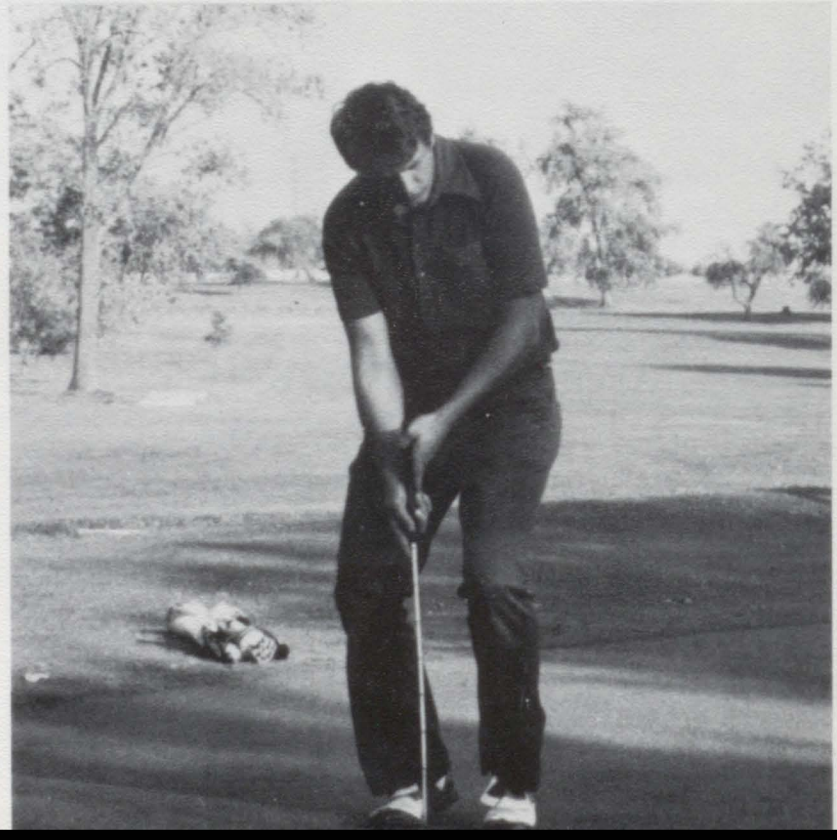

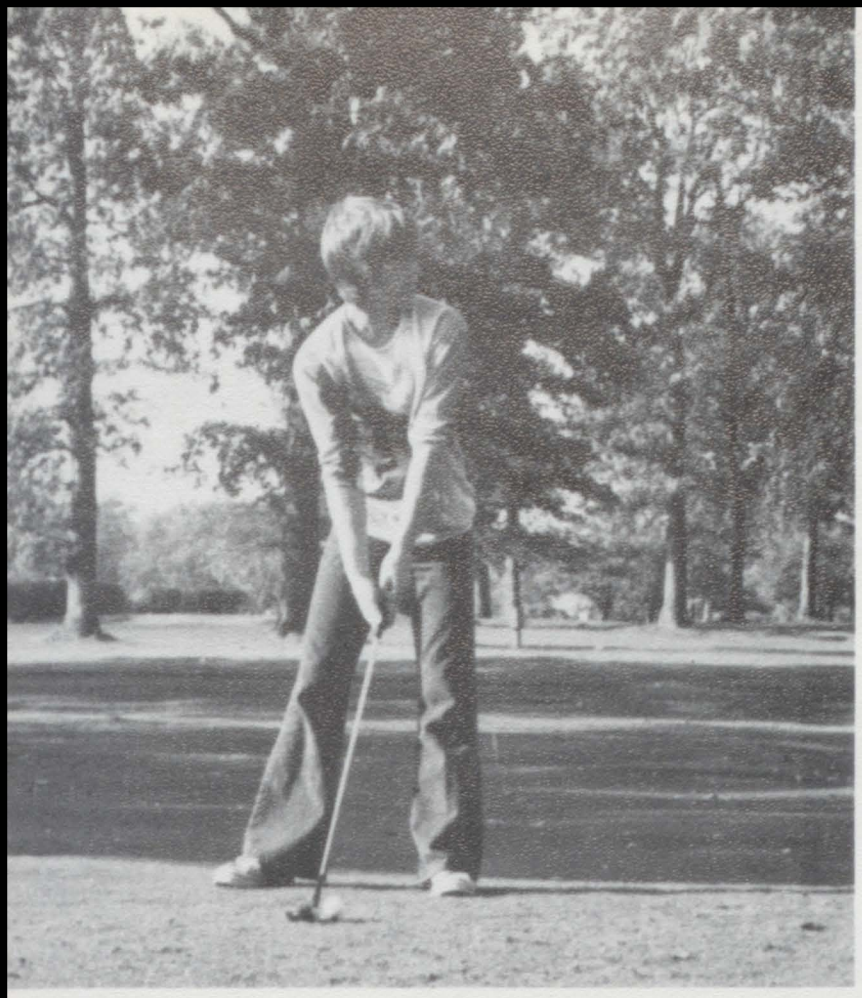

The 1976 Mariner Football Season was opened and closed with big wins over the mighty teams of Lutheran East and Armada. But the Mariners seemed to lose their touch throughout the mid-season. By playing most of their games with one strong half and one weak one, the team failed to win one of their league games. Although they didn't set any records on the field, they did manage to set a few off it. More players were injured with fractures, sprains, and breaks than any other team in the league, and had to have more x-rays taken than any past team in Marine City's history.

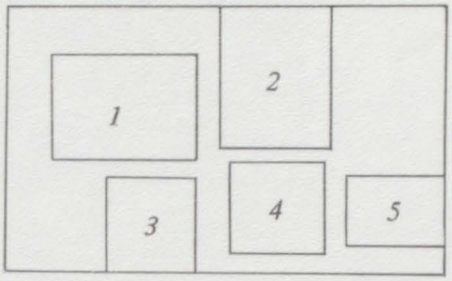

Mariners Misery
Golfers Land In Sandtrap

With the loss of three top golfers last season, the talent of the Marine City golf team had somewhat disapated. Ending up with the worst record in Marine City history, the young Mariners fell victim to many bad breaks such as missing putts and chipping into sandtraps. Although the team wasn't winning, the top man on the team, Tony Dewitt came through with good showings averaging into the low forties for every match he shot. Sophomore Bruce Eschenberg also played well, shooting in the mid 40 range. With this years 0-10 record the Mariner Golf Team has no choice but to drive on to a better record next year.

Young Talent Shines

Harsh Weather Slows Harriers

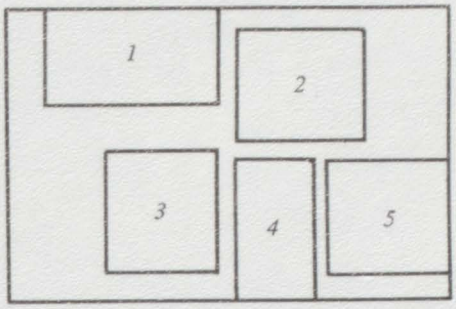

The Mariner Cross Country team had a cold season this year. The weather was miserable during most of the meets and there was even some snow in parts of October and November. The harriers stuck it out for a strong finish and third in the SCAL.

The Mariners ended the season with 4 wins and 4 loses, the worst record since the initial cross country season at MCHS. Even a team that finishes this low has its bright spots. Young talent was seen in freshman Dan Markel, sophomore Rob Southard, and our front runner and captain, Pete Markel.

Because the team is losing three of the top five runners to graduation, this talent will be needed tremendously. Coach Walker Archer is planning summer practices to help get the winning streak going again at MCHS.

Improved Offense, Defense

J.V. Starts Slowly, Then Moves

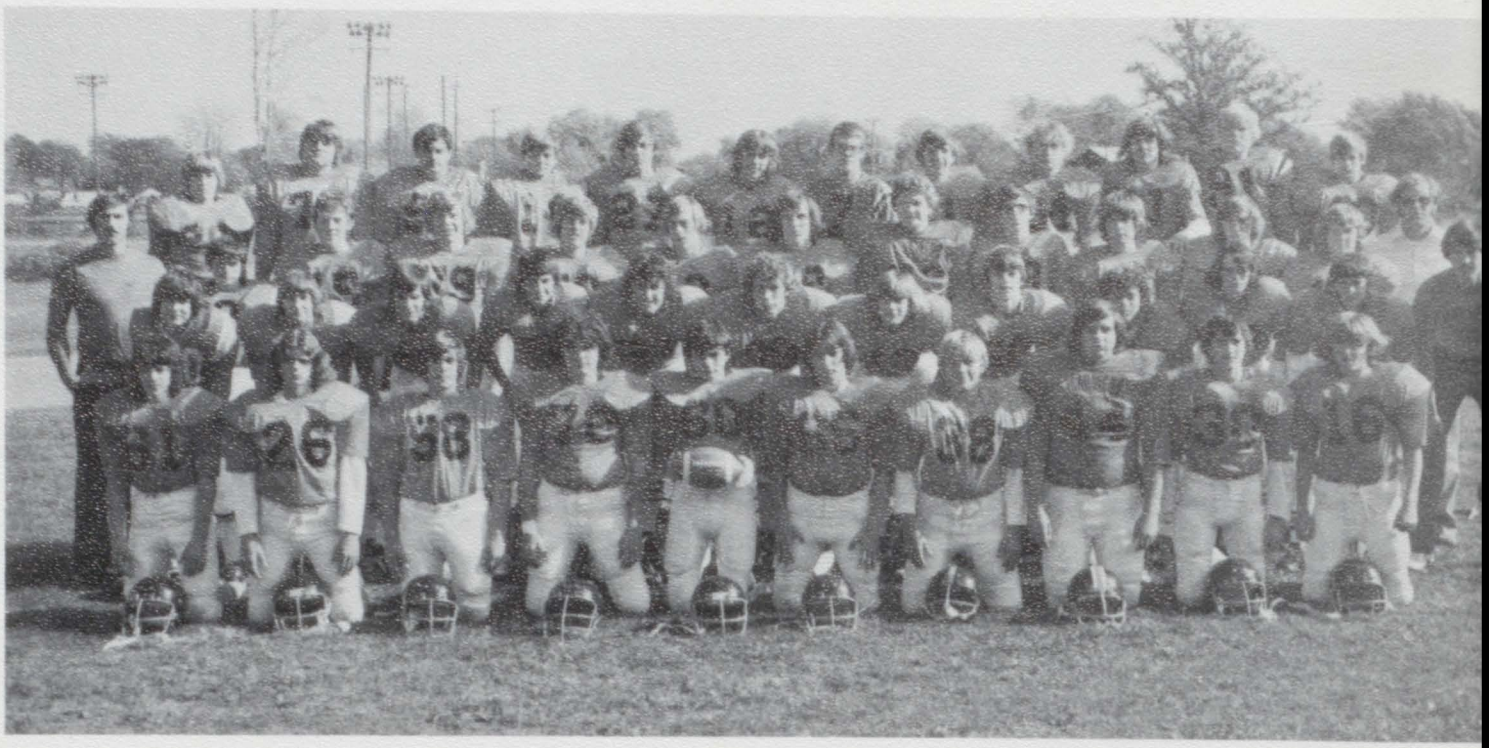

Overshadowed by the success of the varsity basketball team, the J.V. girls came through with a good season of their own, finishing with a 6-10 record.

They started slowly, losing to a tough Bishop Gallagher team 26-2. But after they became more organized both offensively and defensively, the wins started coming. The girls did particularly well in league play, winning 6 games. It was the non-league encounters that brought the record down, although they played some solid teams such as P.H. Northern, Capac and L'Anse Creuse.

The sophomores were the mainstays of the team this year. Tina Blakely, Kathy Nott, Jean Terbush and Kim Westerhof all led the attack for the Mariners.

Young, Inexperienced
J.V. Weak in "Essentials"

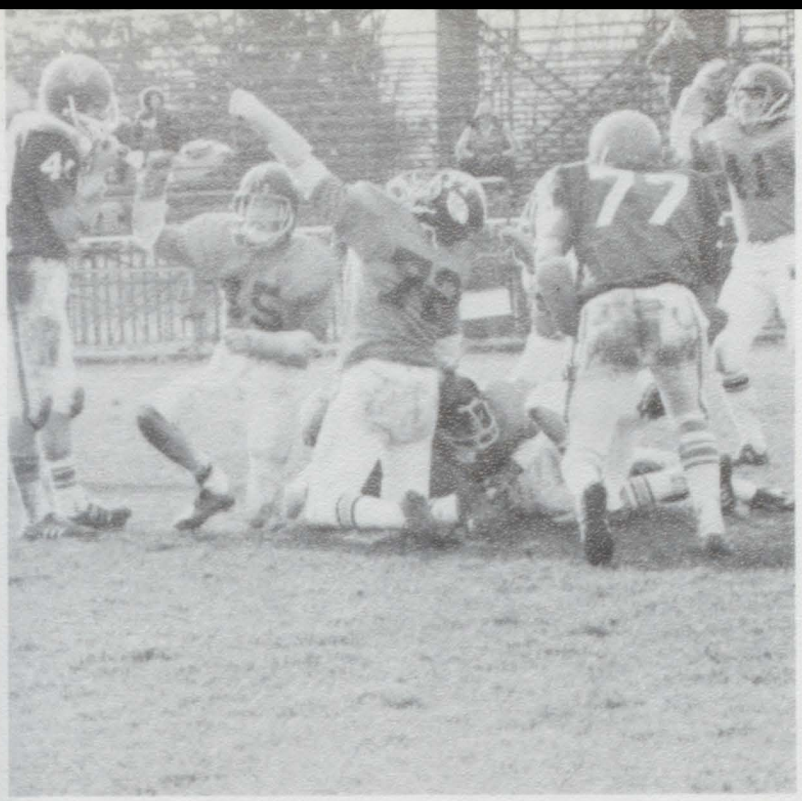

Having both a good offensive and defensive squad are essential for winning football games. But the inexperienced Mariner J.V. team lacked strength in both, resulting in an 0-7 season.

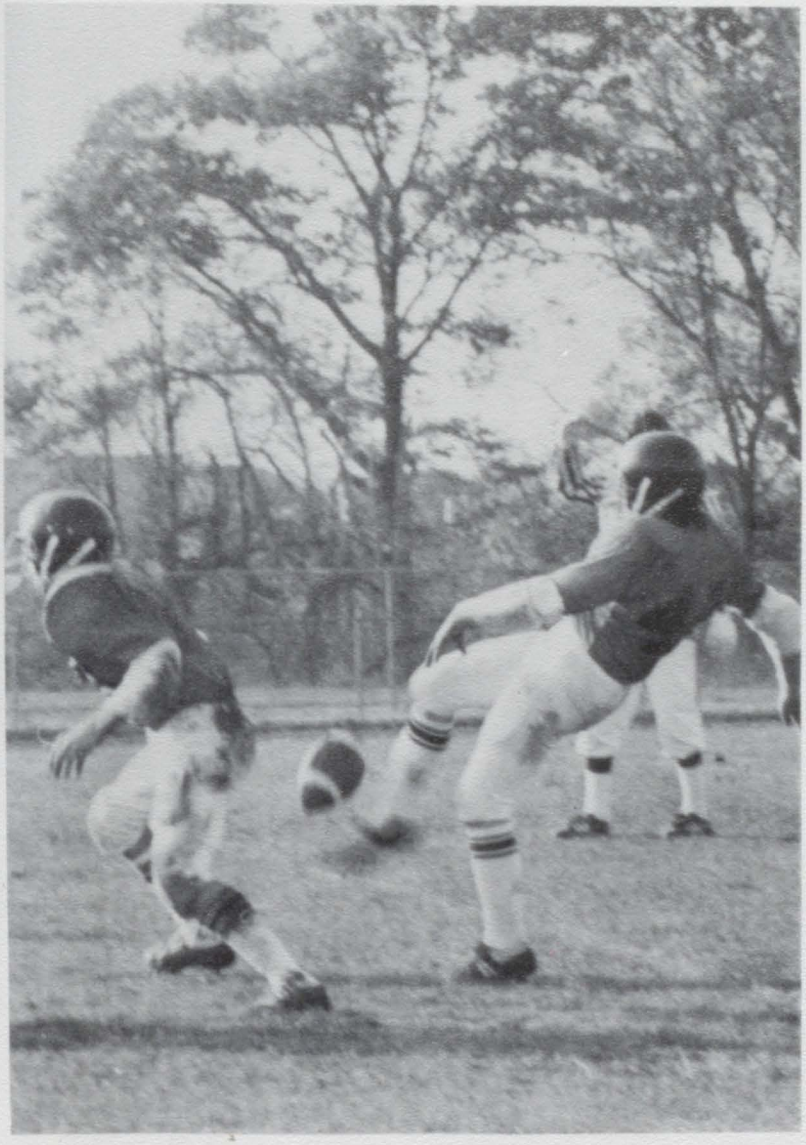

Since there were not many sophomores who went out, and there was no freshmen team, the squads were mostly made up of nineth graders. Most of these frosh were put in starting positions, only to be out classed and no match for the bigger and more experienced teams in the league.

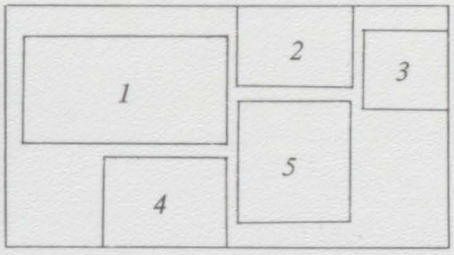

There was some satisfaction to those who played well throughout the year. T.J. Van Wormer, Chris Beckett, Jim St. James, Keith Lindke, Ken Osterland, and Sam Polio were all promoted to the Varsity for the last game.

Fall Scoreboard
Gals Fire-Up Fall

The fall sports scene can be summed up in just two words: GIRL'S BASKETBALL!

After finishing the season with a perfect 24-0 record and the Class B State Championship, the awards came in hoards. The biggest went to center Doreen Grote. She was picked by **The Detroit Free Press** *as the top player in Michigan along with making* **The Detroit News** *All-Metro team, the All-Area team, and the All-League team. Versatile Debbie Brown made Honorable Mention in the* **Free Press** *picks, All-Metro Honorable Mention, and the All-League team. Pressure player Brenda enhuizen was picked to the All-League team, All-Area team, and to the All-Metro third team. Playmaking guard Gigi Yax was selected to the All-League team, second team All-Area, and All-Metro Honorable Mention. Jeanie Kaye made the All-League Honorable Mention team.*

To have a season like this requires someone to put all the pieces together. This someone was Mr. Len Goulding. Mr. Goulding was picked by **The Port Huron Times Herald** *as the top girl's basketball coach in the Blue Water Area.*

Although the football team had a poor season, several players did receive honors. Rob Parmentier was named to both the All-League and All-Area teams. Making All-League Honorable Mention were Shawn O'Rourke, Mark Reynolds, Mike Zobl, Jerry Wesley, Jim Reichle, Larry Gill, and Bill Westerhof.

The cross country team was very young. They didn't have a real good season but still finished with third place. Leading them was Pete Markel who had a very good year and was named to the All-League team.

Another group that was young was the golf team. They suffered through a winless season, finishing 0-10. None of the players received any league or area honors, but several, Tony Dewitt, Joel Bell, and Bruce Eschenburg, did have good seasons.

The 1976-77 varsity basketball season consisted of big highs and bigger lows in wins and losses.
and bigger lows in wins and losses.

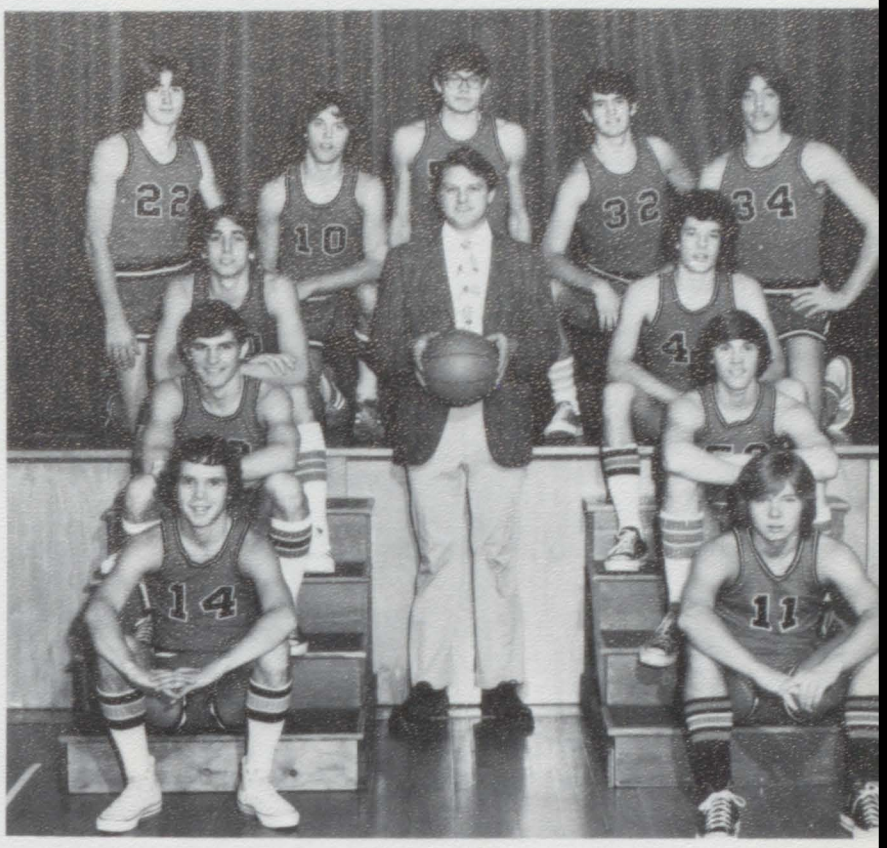

After the season opening loss to St. Andrews 73-44, the Mariners got it together with a string of four back-to-back wins. The most exciting games of the season were when the cagers and the Vikings crossed paths three times. All three were very close untill the last few minutes when the Vikings pulled ahead to stay with the scores of 67-58, 59-55 and 52-49 in the Districts.

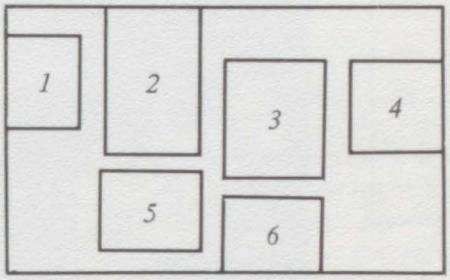

Even though the Mariners finished fourth for the season, the team had a lot of talent. Leading them was Rob Parmentier who averaged 16 points a game and 11 rebounds. Rick Charboneau was also a leading scorer hitting personal highs of 29-33 points in two contests. Another contributing factor to the success of Mariners was Bill Westerhof's consistent shooting and 7-8 assist that he averaged per game.

Spiking Success

Servers Come Through—Win

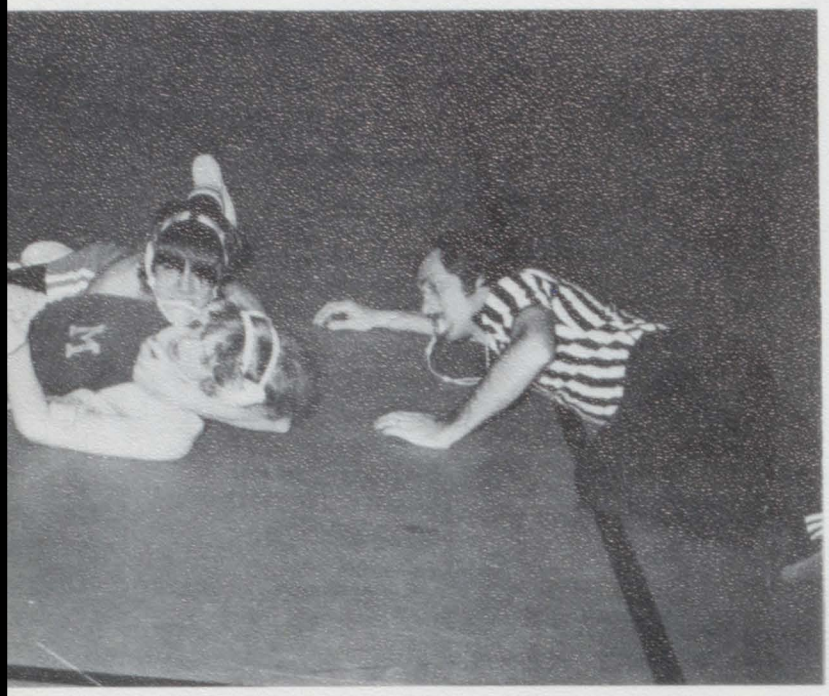

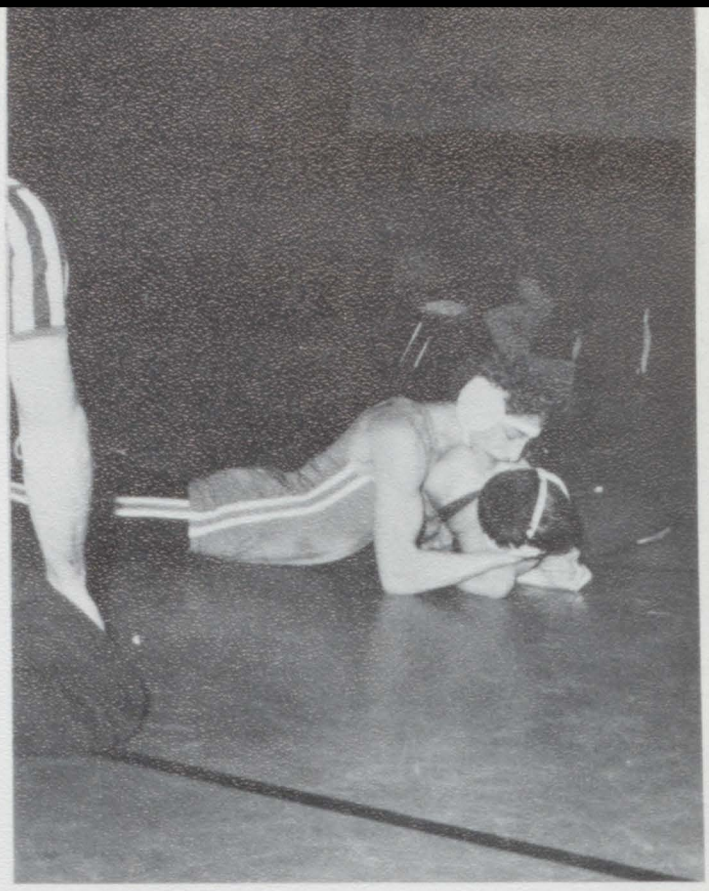

The Varsity Volleyball team's success came about through a lot of good team work. They ended the season in a 2nd place tie with Marysville. The team had several good players, one being Doreen Grote. Doreen kept fear instilled in her opponents with her net work, especially her spikes. They also had a couple of excellent servers in Wendy Kellehan and Brenda Venhuizen who were able to get the big point when it was needed. Vickie Sharrow and Carol Van Slambrock were the setters on the team. They did a great job of getting the ball to their teammates close to the net. Debbie Brown moved her way into a starting spot in her first year with her constant hustle and hard work.

Four other big reasons for their success were Jeannie Kaye, Theresa Jessup, Cindy Hoogerwerf, and Marion Frank. They were the depth that enabled Miss Kimmet to substitute freely without losing any strength on the court.

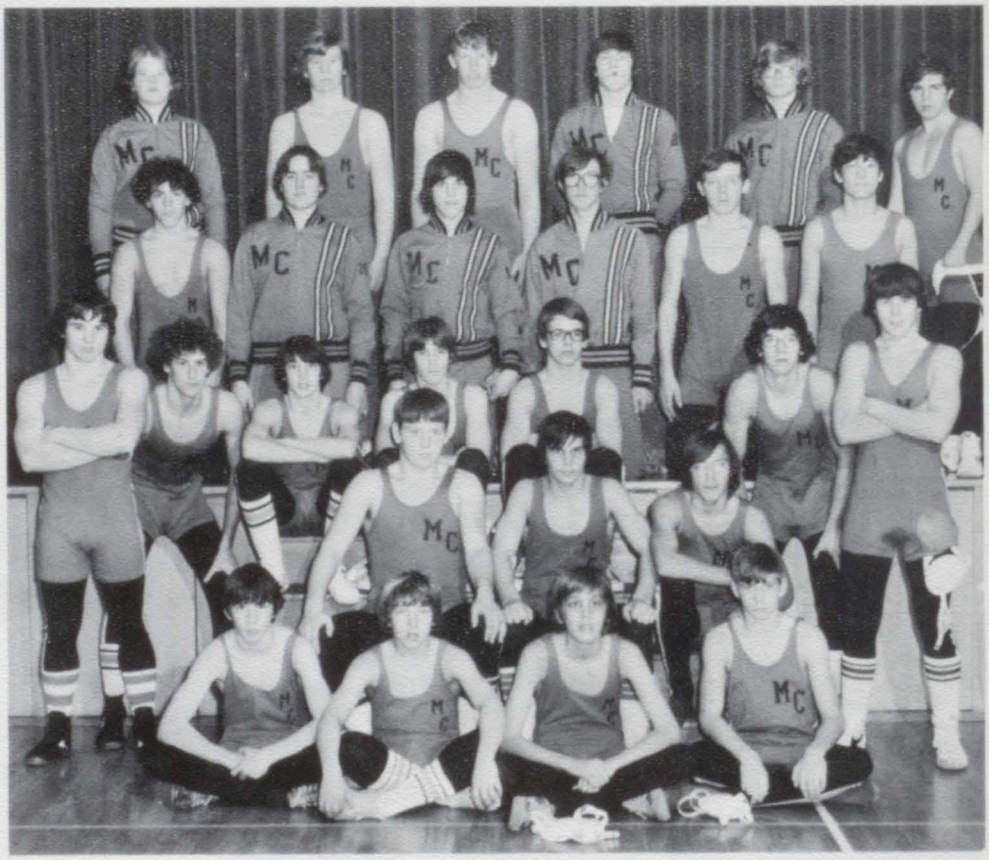

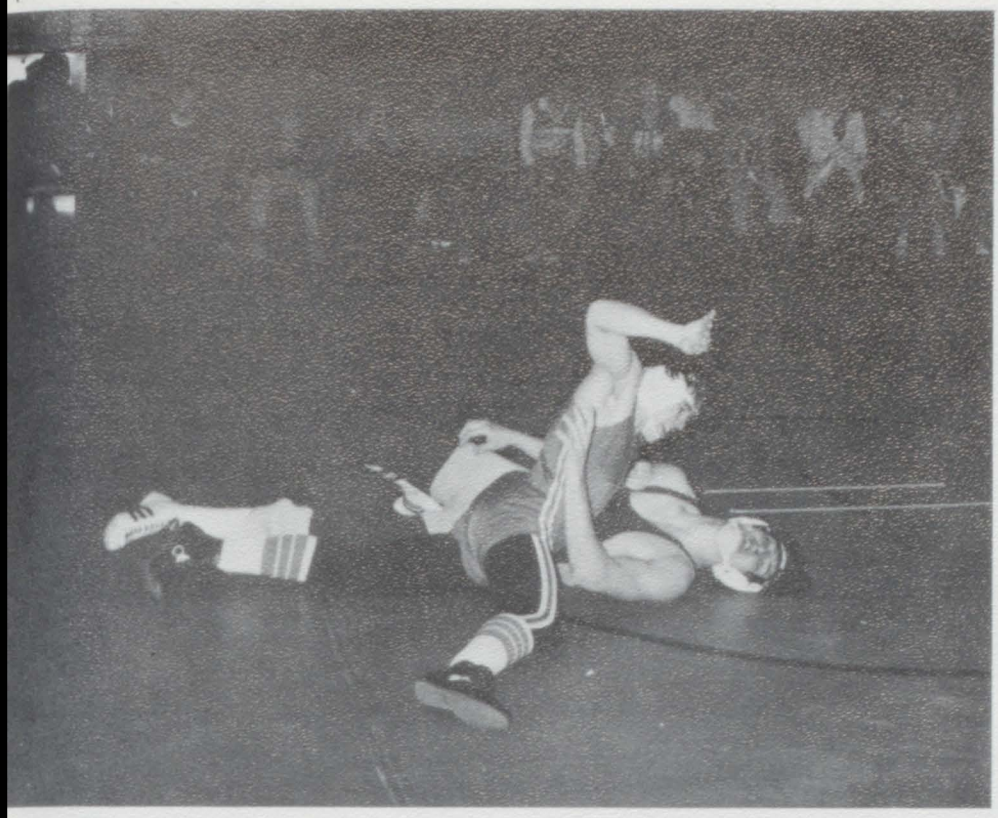

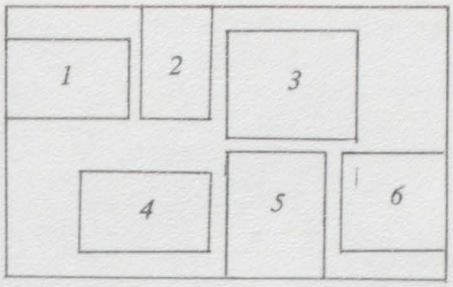

Coach Wight Ignites Team
Improved Matmen Place 2nd

The Marine City High School Wrestling team improved tremendously this year. The grapplers had a lowly last place 2 and 7 record last year. This year they were the most improved team in the S.C.A.L. tieing for second with a 9 and 6 and 1 record. The Matmen have never had more than two 20 match winners on the team. This year there were six.

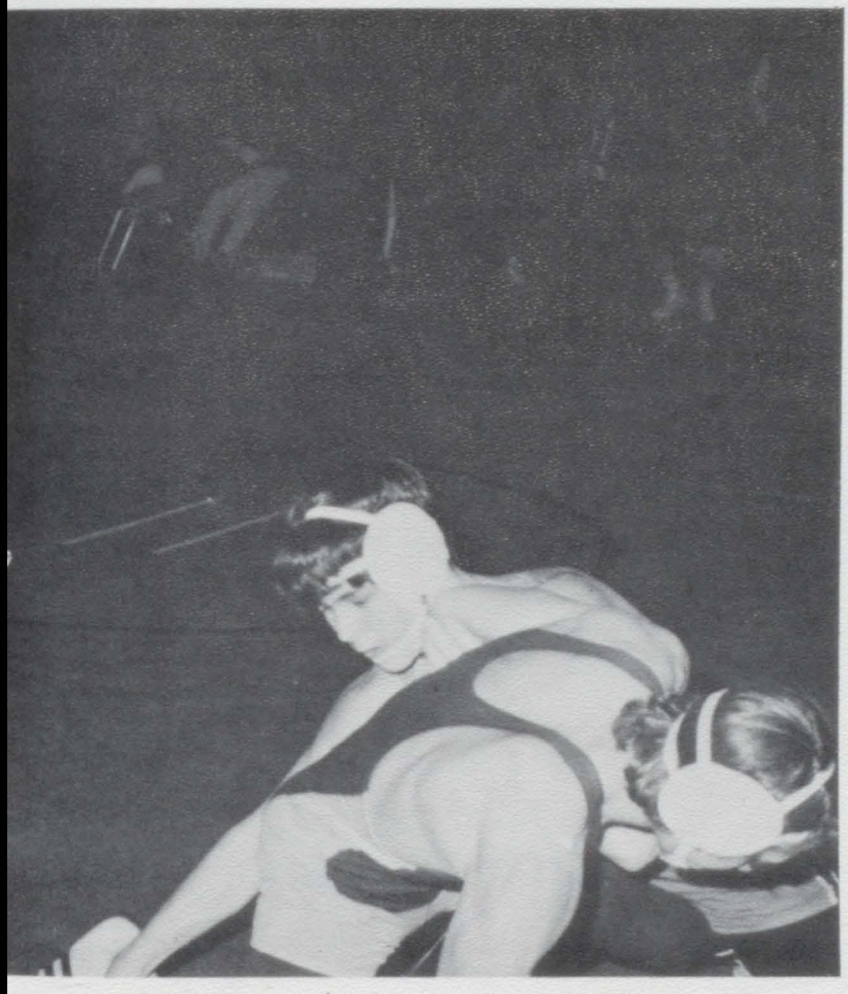

How did all these improvements come about? It was because of many changes in the wrestling program at MCHS. The most drastic change came in the form of our new coach; Donald Wight. Coach Wight had a long standing reputation of developing winning teams before coming to Marine City. The wrestlers' attitudes sparked when Coach Wight kept up his winning ways. The coach stresses aggressiveness, moves, and wrestling time. Wrestling up to 32 minutes helped bring about the first winning season since wrestling was founded at MCHS.

2. *"I don't think you're big enough to get the ball from me," says Scott Faucher.*
3. *This years hustling J.V. are: Sam Polio, T.J. VanWormer, Craig Currier, Scott Zimmerman, Rick Wagner, Ken Hopton, Scott Faucher, Coach Warkentien, John Bradley, Bob Parcell, Pat Gonzar, Alan Toles, Mark Bachler and Eric Britz.*
4. *While waiting for an opening to drive through, Pat Gonzar does some fancy ball handling.*
5. *"Where are you guys!" yells Bob Parcell as he looks for someone to pass the ball to.*
6. *"This is basketball not soccer!" exclaims T.J. VanWormer.*

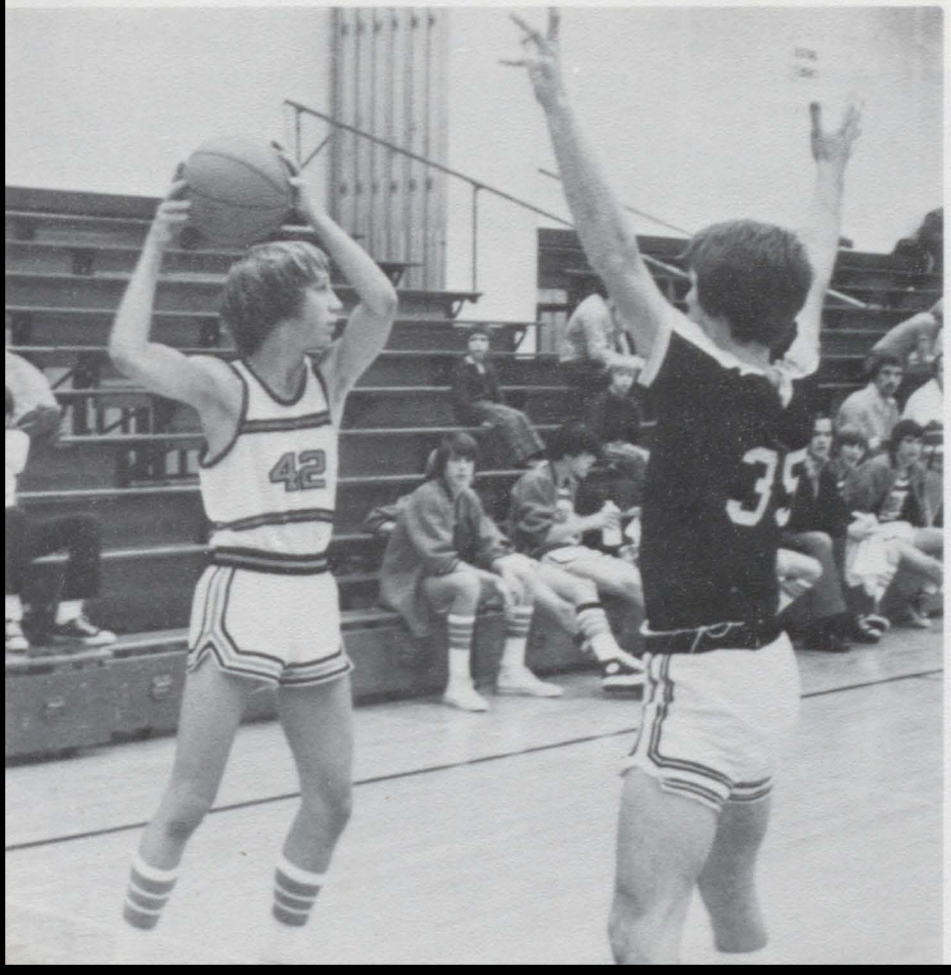

Hustle, Teamwork
J.V. Grabs Second

Combining determination and team effort into a winning season was the aim of the J.V. squad. The sharpshooting of Pat Gonzar (15 points per game) and the hustle of Scott Zimmerman, Bob Parcell, Craig Currier, Eric Britz, T.J. VanWormer, and the rest of the team helped bring their winning season to 16-3.

The cagers displayed their fine qualities against Capac coming from behind at half time (32-42) and outscore them to win (58-55). The second time the Mariners came up against the Chiefs they lost a close one (59-52). They lost to a tough Marysville team twice with a close (44-43) contest and later game of (53-38). The fine potential that the J.V. squad has demonstrated will add to a greater varsity team in the coming year.

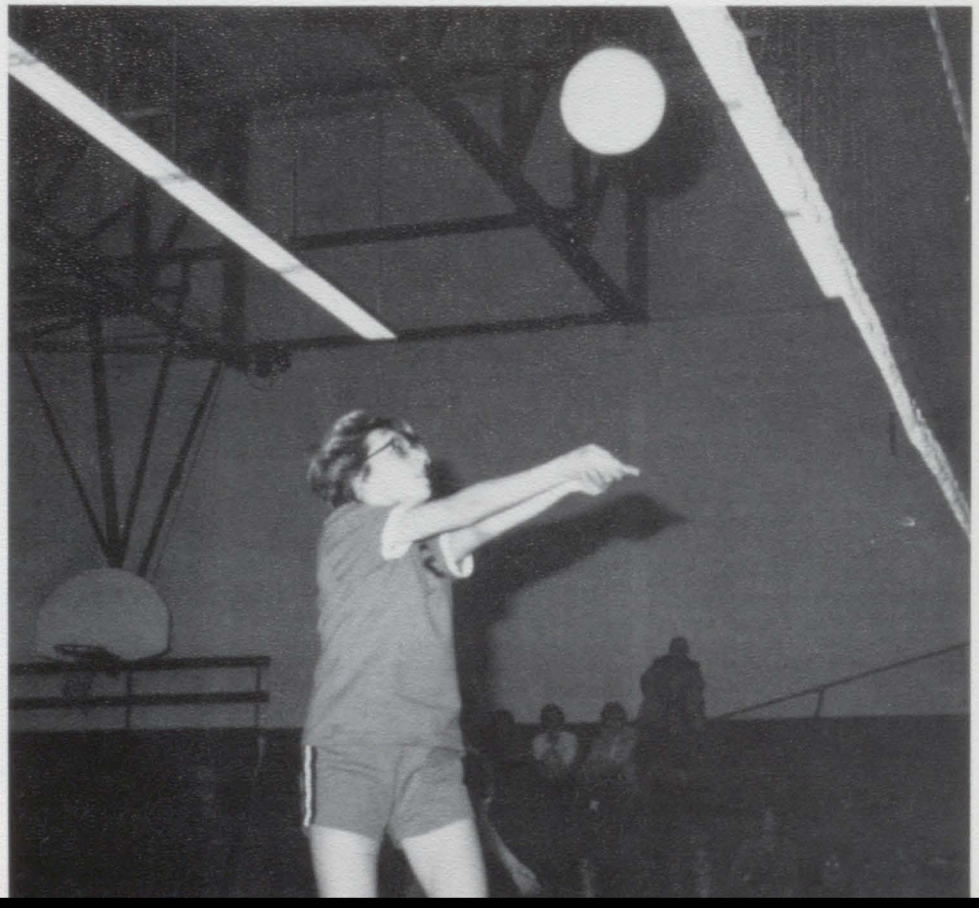

1st Season Spiked

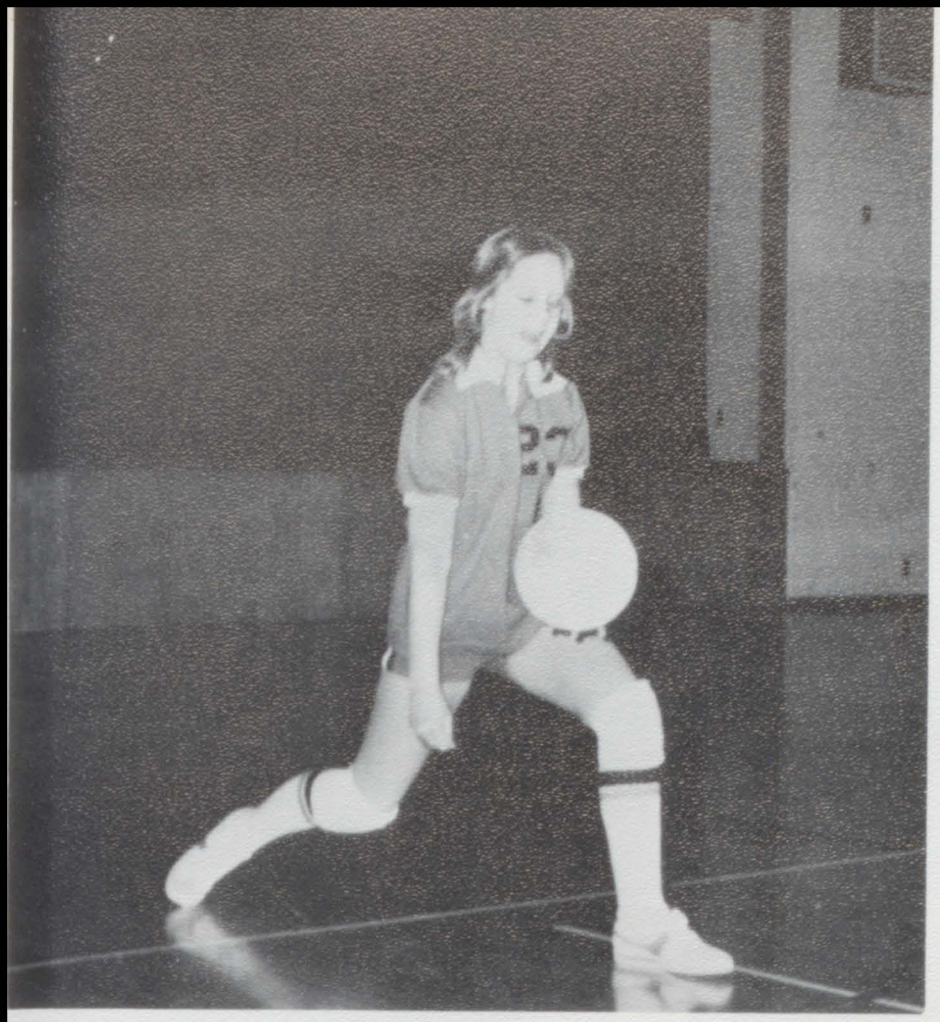

J.V. Slides into the Bumps

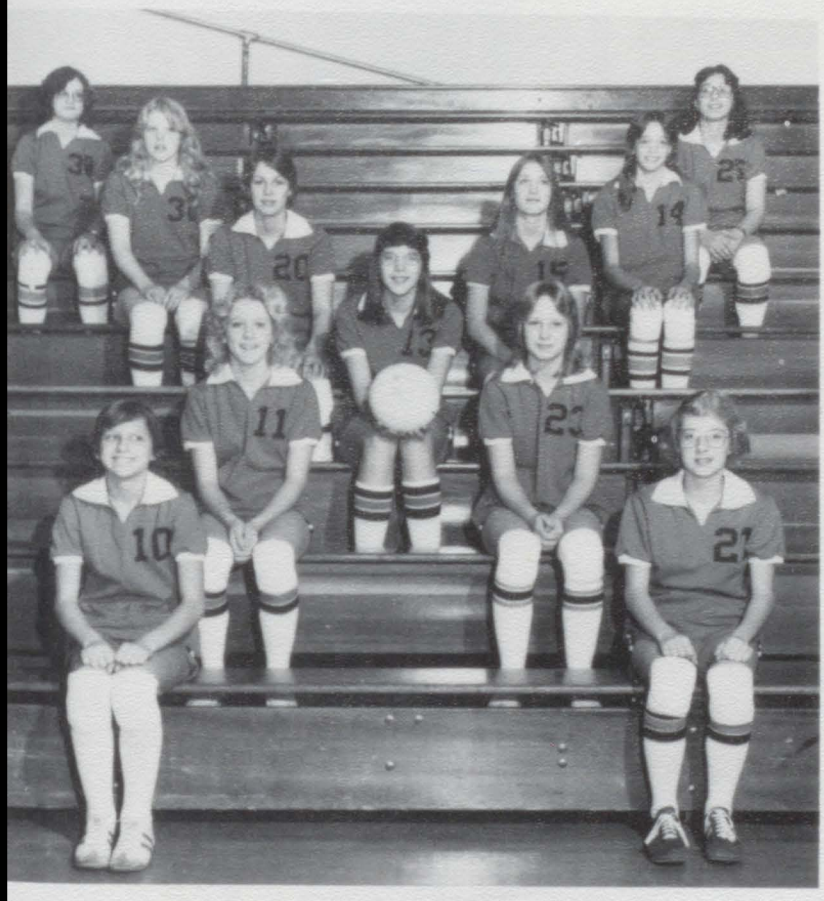

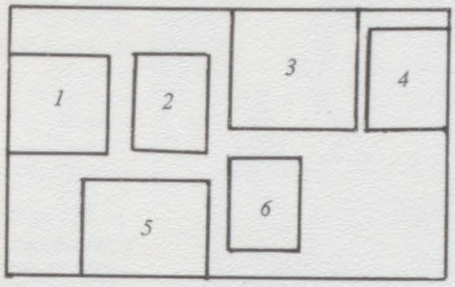

In their first year of existence, the J.V. Volleyball team battled to fourth place with a 3-7 record. Lack of height and experience plagued the team throughout the season. They started slowly losing their first two matches to Port Huron Central and Chippewa Valley. Then, after losing their first game to Marysville, the team battled from behind to take a close contest 12-15, 15-12, 15-8. Other Mariner victories came against Anchor Bay and St. Clair. The leading scorers for the season were Mary Press and Becky Carpenter with 50 pts. a piece. Tina Blakely and Cathy Anderson followed closely with 43 and 40 points respectively.

1. *Mary Press slides to make another big save for the Mariners.*
2. *Becky Carpenter sets up the front line to pull the Mariners ahead by three.*
3. *Cathy Anderson serves for another needed point.*
4. *Ellen Jessup makes a save to get the Mariners back into the lead.*
5. *Paula Kaminski returns a serve to keep the Mariners alive.*
6. *The J.V. Girl's Volleyball team is from bottom to top: Sue Ski, Paula Kaminski, Ellen Jessup, Cathy Anderson, Laura Frank, Laura King, Tina Blakely, Mary Press, Becky Carpenter, Mary Endres, Annette Clemente.*

Improvement accurately describes this year's winter sports teams as each improved themselves over last year's records.

The girl's volleyball team came up with a very good season, grabbing a second place tie in the league. Six of the girls received awards. Wendy Kellehan and Doreen Grote grabbed first team All-League honors, Debbie Brown was selected to the second team, and Brenda Venhiuzen and Vickie Sharrow made Honorable Mention. Team awards went to Doreen Grote as the M.V.P. and Most Spirited, Wendy Kellehan-Captain, Theresa Jessup-Hardest Worker in Practice and Jeannie Kaye-Most Improved.

New coach Don Wight sparked the wrestlers to their best season ever, finishing with a 9-6-1 overall record and second place in the league. Gordon Kettel, Craig Boulier, and Rob Southard all qualified for the regional tournament and Southard went to the State Meet in Grand Rapids. Other outstanding wrestlers on the team were Steve Markel, Shawn Smith and Tony Dewitt.

The basketball team had some good nights and some bad ones. It was this inconsistency that left them with a 9-11 mark and fourth place in the S.C.A.L. Despite this, they did have a few players named to All-League honors. Rob Parmentier was picked to the first team, Bill Westerhof was selected to the second team, and Shawn O'Rourke made Honorable Mention.

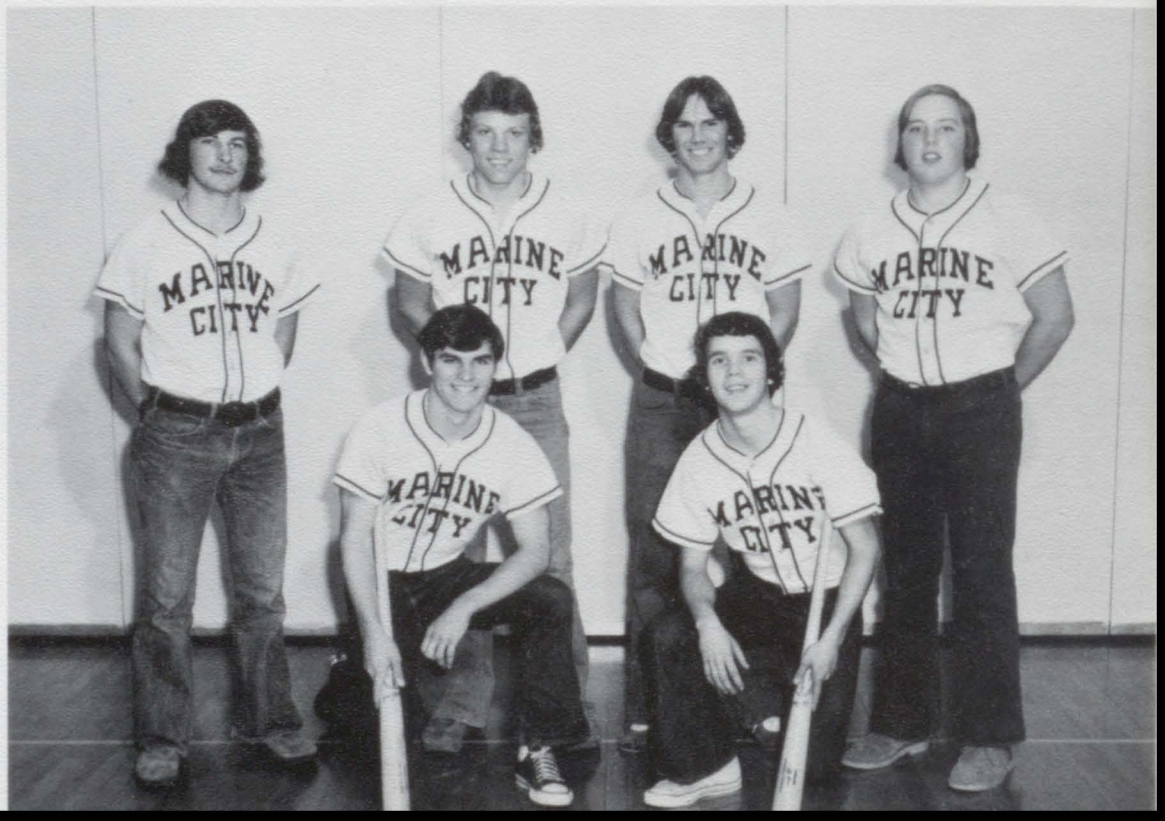

Many late innings losses

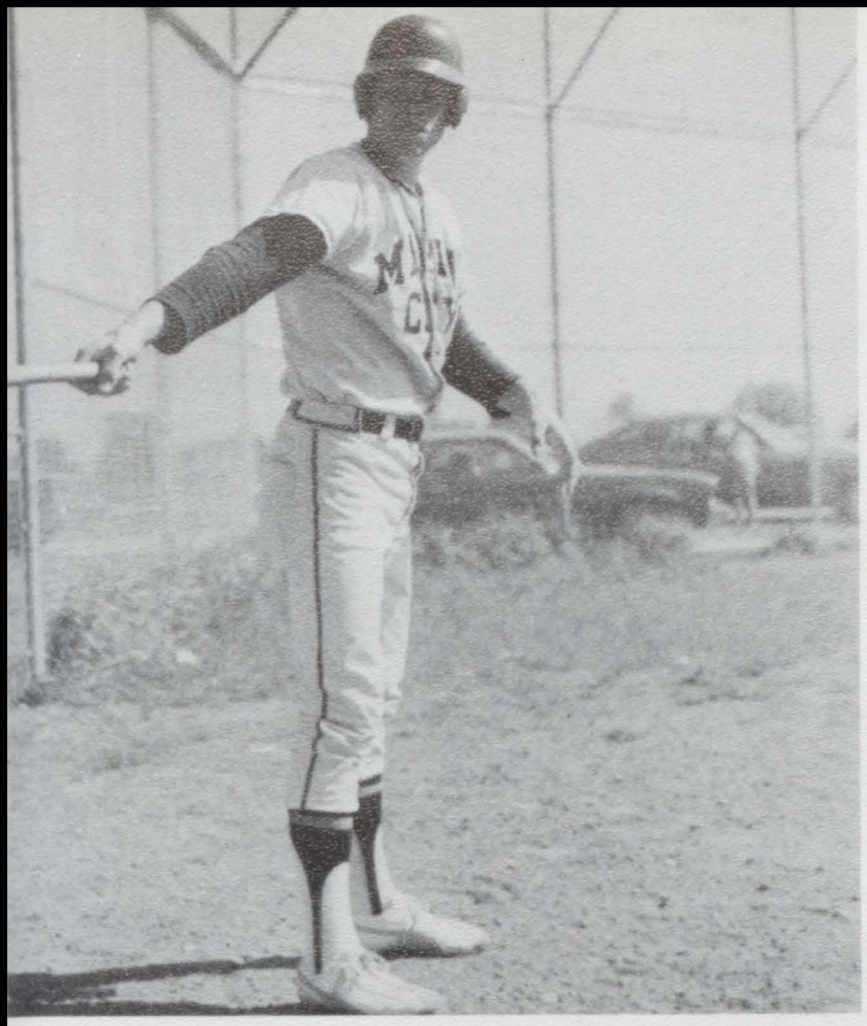

Mistakes Prone Mariners Finish Fourth

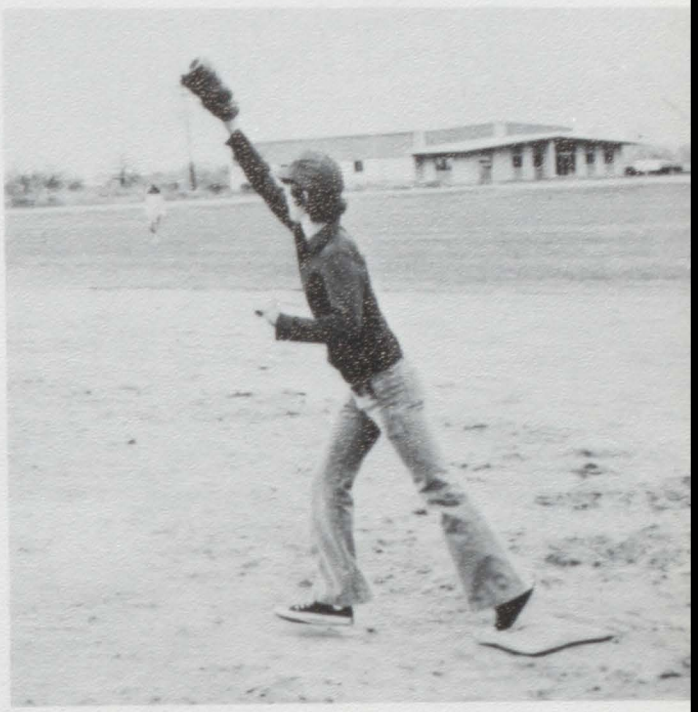

The 1976 edition of the Marine City Mariner baseball team had a disappointing season. Expected to strongly challenge for the league title, they never lived up to this expectation. They lost the first game of the season to Richmond by a score of 3-2. After that, is was downhill all the way. They were able to put together a string of four victories in the middle of the season, but that was about the only bright spot. Fundamental mistakes caused many late inning losses.

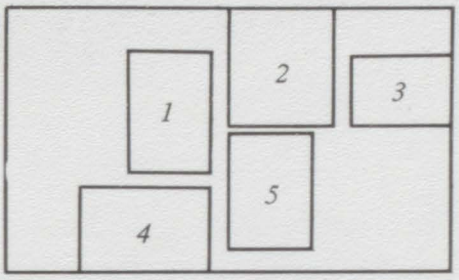

What attack the Mariners were able to muster was due to the hard hitting of Rick Charboneau (.288) and Jim Reichle (.314). Charboneau also did a good job on the mound having a fine 1.37 ERA, but only a 2-3 record due to lack of support from his teammates. His most heartbreaking defeat of the season came in the Pre-Districts against powerful Bishop Gallagher. He pitched a fantastic 3 hitter, only to lose 1-0. For his efforts, Rick made All-League Honorable Mention.

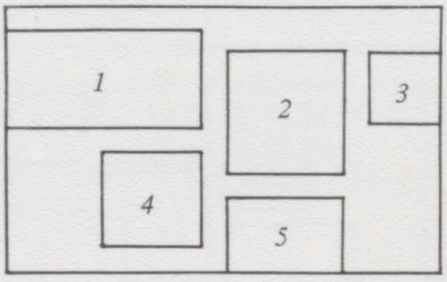

1. *Jim Reichle shows the batting style that gave him a fine .314 average last season.*
2. *Vince Fordt loosens up before getting ready to bat.*
3. *Rick Charboneau shows the slick fielding style that made him one of the league's better first-basemen.*
4. *The slugging baseball returning lettermen are: Kneeling; Bill Westerhof and Rick Charboneau. Standing; Ken Lindke, Vince Fordt, Jim Reichle, and Bob Paul.*
5. *Watching a baseball game can be nerveracking at times, but Gordon Kettel's composure keeps him cool.*

1. *The 1977 returning track lettermen are Tom Reichle, Steve Andrews, Steve Markel, Rex Jones, Shawn Smith, Mark Blair, Tim Markel, Coach Walker Archer, Gary Schmitz, Neil Hosford, Pete Markel and Mark Robelli.*
2. *Tom Riechle has another relaxing season on the mats.*
3. *Jerry Currier closes his eyes and hopes for a good throw.*
4. *John "Horn" Endres watches his shadow and wonders who is going to win.*
5. *Gerald Wesley thinks to himself "I think I'm going to make it."*

Mile Relay Team — All League
Thinclads Hold Their Own

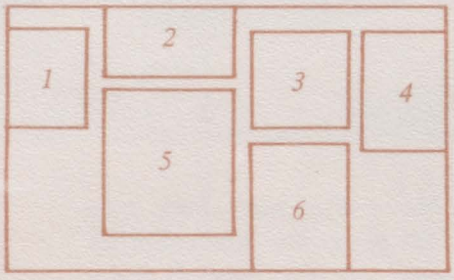

The Marine City boy's track team started out slowly but improved as the season went on. The thinclads had a couple of meets with scores of over 100 points.

The underclassmen helped considerably raking in the points. Pete Markel did very well in the two mile. He had 6 firsts out of a possible 8. His best time was 10:19 and he placed 3rd in the league overall. Along with him were Mark Blair and Steve Andrews. Mark captured firsts, seconds, and thirds in the 440 yard dash while Steve was doing the same in the mile. They were both on the All-League Mile Relay team that finished with a time of 3:35.1.

The tracksters ended the '76 season with a 3-4 league record and a 4-4 overall.

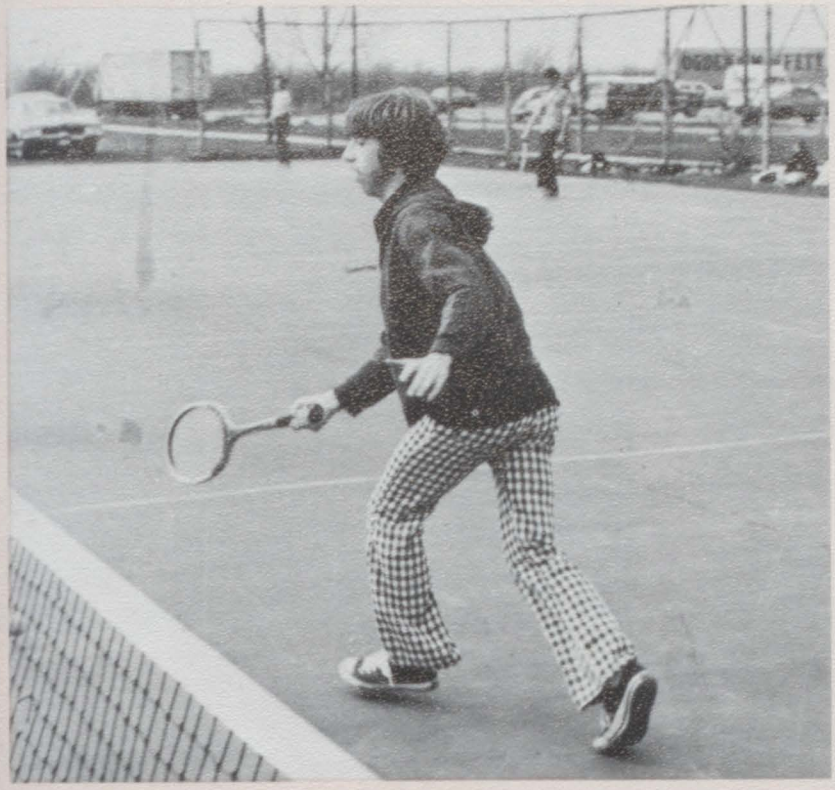

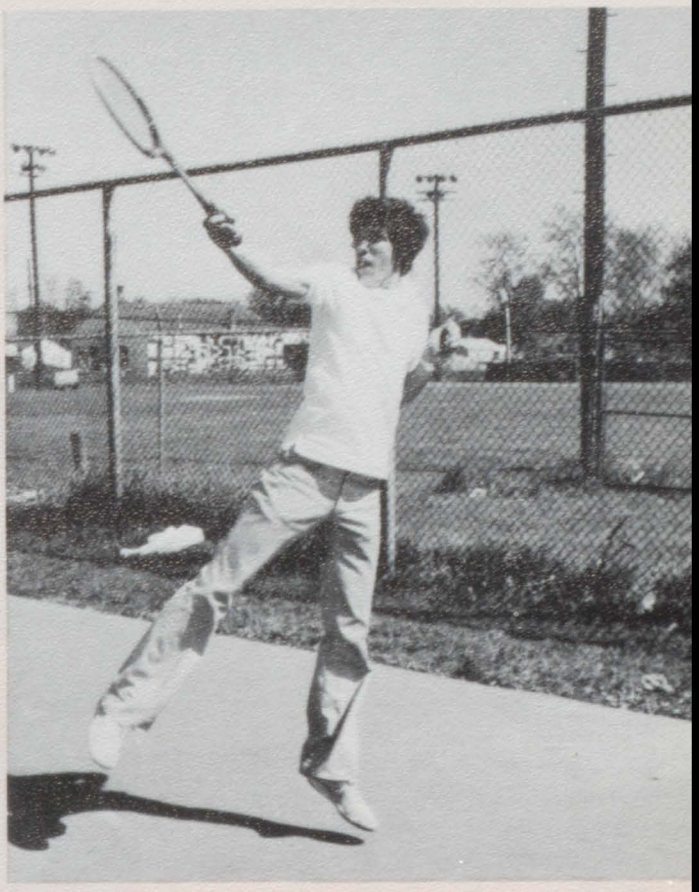

1. *Caught slightly off balance, Bob McCollister tries to recover with a backhand down the line.*
2. *Taking his time and watching the ball carefully, Steve McConnell hits a solid shot for another winner.*
3. *Bob Shattuck finds it's not all that easy to cover the alleys while playing net.*
4. *After being forced back past the baseline Ed Frydell retaliates with an offensive lob.*
5. *The swinging Mariners for "76" were bottom row: Joel Bell, Coach George Newcombe, Tom Kuberski, Craig Boulier, Brenda Venhuizen, Tom Clemons, Ed Frydel, Keith Defever, Jim Endres, Bob Williams, Bob Shattuck, Steve McConell, Bert Beauchamp, and Bob McCollister.*
6. *Joel Bell returns his opponents serve with a piercing backhand down the line.*

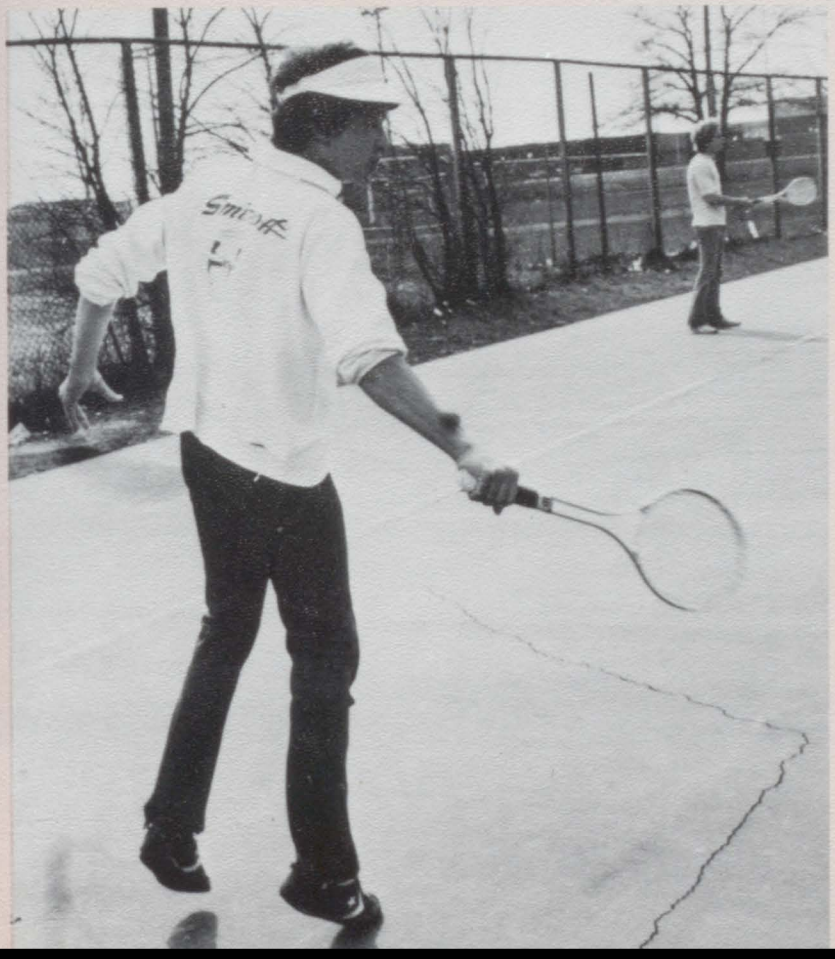

"Victories At Last"

Mariners Hotter Than Ever

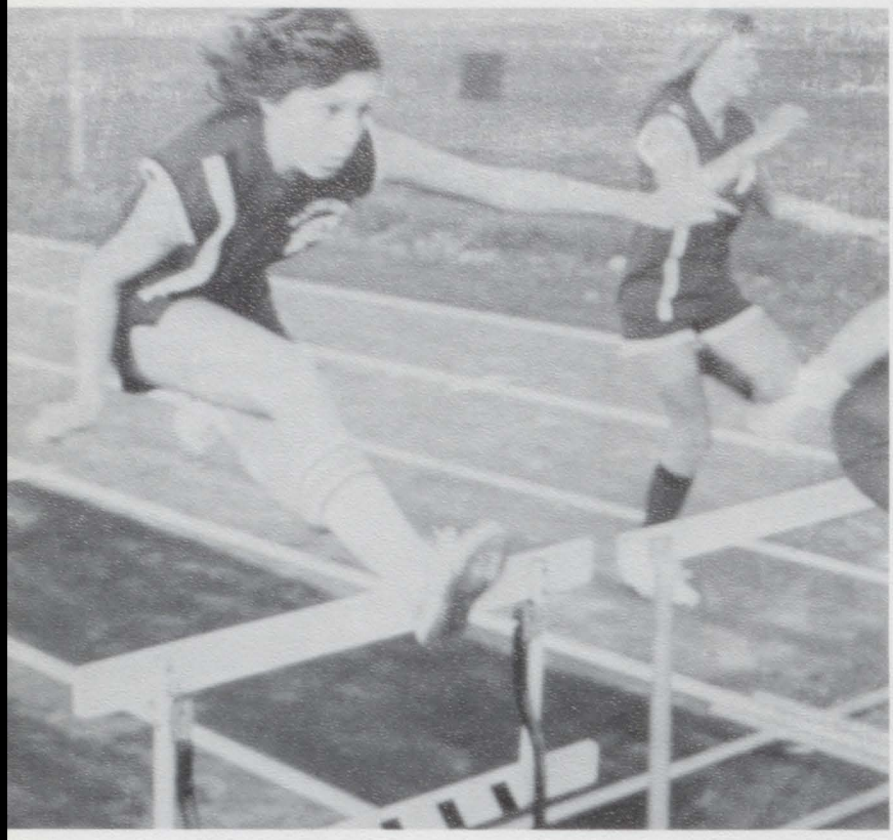

The Mariner Tennis Team came up with its best season in over ten years. The netters were strong in both singles and doubles, and achieved some sensational upsets throughout the year. One of these was against the tough Algonac Muskrats. Mariner power came through in the final match for a 4-3 victory.

The team had no problem getting it all together early in the season. They spared no one and had many devastating 7-0 and 6-1 victories. Because of scores like these, the league was shown the extent of the Mariner force.

Tom Kuberski and Joel Bell led the singles division with winning records of 15-5 and 14-7 respectively. Both of these fine players also advanced into the semifinals of the County League Meet. Leading the doubles were Ed Frydell and Bob McCollister with a fantastic 14-4 record. The rest of the team enjoyed a good season and ended up tied for second in the league with a 12-4 overall record.

The Mariner Girls Track team had a slow season last Year. One of the most important reasons for this was the poor turnout of participants. The girls felt if more people had shown up for tryouts and practice they could have done better.

The state of Michigan added a new event to girls track, the discus. Lois Lightfoot threw the discus for Marine City and set the initial school record for that event. Two other school records were broken last year, by Karen Ski in the 2 Mile Run, and Pam Leitch in the 880 Yard Run.

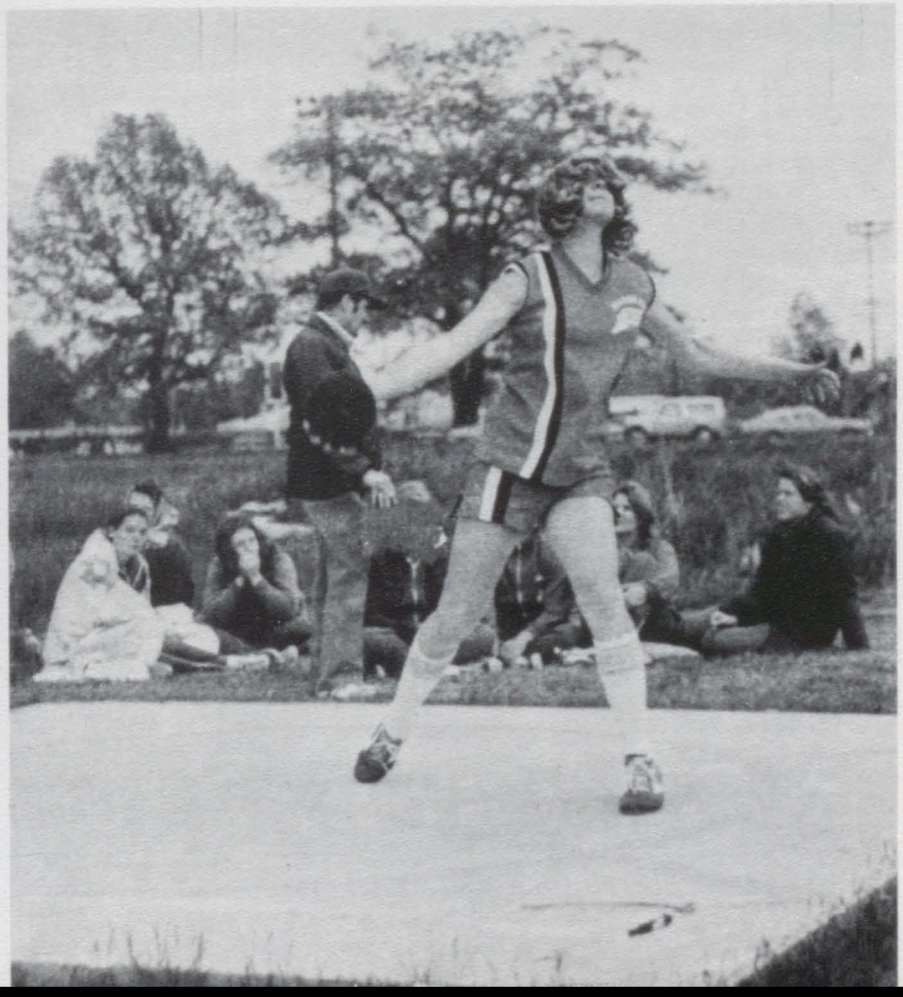

Girls Track had been a varsity sport in the S.C.A.L. for 2 years and is rapidly growing in popularity among fans as well as the dedicated girls who participate.

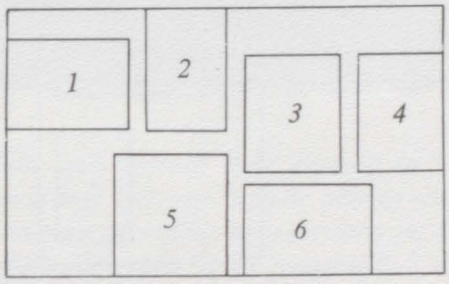

Hindered by Slow Season
Gals Run Out of Gas

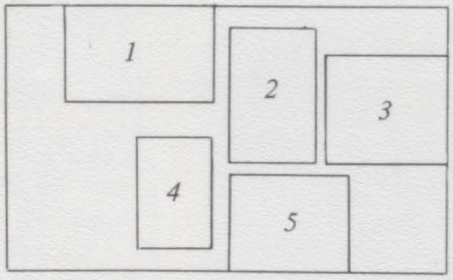

1. *With great form, Cindy Forsyth clears each hurdle easily.*
2. *Pam Ames struggles across the finish line leaving the other runners behind.*
3. *Tina Blakely rips past her opponents for another first place.*
4. *Karen Ski puts a little twist into her throw and lets the discus fly.*
5. *Left: Angie Heintz, Lisa Kraus, Debbie Bradd, Lois Lightfoot, Ann Hilferink, Mary Ann Jeffry, Sue Shumate, Cindy Forsyth, Pam Leitch, Kathy Brettin, Karen Ski, Tina Blakely, Pam Ames, Michelle Endres, Cindy Zwickey, Debbie Schwartz, Wendy Tomlin. Top: Rindy Braun, Coach Martha Lownsbury.*
6. *Wendy Tomlin strides out the last few yards for another easy win.*

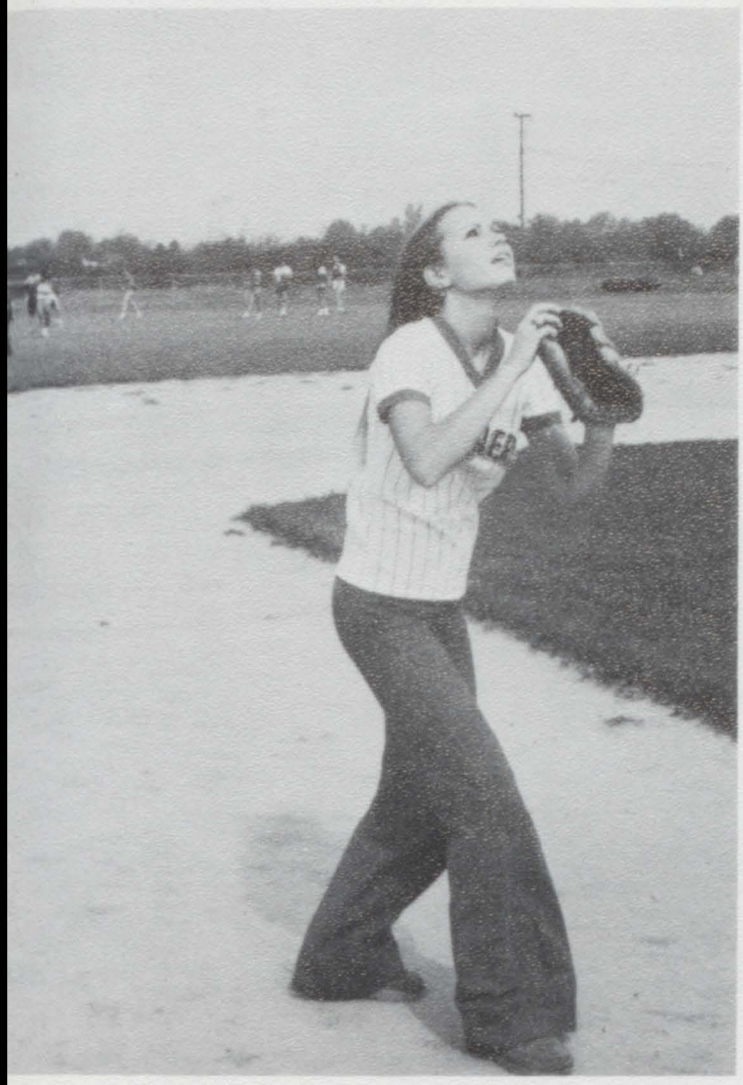

More Ups Than Downs

Mariners Find Success in Second Year

1. *The 1976 Softball Sluggers are: Top to bottom: Vicky Sharrow, Debby Brown, Karen Lacroix, Marion Frank, Annette Heilmann, Lisa Smith, Gi Gi Yax, Shari Reynolds, Kay Chamberlain, Lynn Maitland, Jeannie Kaye, Jean Polio, Cindy Fahs, Sue Wiinikainen, Wendy Kellehan, Beth Fielhauer, Laura Deanean, and Coach Kathryn Kimmet.*
2. *Getting set for the third out is Mariner shortstop Sue Wiinikainen.*
3. *Mariner Softballers take care of biz before practice starts.*
4. *By the look on Wendy Kellehan's face, it doesn't seem like the batter has much chance.*
5. *Kay Chamberlain makes it look easy as she rips into another one.*

The girls softball team enjoyed its best season ever last year. Despite playing with a team made up entirely of underclassmen, they earned third place in the league with a nifty 7-5 record. The year started out with a bang, on the strength of a 41-10 trouncing of Anchor Bay. Even though the season was full of ups and downs, the team came through by rattling off four wins in a row at the end of the season.

The girls were led by sluggers Debbie Brown and Jeannie Kaye who batted .579 and .625 respectively. Both were selected as All-league and Jeannie also made All-area. All totaled our Mariner girls had a .411 team batting average and had five people bat over .400.

The spring sportsters ended the year in style as each team came through with a good season.

The tennis team had their best season in years. They were led by Tom Kuberski (15-5) and Joel Bell (14-7) in singles. Ed Frydell and Bob McCollister led the doubles teams with a 14-4 record.

In just their second year, the girl's softball team had a terrific record of 9-6. Debbie Brown and Jeannie Kaye racked up honors for their performances.

The thinclads were led by Pete Markel, Steve Andrews and Mark Blair. At the league meet, Pete finished third in the two-mile while Steve and Mark helped the mile relay team take first place.

Although they had a worse season than expected, the baseball team still finished with fourth place. Rick Charboneau made All-League Honorable Mention with his hitting and pitching.

The girl's track team had a bad season but still had some bright spots in the underclassmen. Tina Blakely (high hurdles), Ann Hilferink (long jump) and Pam Leitch (880 yd. run) had good seasons for the team.

The Individuals

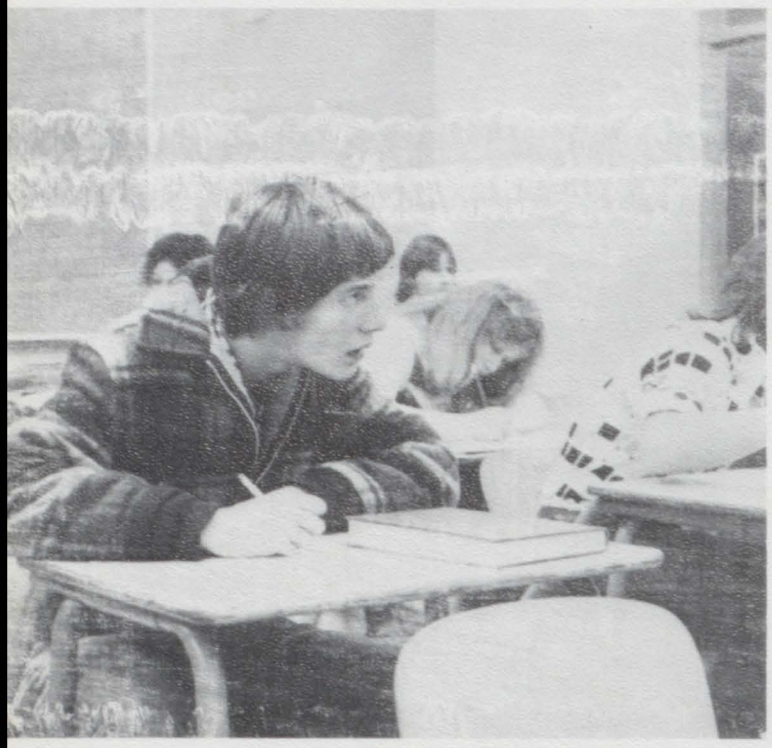

Even though today's students are divided into classes, each class and each student is an individual. It's difficult for everyone to pull together, at times it's more fun not to.

The classes compete against each other in spirit competition, money-making activities, in short, almost everything. The only time they ever really get together is to compete against Seniors.

From Sophomore to Junior, most under classmen find that high school is a time for discovery, and also a time for fun.

Larry Watson can't believe his eyes when he sees the assignment just given by Mr. Pavlov.

After being known as "the babies" for two years, the class of 1978 has finally moved up to a position of respect. But along with that rank of "Junior" comes new responsibilities, much hard work, and a lot of fun.

Your junior year the "Idiot Circle" becomes a second home, new partying methods spring up, and most people learn the layout of the back roads better than they know the halls.

As a Junior, new class experiences become available – watching Mr. Homberg perform dance steps in time to history lectures, and hearing Mr. Harvey's imitation of bells, to name just a few.

The year has a way of uniting a class spirit and a feeling of greed run high as you beg, borrow, or steal enough money to stage the prom, and terrorize the entire countryside with cries of "Wanna buy some candy?"

When times get hard and it seems like there's just no way you'll ever wade through the harder classes and endless money-making schemes, the familiar cry of desperation is heard loud and clear – "Just One More Year!!"

The Graduates

Every senior class has a strange combination of regret and joy at the prospect of merging into the "real" world. Being a senior means you definitely are at the top, and few miss letting the underclassmen know it. Special priviliges go with the rank – partying at Disney World, getting out of final exams, and attending FASCINATING Government classes.

But being a senior is hard work. The rush for college acceptance is on and the day of being on the job market looms dangerously near. You find people are developing interests that aren't school-related, and suddenly teachers are expecting a little extra.

All in all, the senior year is a year for discovering just what it is you've been doing for 13 years, and probably will be doing for the next 50.

Her schedule here in America is much more organized than in Germany. There she had a different schedule every day of the week!

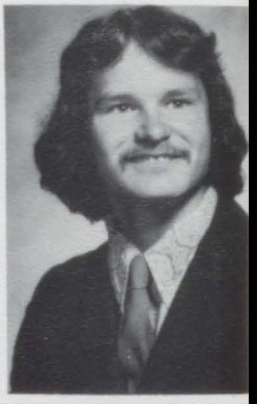

Renate enjoys sports, especially tennis and track. She also is attempting horseback riding. She is picking up a few pointers from Teresa Hurst and her family where she is staying while living here in Marine City.

America isn't the first foreign country Renate has travelled to. France, England, Sweden, Spain, Italy, Austria and The Netherlands can be added to her list of travels.

Fun Finishes Upward Stride

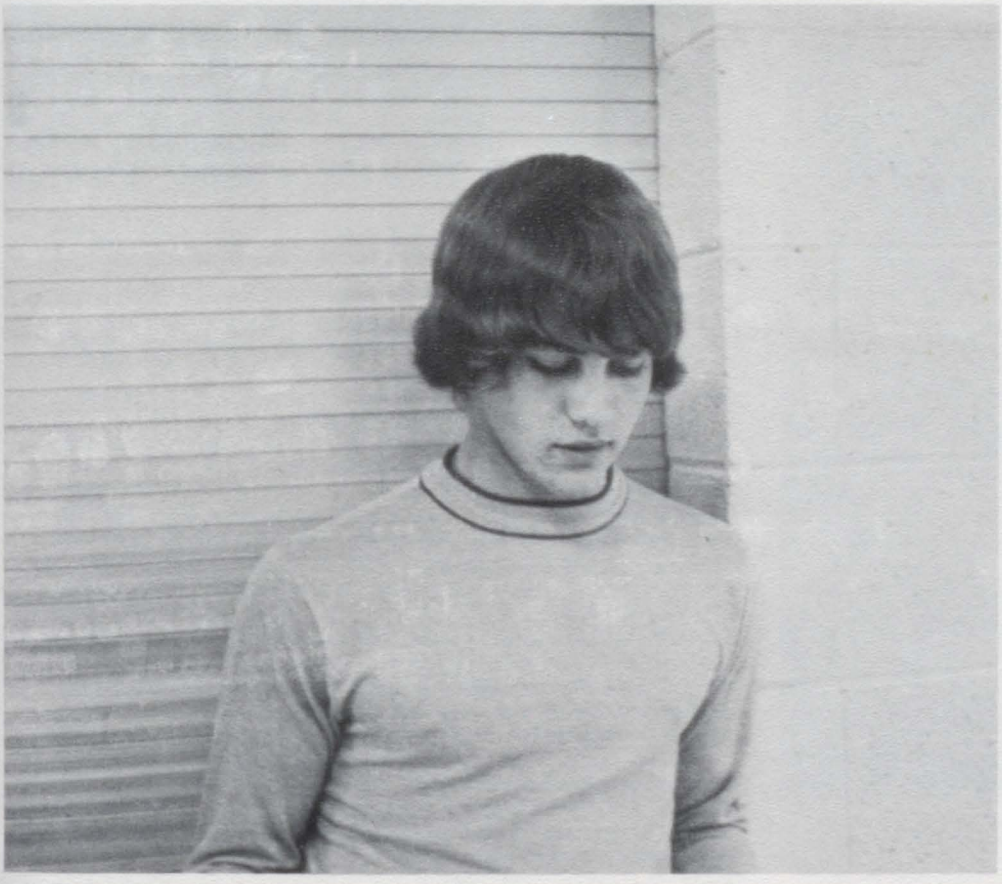

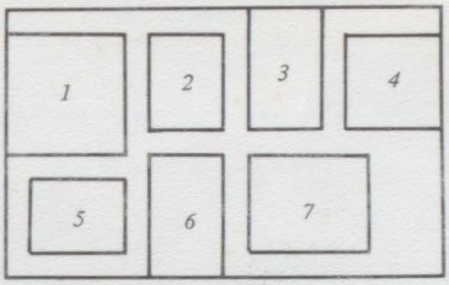

1. *Tammi Walker points the finger at the thief who stole her can of pop???*
2. *John Carrier and Brenda Hill wonder if they will ever get their report cards on time.*
3. *Meetings and more meetings – meetings that will never end when activities of the Seniors are being planned.*
4. *Mike Zobl laughs at Bob Steward, "Don't stop now, there's still more work to do!"*
5. *"This isn't worth skipping school," thinks Joe Berliner.*
6. *"Do I look okay?" Dawn Niester wonders while she waits for her cue to come out.*
7. *Tim Markel knows the best way to stay out of trouble is to mind your own business and keep away from people.*

The Contributors

Modern schools would not be the same if it weren't for the contributors, who often donate time and money to sponsor school activities and lend support. MCHS is fortunate in enjoying benefits of the people who care enough to help out.

Thanks to the contributors, uniforms are cleaned, cars are provided for Driver's Ed., student employment is offered, and pictures are taken. Most businesses find that if they invest interest in the student, they repay them, through patronage and word-of-mouth advertising.

The contributors greatly add to the schools what could the future possibly bring?

It would be great to see every business person and company contributing to the upkeep of the people who will soon be their biggest

SENIORS

I may have a good job for you.

In fact, the Army has over 300 different jobs you coupld apply for and probably get.

If you qualify, we'll guarantee your choice of job training in fields like construction, computer programming, intelligence, electronics, communications, or many others.

We'll pay you a starting salary of $374 a month (before deductions). With a raise to $417 after 6 months.

We'll also give you a chance to travel. Get a head start on college through in-service educational opportunities. With the Army paying up to 75% of your tuition.

With the Army's Delayed Entry Program, you can come down now and pick the job you want. And if you qualify, we'll hold it for you – until after you graduate.

Cecil B. De Paulov

Your ideas were a great influence on everybody. You brought out the true character in alot of my friends. Before They were very shy and timid now there bold and outstanding. We just have one problem on our hands the real Bob shatteck got loose. I've learned alot from your classes and I will always remember them. I hope You and your family prosper in life. I will try and Keep in touch with you throughout the years. Always stand Tall

God Bless

Mr. Paulov:
It's my last year
+ I owe alot to you.
You've helped me alot in
most of my accomplishments
+ influences in almost all my
school activities, with your
help I have won a trophy
+ with all your influence
I am going out in the
world + make my mark
I think the most
that you have taught
how important
I am go

The End Could be a New Beginning

Jimmy Carter elected President. Homecoming 76 ... Queen Mary Kay. Button, Button ... spirit week. Flower parties, McKinley road ... party down! Oh good, 10:20. Party at Snell's ... who fell in the fire at Beauvais? Girls Varsity Basketball Team wins 24 in a row! Districts! Regionals! STATE CHAMPIONS!!! Skiers go skiing ... Janice breaks two! Winter parade ... Queen Kathy. Burr, wind chill factor 45 below. What? It snowed in school? Frozen water pipes, break, flood floors. Seniors take 9 days off for Florida. Prom, Queen? King? HOLY SMOKE!!!

to Mr. Parlor
even though I Gave
a bad time to this
year. Just kidding
and just because I have
influence on everybody
you don't have any on me
So Good Luck with your
little boy, and the true
Blue guy, you are.

"CARING COUNTS"

During our bicentennial year we decided we wanted to do something constructive for ourselves, our country and the world. We chose to try to help right the wrong that has been done to the American Indians – so we have adopted an American Indian boy. He is Michael Anthony Chavez and lives in New Mexico.

"Caring Counts" is a division of "Winant's A Little Better World." During 1976 – we honored Kathleen Carleton, one of our charter members, by giving her the first Winan Fellowship to Eastern Michigan University. Dr. Ralph Smuckler, who has helped us since our beginning, was awarded the Winan Humanitarian Award. During the summer of '76 we hosted Lynda Walsh of London, England as a Winan Volunteer. This summer, Randy King, one of our members, will be a Winan Volunteer in England.

Jeff Alm, a veteran and LBW member journeyed with us to Washington in '76 to place a wreath on the tomb of the unknown soldier.

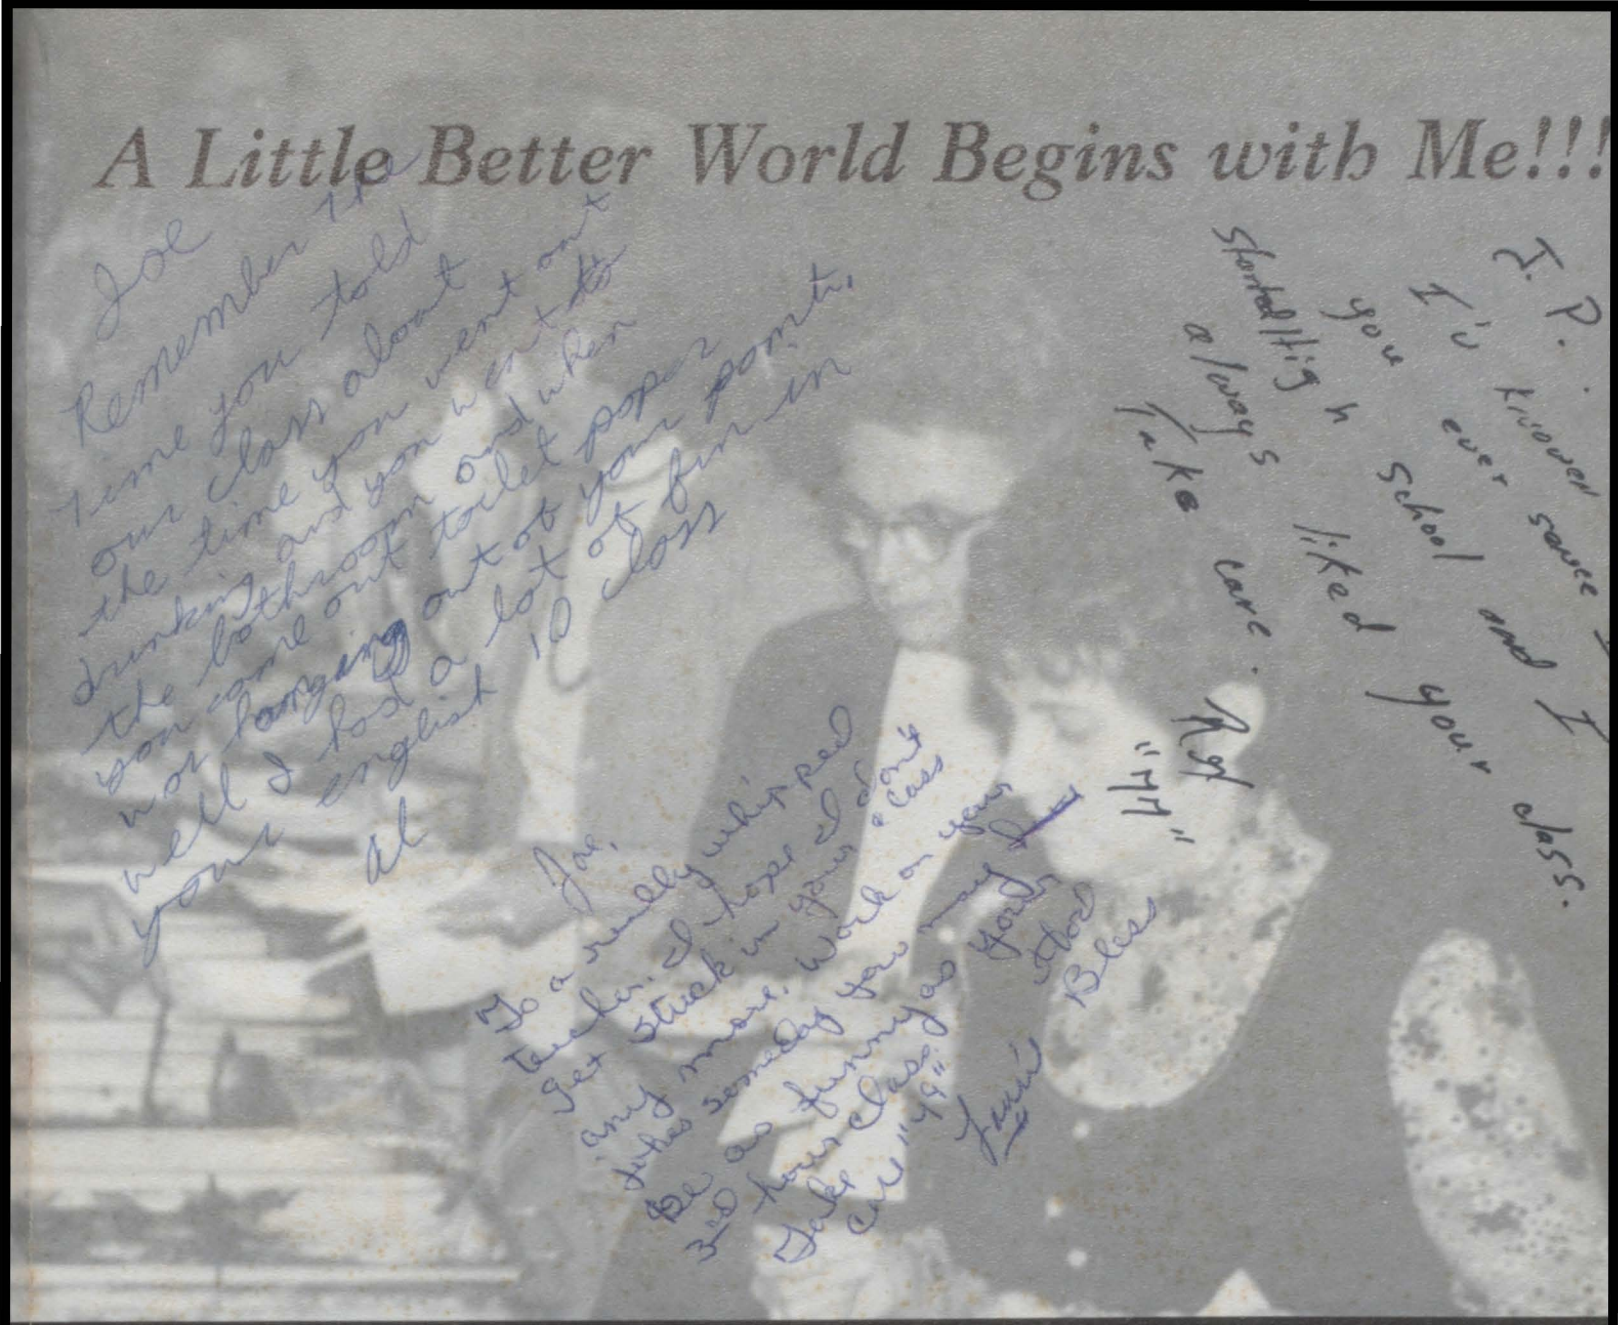

"Caring Does Count!"

A Little Better World Begins with Me!!!

The Past is Now Behind U
